LAWS AND REGULATIONS

OF THE

UPPER CANADA BIBLE SOCIETY

As adopted at a General Meeting of the Society, held in the City of Toronto, on the 3rd day of August, 1855, and amended at General Meetings held on the 13th day of April, 1880, 18th day of November, 1887, 30th day of May, 1895, and 6th May, 1902.

[UNDER THE ACT OF INCORPORATION.]

ARTICLE I. This Society shall be denominated the "UPPER CANADA BIBLE SOCIETY," having the same object in view as the British and Foreign Bible Society—that is, the circulation of the Bible without note or comment.

II. This Society shall endeavor to unite all Bible Societies in the Province and to concentrate their operations, in order to give more efficiency to the whole.

III. This Society shall maintain, in the City of Toronto, a general depot of Bibles and Testaments, from which all Societies in connection with it shall be supplied with the Scriptures at the lowest price at which they can be afforded.

IV. The business of the Society shall be carried on by a Board of Directors, to consist of a President, Vice-Presidents, Treasurer and Secretaries, and a Representative from each Branch, as provided in Article V., together with twenty clerical and twenty lay members, so selected as to give the Board always, as before, a representative character as regards the principal religious bodies interested in the work of the Society, five of whom shall form a quorum. The three clerical and the three lay members who shall have attended the least number of meetings of the Board, shall not be eligible for re-election, except in cases where the non-attendance has arisen from illness, or absence from the city, or where the member has been present at not less than five (5) of the regular monthly meetings of the Board, etc., in which cases the Board may nominate such member or members for re-election.

V. Each Branch Society shall be entitled to a representative on the General Board. The President of the Branch shall be EX-OFFICIO such representative, or any other resident member whom the Committee may appoint as substitute, who shall be a member of such Branch.

VI. At any meeting of the Directors the President, or in his absence the Vice-President first upon the list then present, and in absence of such Vice-President, the Treasurer, and in his absence such member as shall be chosen for that purpose, shall preside.

VII. Each person paying annually one dollar shall be a member of this Society; and persons paying fifty dollars at any one time, either to this Society or to any of the Branch Societies in connection therewith, or through them to the British and Foreign Bible Society, or who may have rendered important services, shall, at the discretion of the Directors, be declared Life Members.

VIII. Each Life Member of this Society shall be furnished with a certificate of membership, under the corporate seal of the Society, duly signed by the President and Secretary.

IX. The Board of Directors for the time being shall have the appointment of the Permanent Secretary, Agents, Depositary, Colporteurs, Bookkeeper and Assistants of the Society, and the fixing of all salaries and allowances; and shall have the superintendence and management of all the property, real and personal of the corporation, as well as the management and

control of its general affairs and the appropriation of its funds, with full power to enact such rules as may be requisite to effect the objects contemplated by the Act of Incorporation.

X. The Board of Directors shall meet for the transaction of business on the third Tuesday of each month, at the hour of 7.30 p.m. Special meetings may be called by the Secretaries at any time, at the request of the President or of any three Directors.

XI. The financial year of the Society shall end on the 31st day of December, and the annual general meeting shall be held on the last Tuesday of January, or at such other time as the Directors for the time being may deem best in the interests of the Society; when the officers and Directors for the ensuing year shall be chosen, a report of the operations of the Society during the fore-going year shall be presented, together with the Treasurer's and Depositary's accouuts duly audited. Special general meetings may be called at any time by the Board.

XII. In case of the death or removal of any Director or officer during the year, the Board shall at the next ensuing meeting thereof fill each vacancy.

XIII. The Permanent Secretary shall have the custody of the Corporate Seal of the Society; and all instruments requiring to be executed under such seal, shall be signed by the President and Permanent Secretary, and any instrument which operates as a release of a money claim shall also be signed by the Treasurer. In case, on account of the absence from the city, or the illness of any of the officers whose signature to any instrument is required under this rule, such signature cannot be conveniently obtained, such instrument may be signed in his or their stead, by such other persons as the Board may from time to time direct. The President, Treasurer and Permanent Secretary, shall, upon the receipt of any legacy, or other moneys payable to the Society, have authority, without the special direction of the Board, to execute under the corporate seal, any release or acknowledgement in respect thereto, which they deem necessary or expedient.

XIV. No alterations of these Bylaws shall be made except at a General Meeting of the Society, and after one month's notice of the proposed alterations has been given to the Board.

GRANTS TO SUNDAY SCHOOLS AND MISSIONS.

1.—Mission Churches and Schools under denominational auspices, are not in general to be considered fit objects for the gratuities of this Society; but missions among Indians, Jews, French Canadians, Chinese, Italians, &c., though under denominational auspices, are not to be taken as coming under this general rule.

2.—All applications for grants of Bibles to Sunday Schools or Missions should be made upon the forms heretofore prescribed, which will be furnished by the Secretaries. The applicant shall state the condition of the school or mission, the number of scholars and teachers, or of the attendants, as the case may be; the amount of funds at the disposal of the managers; who are its officers; and why it is necessary to make such application. These applications should in every case be certified by a minister of the Gospel, or some person of known respectability.

ABSTRACT

OF THE

SIXTY-SECOND ANNUAL REPORT

OF THE

UPPER CANADA BIBLE SOCIETY,

1901-1902.

With the ceaseless roll of time, and the ever recurring events of Providence, we are called on to review the operations of the Upper Canada Bible Society for the year ending on the 31st March, 1902.

A retrospect, whether undertaken by individuals or an organization, is always a matter of solemn interest. Events that might otherwise pass unnoted are recalled, lost or unimproved opportunities are recognized and impress the mind, forgotten resolutions are renewed, and feelings of gratitude for direction and blessing in service are enkindled in the heart.

Although a review of the events, the cares and anxieties of the past year, may produce some painful recollections, yet we have reason to acknowledge with devout humility, that, notwithstanding our weakness and unworthiness, goodness and mercy have followed us all the year. We feel it to be a great privilege and high honour to be connected with the promotion of a cause so worthy, and so noble as that of circulating the *Word of God* in all languages, and in all lands—a work in which all Christians must feel a deep interest—a work which the present Archbishop of Canterbury has forcibly said is, "one of the great instruments that God is using to prepare the way for bringing the whole human race together at the foot of the Cross."

We greatly miss from our midst at this time, the dignified presence of him who was wont to be our presiding officer. On the 21st of July last, at the advanced age of 79 years, the Honorable Geo W. Allan, D.C.L., Senator, who for forty-two consecutive years had worthily filled the chair as President of this Society, was called to rest from his labours. Testimony to his great worth, and to his many virtues, has been borne by various public bodies with which he was connected ; and it was with united feelings of affection and esteem that the Board of Directors placed on record the following tribute to his memory :—

Resolved,—That we the Board of Directors of the Upper

Canada Bible Society, at this special meeting called for the purpose as soon as possible after the event, desire to place on record the sorrow and sense of loss we feel in connection with the death of our late President, the Honorable George W. Allan, D.C.L., Senator. With untiring devotion to the cause of the Society, Mr. Allan occupied the position of President for the long period of forty-two years, and ever discharged the duties of the office with rare tact, unfailing faithfulness, wise counsel and impartial judgment. With a deep sense of satisfaction we recall the fact that he was able to be present and occupied his accustomed place at the last regular meeting of the Board on the 18th of June. But he has been called to a higher place, and we remain to carry on his much loved work. Our late venerable President was a sincere Christian, a generous philanthropist, a broad-minded citizen, a perfect gentleman, and while ever ready with time, talents and means, to further every good work, was specially devoted to the cause of the Bible, sincerely convinced of its mission as the Word of God, and was most praiseworthy in his earnest labours for its distribution, not only in his beloved Canada, but throughout the world. Our prayerful hope is, that his sterling qualities, his singularly directed and exemplary life may be an incentive and an inspiration to us in future service.

We extend to the members of his bereaved family our sincere Christian sympathy in the loss they have sustained by the death of a true husband and a kind father; and our prayer is, that the God of all comfort may give unto them in this, and all other trials, the full measure of His strengthening and sanctifying grace, "Blessed are the dead which die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

As one by one the pioneer workers pass on to their reward, in God's providence others are raised up, and the work is continued. "Other men laboured and we are entered into their labours," being enriched, inspired and encouraged by their example and their experiences.

At a special, adjourned, meeting of the Board of Directors held on the 16th October, N. W. Hoyles, Esq., K.C., LL.D., was unanimously elected President of this Society, in place of the Hon. G. W. Allan, deceased; Mr. Hoyles having been an active member of the Board for many years, and a Vice-President.

It is with profound satisfaction that we note the continuous and unexampled development of our Parent, the British and Foreign Bible Society. The motto of that Society may be ex-

pressed, very appropriately, as "God's Word in God's World." The achievements of the Bible Society, since its organization nearly a century ago, are remarkable. It has increased annually in power, diffusing light and life in the dark places of the earth. Through the distribution of the Holy Scriptures, knowledge has come to the ignorant; Christianity to the pagan; enlightenment to the superstitious; civilization to the savage; freedom to the slave; and comfort to the down-trodden. Truly the gospel is good tidings of great joy which shall be to all people.

During the past year, the work of the Parent Society has been carried on vigorously, by the translation of the Holy Scriptures into new languages and dialects, the publication and circulation of Bibles, New Testaments, Gospels and Portions, through the medium of nearly all missionary and educational institutions of the world.

The interruption of the work in China, owing to the Boxer Movement against Europeans and Christianity, has been overcome, and Colporteurs and Missionaries have returned to that land, and have resumed their former work, under apparently more favourable auspices than ever before.

The cloud of *war* still hovers over South Africa—rebellion and anarchy, racial differences, and class distinctions are agitating the nations, and the present is a time of unparalleled unrest and distraction. Nothing but the Gospel of Christ, with its message of "Peace on earth and good will to men" can dispel the gloom.

War has laid upon the Bible Society grave responsibilities. May not *peace* (which please God we hope will soon be established) bring with it responsibilities, still more momentous? It is the Bible alone which can, by the blessing of God, and the influence of His Holy Spirit, effectually subdue the heart of man, and put an end for ever to the horrors of war, and establish the reign of the Prince of Peace.

New channels for the activity of the Bible Society are opening in different directions. Notably this year, in Mongolia, Bolivia, Columbia, Ecuador, Peru, etc., in connection with the Parent Society, and in our own Dominion, in Manitoba and the North West Territories. Our attention is directed to the Doukhobors, Galicians, and other peoples of various nationalities and religious beliefs, who are flocking to our shores from the old world centres.

Having heard and received the Truth as it is in Jesus, our responsibility is to give it to others; "Freely ye have received freely give."

We labour on no peradventure, the results rest on the immutable word of the everlasting God. Such are the aims, and such is the service to which the Bible Society is devoted.

The Centenary.

The celebration of the Centenary of the British and Foreign Bible Society will be held in London, England, in 1904. All the Auxiliaries and Branches of the Parent Society throughout the world are invited to participate in the general rejoicings and thanksgivings which such an occasion will naturally evoke.

An important feature of the programme will be the raising of an *endowment*, or *century fund*, with the object of extending and increasing the influence of the Society in the years to come.

Special literature is now being prepared and will be circulated freely, so that all interested may be fully informed regarding the different features of the celebration. A deputation from England is expected to visit the Auxiliaries and principal Branches in order to arouse the interest and enthusiasm of Christian people in Greater Britain in this celebration.

Branch Societies.

During the past year a considerable number of our Branch Societies have held their Annual Meetings with the kindly co-operation and services of the resident clergymen; and many other Branches requiring assistance were visited by the District Agents of the Society, with a view to the deepening and intensifying the interest of the people, and extending the work in Ontario, Manitoba and the North-West Territories.

Reports, with remittances of their contributions, and moneys derived from sales of Scriptures at depositories, have been received from the greater number of the Branches.

The work has been very successful, and we have been enabled to close the year with a slight increase of revenue over that of the previous year. This is encouraging, the moneys being derived mostly from ORDINARY SOURCES, *i. e.*, free contributions and sales of Scriptures, rather than from EXTRAORDINARY SOURCES, *i. e.*, legacies or special donations, which have not been large this year.

New Branches have been organized as follows :—

In Ontario—Bookton, Erie, Guthrie, Kirkfield, Oro Station, Vroomanton.

In Manitoba and N. W. T.—Medora and North Portal, Assa.

To Resident Clergymen and Officers of Branches.

Our sincere thanks are due and are hereby cordially tendered to the many resident clergymen and faithful officers and collectors for kind volunteer services in connection with the numerous Branch Societies; also to contributors for continued liberal help in this God-given work for the salvation of our fellow men.

The number of Branches which hold their annual meetings without an Agent, is increasing, and, in order to save expense, the

Directors of this Society would repeat the recommendation that the resident pastors and officers of many more of the Branch Societies should unite on a Sabbath afternoon or evening, once a year, with their congregations and choirs, and hold mass meetings in the different churches alternately, in advocacy of the circulation of the Scriptures in all languages in every land, and the claims of the Bible Society for help in the prosecution of this great world-wide work. This plan has been adopted in several places with most satisfactory results, and is earnestly recommended by the Directors of this Society. A note to the permanent Secretary at Toronto before the 1st of August, stating such an intention on the part of the officers of any Branch, will be thankfully received and attended to, before the Agents have made arrangements for the visitation of their respective districts.

It is very desirable that Officers of Branches should endeavour to interest Hotel Keepers, and induce them to place a copy of the Scriptures in each guest chamber—a large print New Testament is generally used for this purpose—and is sold at half price—five cents—or given free, as deemed expedient by the Officers of the Branch: also that Hospitals, Industrial Homes, Prisons, etc., should be freely supplied with suitable copies of the Scriptures at the expense of the Bible Society.

The Branch Officers are always expected to take an active oversight of their Depository, and see that a suitable assortment of Bibles and Testaments are kept in stock, and that a REPORT of SALES, and GRATUITIES, is made to the Toronto Depository at least once a year. Depositaries are now allowed 15% commission on Sales—according to a new arrangement.

COLPORTAGE.

Impressed with a deep sense of the great importance of circulating as widely as possible the Word of God, your Directors have continued this work more especially in the *outlying* and *more remote* portions of our land. Although the work has not been as extensive as anticipated and desired, this was in consequence of our inability to secure suitable men, and the fact that large quantities of Bibles with hymns of the different denominations are sold by book peddlers throughout the country; also, that Bibles are sent out by publishing houses with religious and denominational newspapers, tends to reduce the sales of our colporteurs, who carry and circulate the Bible only, *without note or comment.* Yet notwithstanding these drawbacks, the colporteurs have circulated many more copies than in the previous year.

Much good has been done by means of our colporteurs. Many

families have been visited in their homes, and the attention of the members have been aroused to their spiritual needs. Who can tell the results which may flow from those visits, conversations and prayers of your colporteurs—the seed has been cast by the highway and the by-way—and will take root, for we have the assurance that God's word will not return to Him void.

Your Colporteurs have been laboring in the following districts: Mr. Armstrong among the men employed in saw mills, factories, lumber shanties, on railways, also among farmers and summer visitors in the Muskoka district. Mr. McKay at Sault Ste. Marie—where many men are employed—and at many points along the north shore of Georgian Bay—meeting lumbermen, fishermen, settlers, etc., in *New Ontario.* Mr. Clarke, on Manitoulin Island, Algoma. Messrs. Bond, Hunter and Mossip, in Manitoba and the North-West. Mr Siemens among Mennonites, etc., in Southern Manitoba. Mr. Lane, in British Columbia, and recently, Mr. Hellyer, a young Russian, who speaks English, as well as several other languages, has been sent to work among Doukhobors, Galicians, etc., etc., in Assiniboia and North-West Territories.

Quietly and unostentatiously has this arduous work been performed by your Colporteurs, in the daily routine of visiting homes, etc., and weeks and months have been passed in patient, faithful service. Few results of the work can be tabulated, but many poor, and sick, and lonely ones could bear witness to the help and cheer and comfort derived from the colporteurs' visits.

As in previous years, on the opening of the season of navigation, your permanent Secretary visited each of the steamboats plying to and from Toronto, and with the cordial approval of the Captains and Officers—large print Bibles were placed on the Cabin tables for the use of travellers, etc. It is intended that not only Toronto, but other Ports will be visited this season, and the steamboats similarly supplied with copies of the Scriptures.

EXCERPTS FROM LETTERS OF 27th MAY AND 4th JUNE, 1902.

British and Foreign Bible Society, London, E. C., June 4th, 1902.
J. Harvie, Esq , 102 Yonge Street, Toronto, Canada.

My Dear Mr Harvie—Thank you for your letters of May 7th and 22nd. The first informs us of your 62nd Anniversary. I am very glad that in spite of bad weather you had a successful gathering. I have read with pleaaure the newspaper report, and wish it had been more detailed. Thank you for the Abstract of your Report. I have not yet had time to go carefully through these, but intend to do so on the first opportunity.

We rejoice in your increased circulation of Scriptures as a result of your colportage work, and we are glad to hear that you have engaged a special colporteur for work among the Galicians, etc., in the North-West Territories, and hope the work will be greatly blessed.

I hope some day to have the pleasure of meeting with your President and some of your officers, though when the day will come it is impossible to say.

Your second letter of May 22nd, containing draft for £750 ($3,670.83), reached us safely. We are more than grateful to you for this *special donation* made by your Board of Directors, particularly at this juncture. As you know, we have had a deficit for four successive years, and still our expenditure is increasing yearly. The Colportage Budget for the coming year, after cutting down several requests from our Agents, is £3,441 in excess of that of last year. Further, we desire to open up a new Agency, embracing Rhodesia and neighbouring countries. Now that peace is proclaimed, we have a splendid opportunity for Bible work.

Will you please convey to all the friends who have so loyally helped in making this special gift the heartfelt gratitude of the Committee. Above all we thank God for such help.

With kindest regards, believe me to be,

Yours very faithfully,

John H. Ritson, Secretary.

Quebec Auxiliary Bible Society, Quebec, 27th May, 1902.
John Harvie, Esq, Secretary, Upper Canada Bible Society, Toronto, Ont .

My Dear Mr. Harvie,—Our Committee meeting last evening was largely attended The following resolutions were unanimously carried :

" *Whereas*, the Secretary having read to this Committee the correspondence of the Upper Canada Bible Society with this Auxiliary, anent financial aid :

"*Be it resolved*, that we as a Committee express our deep sense of Christian obligation and gratitude to the Board of Directors of the Upper Canada Bible Society in voting to our use the sum of $1,896.70, which with the sum of $1.103.30 of contributions to us from Branch Societies, make in all the sum of $3,000.00 in aid of our Colportage work for the current year.

" And further, that we assure our Upper Canadian friends that we are more than ever sensible of the responsibility placed upon us a Committee for faithful service and a wise and economic use of the funds entrusted to us by the Upper Canada Bible Society and its numerous Branch Societies.

" And we would entreat earnest prayer that our efforts to give the Holy Scriptures to every man in his own tongue may be blessed of God to the spiritual enlightenment of Quebec's people, the breaking down of race and religious prejudice, and the upbuilding of a British Canadian Nation."

With all good wishes, I am, my dear Mr. Harvie,

Sincerely yours,

Edward J. Stobo, Secretary.

ABSTRACT OF THE NINETY-EIGHTH ANNUAL REPORT

OF THE

BRITISH AND FOREIGN BIBLE SOCIETY

1901.....1902.

(*Read at the Anniversary in Exeter Hall, May 7, 1902.*)

"WE PRESENT YOU WITH THIS BOOK, THE MOST VALUABLE THING THAT THIS WORLD AFFORDS."—*Coronation Service.*

PROLOGUE.

Gazing back across the last twelve months, we confess, with deep and humble thankfulness, the continued guidance and blessing of Almighty God. During this opening year of the Twentieth Century, the Bible Society has spent more money than in any previous year; and it has also sent out more copies of Holy Scripture than it ever issued before. The year's record thus presents a double ground of encouragement to our friends, and a double claim for support from the Christian Church.

Since the last anniversary God has taken to Himself four of the Society's most distinguished Vice-Presidents:—the venerable Bishop Gell, whose name headed the long list; Sir Richard Temple, the eminent Indian official; Dr. Newman Hall, known to such multitudes of Christians in America as well as in England; and Bishop Westcott, the scholar and the saint, whose life was one long study of the New Testament. The Committee have also mourned the loss of two colleagues: Mr. Reginald Ryley, a valued new associate, and Mr. W. W. Baynes, who had been an esteemed and beloved member for the last twenty years.

The Bible for the Coronation.—Last autumn His Majesty King Edward VII. graciously signified his willingness that the Bible to be presented to him at the Coronation Service in Westminster Abbey, on June 26th, should be a gift from the Bible Society. The Archbishop of Canterbury has since written to inform Lord Northampton that, according to precedent, it is essential that this must be a Bible which includes the Apocry-

pha. After consulting the Committee of the Society, Lord Northampton has replied to the Archbishop, expressing "deep regret that the Bible which is alone circulated by our Society, and which does not contain the Apocrypha. cannot be used at His Majesty's Coronation Service," and stating that while the Society was unaware of the precedent in question, yet "the spirit of the rules of the Society is too definite to enable them to act in accordance with that precedent, and therefore they are compelled to relinquish very unwillingly the provision of the Coronation Bible." In response to a further request that the King would be pleased to accept a copy of one of the Society's editions as a memento of the Coronation, Lord Northampton is informed that His Majesty will have much pleasure in accepting from the British and Foreign Bible Society, as a Memorial of the Coronation, a copy of the Bible which it circulates.

Her Majesty Queen Alexandra has consented to become Patron of the Society's Auxiliary at Windsor, a position held by Queen Victoria for sixty-two years.

The English Revised Version.—At a special general meeting of the Society, held on October 9, 1901, it was decided, *nemine contradicente*, to alter Law I. of the Society, so as to permit it to circulate the English Revised Version concurrently with the Authorized Version of the Bible. So happy and unanimous a settlement justified the wisdom of the Committee in waiting until opinion had fully matured before proposing this change. We hope that new and cheaper editions of the Revised Version will before long appear on the Society's price-list.

THE YEAR'S ISSUES.

If we count in each return a year's figures onward from those incorporated in the totals a year ago, the issues of the Society now to be reported are as follows:—

	1901–1902.	1900–1901.	1899–1900.
Bibles	939,706	845,597	843,990
New Testaments	1,364,116	1,308,176	1,265,990
Portions	2,763,599	2,760,586	2,937,812
Totals	5,067,421	4,914,359	5,047,792

Comparing these figures, we note with extreme satisfaction that, while the issues of Testaments have largely increased, the issues of complete Bibles have increased more largely still. The greatest number of complete Bibles previously issued in one year was 869,000, in 1888—70,000 volumes less than the figure now announced. Our total issues last year were 20,000 in excess of the maximum total reported two years ago, and thus constitute a new record in the Society's circulation. This result is the more remarkable and encouraging when we remember that the outbreak in China has reduced our annual sales in that Empire by over 400,000 copies.

Out of every 100 books sent out, 19 were Bibles, 27 were New Testaments, and 54 were Portions, chiefly Gospels or Psalters.

The issues from the Bible House in London for the year ending March 31, 1902, were 1,975,934—an increase of 103,136 on the previous year.

The total issues of the Society since its foundation in 1804 amount to 175,038,965 copies

Colporteurs.—The sales by colportage show a certain falling off in every European Agency, except Russia. There is a cheering growth in India and Ceylon, Siberia, Burma, and Japan, but in all other Agencies in Asia, Africa, and South America, the same general decrease prevails. In China, for notorious reasons, our colportage sales, which were 745,000 in 1899, sank to 543,000 in 1900, and to 382,000 last year. And the Society's total sales by colportage have correspondingly fallen from 1,741,000 in 1899 to 1,379,000 last year. We have still to receive the returns for North Malaysia, but, on the other hand, colportage sales of 44,000 copies in the West Indies appear for the first time under this head.

The Society's budget for colportage expenses in the year ending June 30, 1902, amounts to £42,626—a slight increase on the year before.

Native Biblewomen in the East.—During the year the Society has supported 621 native Christian Biblewomen, who work in connection with 48 different Missionary organisations. In their visits they have been reading the Scriptures to an average of 36,790 women each week ; they have taught 2,537 women to read for themselves; and they have circulated 23,346 copies of Scripture. The total cost of thisdepartment of the Society's work has been £4,039 11s. 10d.

As compared with last year the returns show that five more Biblewomen were employed. The number of women read to per week and the number taught to read show relatively decreases of 2,993 and 172—the chief falling off being in China, where the results of the Boxer outbreak have not yet been repaired. It is gratifying to note that the circulation of Scriptures by our Biblewomen has risen by 478 copies.

The detailed Reports from the various superintendents of those native workers show that no expenditure incurred by the Society is repaid by more effectual and significant results. Only Christian women can ever carry the Gospel to the secluded mothers and sisters and daughters in Eastern homes.

THE YEAR'S FINANCE.

In attaining such results as these it has not been possible to avoid a certain increase in the Society's total expenditure.

General Fund Payments.

The payments for the year have been :—

	1901-1902	compared with 1900-1901,	1899-1900.
	£	£	£
For Translating, Revising, Printing, and Binding Scriptures.....	111,731	108,169	113,076
For Grants, Home and Foreign Agencies, Colportage, Depots, and all other charges.....	128,998	128,372	122,134
Totals.....	£240,729	£236,541	£235,210

These figures show that in preparing and publishing Scriptures there has been an increase of over £3,500, and, under the second head, an increase of £600. When to these General Fund Payments we add £414 spent from Special Funds, the total payments amount to £241,143—the largest expenditure in any year of the Society's history.

General Fund Receipts.

	1901-1902	compared with 1900-1901,	1899-1900
New Income.....	£143,597	£133,424	£126,853
Receipts from Sales.....	91,700	88,111	84,615
Totals.....	£235,297	£221,535	£211,468

Among the items which make up "New Income," the annual subscriptions and donations (received at the Bible House) show on increase of £16,000; but this is entirely due to a special gift of £20,000 under the trust of the late Mr. George Sturge. Legacies, always a fluctuating quantity, have decreased £1,000. The Free Contributions from Auxiliaries are £7,000 less than in 1900, in which year, however, the figures were swollen by two large legacies paid through Auxiliaries. A careful scrutiny discloses that these Free Contributions, which furnish perhaps the best barometer of public interest in the Society, remain practically unaltered, and exhibit no elasticity. It is cheering to notice that the receipts from sales, which form some index to the Society's work of distribution, have again increased, mostly through our Foreign Agencies, by £3,500.

Besides the above, the Society has received payment of the Samuel Cocker Fund—a sum of £19,500, which is to be expended during the next ten years upon entirely new work. Of this fund only £370 was spent last year. The sum of £994, accruing from other special funds, raises the total receipts last year to £236,292.

Comparing this with the total expenditure we have a deficit on the year's working of £4,851. The previous deficit was £15,000. It must be remembered that certain unusual expenses last year will not recur, while in some Agencies considerable economies and reforms are being effected. But such saving is more than swallowed up by the cost of urgent new work.

THE SOCIETY'S CENTENARY.

To prepare for the celebration in March, 1904, a Grand Committee of Delegates from the Society's Auxiliaries held a crowded and enthusiastic inaugural meeting at Sion College on October 31st. The general recommendations then agreed on are printed at the end of this Abstract. Here we need only add that the work of preparing for the Centenary goes steadily forward. Mr. William Canton is writing the history of the Society. The Editorial Superintendent has charge of the History of Versions. The Historical Catalogue of the Bible House Library is passing into print. The first of the series of Centenary Pamphlets has been published. From all quarters, at home and abroad, evidences arrive of the deep and earnest interest roused by our Centenary proposals. To say nothing of promises, as much as £2,464 has been already paid in towards the Centenary Fund of a quarter of a million guineas.

TRANSLATION AND REVISION.

The work of the Editorial Department goes on continually, *ohne Hast, ohne Rast*, and it may safely be said that no great Christian enterprise achieves more precious results by methods so little obtrusive. Outside the Bible House, how few persons understand that during the year which ended on March 31, 1902, the Editorial Sub-committee considered questions relating to versions of Scripture in 151 different languages and dialects, of which 33 belong to Europe, 55 to Asia, 43 to Africa, 6 to America, and 14 to Oceania.

Some important steps have been taken in view of the approaching Centenary. Negotiations are proceeding with the copyright-owners of the English Revised Version, to issue it in forms suitable for schools and for cottages. A new Greek Testament for students and translators, edited by Prof. Nestle, will embody the resultant conclusions of the ripest modern scholars; while its margin will indicate where this text deviates from the venerable *Textus Receptus*, or from the readings followed by the English Revisers. From the Society's zealous supporters in Wales new editions of the Bible—in one case with revised Marginal References—have been put in hand. Active measures are in progress to give the blind of our own and foreign countries the latest improvements in embossed symbolism, and to extend the range of Scripture thus transliterated for their use.

(i) Among other European items of interest are the issue for the first time of a German Bible in roman characters; of the Acts and Psalms in Chuvash; and of St. Matthew in Icelandic as a Portion. The N.T. in Flemish, and the O. T. in Hungarian, have again been carefully revised. The O.T. in Ruthen for a people numbering some millions in Russia and Austria-Hungary, is in the press. So are the Four Gospels in Votjak, Erza Mordoff, and Baskir Turki, for tribes near the Volga.

(ii) In Asia, Genesis and the Psalms have been added to the N. T. in Baluchi. The Gospels in Kermanshahi Kurd prepared by the Rev. W. St. Clair Tisdall, are published; he is busy completing the pocket Persian Bible. The printing is completed of the new edition of the Georgian Gospels and Psalms; of the Nepalese N.T.; of the Manipuri Acts; of the revised St. Mark in Burmese; of the revised O.T. in Oriya; and of the New Testament in Kanarese and Malayalam. The printing of the Asami O.T.; of the revised Tibet N.T.; and of the Tagalog N. T. for the Philippines is progressing. Other great revisions are going forward in the East. In China the completion of the Ningpo transalation adds one more complete Bible to the Society's list. The High Wenli "Union" company of translators, constituted at the Shanghai Conference in 1890, have issued their first book.

(iii) The list of African languages in which translations or printing, or both, have gone forward, includes Accra, Chuana, Ethiopic-Amharic, Fang, Galwa, Ganda, Hausa, Ibo (Niger), Kabyli, Kafir, Kuanyama, Mongo, Ndonga, Nyanja, Nyoro, Pahouin, Popo, Ronga, Shona, Sin-tebele, Suto, Swahili, (Mombasa), and Yao. A new name in that list this year is Yalunka. At a single meeting twenty-five African versions, in which eighteen Missionary Societies were interested, came before the Editorial Sub-committee.

(iv) The American list is at present a short one, and the revision of the Bible in Cree forms its most important item; but the claims of several fresh languages are under consideration.

(v) Among the thirteen languages in Oceania in which more or less was accomplished within the year, five are for New Guinea. In Bugotu, which appears for the first time, the Four Gospels and Acts have been printed for the inhabitants of Ysabel, one of the Solomon Islands, under the Melanesian Mission.

Counting *Visayan* (which was accidentally omitted from the last report) and adding *Bugotu, Union Nyanja, and Yalunka,* the table of languages and dialects in which the translation, printing, or distribution of the whole or part of the Bible has been promoted by the Society now contains 367 names of distinct forms of speech; in 88 of these it is providing at least one version of the whole Bible, and in 74 others a complete New Testament.

The payments made by the Society to Translators, Revisers, and proof-readers amounted last year to a total of about £4,000.

SURVEY OF THE FIELD.

At Home.—For England and Wales the Society spends about £10,000 each year in grants of Scriptures—free, or at trifling cost. It assists the Sunday Schools and home missions of every Christian communion, the efforts and agencies of every branch of English philanthropy. The sick, the blind, the aged, the orphan, the emigrant, the cripple, the pauper—all the needy children in God's family are helped to possess God's Book.

About twenty-eight per cent. of the total issues are Scriptures in English or Welsh, and circulated mainly at home or in the British Colonies. Of the English Penny Testament, since it first appeared in July, 1884, up to the end of March, 1902, no fewer than 7,629,978 copies have been sold.

The cost of packing-cases used during last year in the Society's London warehouse has amounted to £770.

In England and Wales the Society's Auxiliaries, Branches and Associations on December 31, 1901, numbered 5,859—a net increase of 97 organisations during the twelvemonth. In many cases these Auxiliaries carry on Scripture distribution in their own neighborhoods, and so the funds which they raise locally often considerably exceed their contributions sent to the Bible House.

The District Secretaries' returns show that during last year 4,353 meetings were held, and 2,198 sermons were preached, on the Society's behalf. This gives an encouraging increase of 97 meetings and 152 sermons on the figures for 1900.

Abroad.—Outside England the Society has some 2,000 Auxiliaries and Branches, mainly in the great British Colonies, which undertake vigorous Bible work on their own account, besides remitting Free Contributions to London towards the Parent Society's great missionary enterprise. Thus, for example, the Upper Canada Auxiliary sends a yearly gift of £600 to aid its sister Auxiliary at Quebec, a sum which does not appear at all in the Parent Society's balance-sheet. Our powerful Australian Auxiliaries at Sydney and Melbourne themselves undertake the printing and publishing of versions of Scripture for certain islands of Oceania.

One outstanding feature in the experience of the past year has been a

quite unprecedented number of changes in the Society's Agencies abroad. Our veteran Agents in France, in Portugal, in Egypt and in Brazil have all retired after periods of service ranging from twenty-one to thirty years. Death has claimed Mr. W. H. Kirkpatrick at Brussels, and Mr. H. E. Millard at Vienna. Family reasons compelled Mr. Miller to resign his post at Manila. The health of Mr Crayden Edmunds does not permit him to return to the secretariat of the Calcutta Auxiliary. Mr. Church is gone out to relieve Dr. Weitbrecht, who has been very kindly acting as temporary secretary of the Panjab Auxiliary at Lahore. An important new Agency has been formed in the Republic of the Andes—Peru, Bolivia and Ecuador, and placed in charge of Mr. A. R. Stark.

Foreign Missions.—The Society's alliance with Foreign Missions was never more intimate and indispensable. One example will serve to illustrate what takes place in almost all non-Christian countries. Our Egyptian Agency last year supplied nearly thirty different Missionary Societies, British and American, Swedish, Dutch, and German, with the Scriptures which they required. Missions of Anglicans and Presbyterians, of Friends and Methodists, of German Lutherans and German Evangelicals, besides a number of undenominational Societies, have all alike drawn their munitions from our stock; and here, as elsewhere, through this means, the books pass into the hands of the people, practically without cost to the Missions themselves.

THE WAR IN SOUTH AFRICA.

During this third successive year of strife and bloodshed, the Society has lost no opportunity of distributing the Gospel of Peace, alike among the combatants and those who have suffered through the fighting. Most appreciative and significant testimonies have reached us from army chaplains, from hospitals, and from transport ships, bearing witness to the blessings which have accompanied the books given to British soldiers. In South Africa, Dutch Scriptures have been provided for Boer women and children in various concentration camps, as well as for the prisoners of war. Special grants have also been made through four Indian Auxiliaries to the Boer prisoners in camps at Trichinopoly, Bellary, Ahmednagar, Shahjahanpur, Ambala, and Sialkot, as well as through the Colombo Auxiliary to prisoners in Ceylon, and direct from the Bible House to prisoners at St. Helena and Bermuda. Dr. H. U. Weitbrecht, who recently distributed 1,000 Dutch Bibles and Testaments to the prisoners in the Panjab, writes as follows:—

"When the peace comes, for which we all pray, I am sure it will be found that these gifts of Scriptures which the Bible Society has sent to Boer prisoners in various parts of the world, will have done more than any other measures to promote kindly feelings between the races at present at strife. Meanwhile, these books are cheering the prisoners and captives for whom we pray in their trouble."

HINDRANCES.

Liberty to circulate the Scriptures is by no means universal. Besides the ceaseless opposition of the Roman Church, the work of the Society in many countries is hampered by serious restrictions arising out of the law

or their administration. In some parts of the Austrian Empire licenses for Colporteurs are still withheld. In the Grand Duchy of Luxembourg the selling of books or papers in the streets is prohibted. In Greece the Government yielded last year to ecclesiastical and political prejudices so far as to place a ban on the Modern Greek Bible issued by the Society. Leave is still lacking for a Colporteur to work in Montenegro. The French authorities permit no public selling of the Scriptures in Tunis, and they have not yet allowed the Society to resume work in Cochin China. In Albania the Turkish Government resolutely forbids us to publish the Four Gospels in Albanian in native character; while colportage in the region round Bagdad was impossible for most of last year. The Government of Persia has recently stopped all importation of Scriptures in the Persian language. The public exercise of any other religion than the Roman Catholic is strictly prohibited by the Constitution of the Republic of Peru.

THE WORK ABROAD.

We now proceed briefly to summarize last year's work in the Society's principal agencies:—

France.—Our Agent at Paris, M. Gustave Monod, retired last Michaelmas, after thirty years' service. His successor, Pastor Lortsch, is grappling boldly with the task which political prejudice and suspicion, combined with clerical hostility, make so arduous in France. Although the Depot sales have seriously fallen off through special causes, our staff of Colporteurs has been increased from 39 to 43, and their average results show a distinct growth. It has been decided to employ four Frenchwomen as Colporteurs, as a temporary experiment. The new law relating to Associations in no way touches the Society's work. Last September M. Lortsch was elected President for two years of the synod of the *Eglises Evangéliques Libres.*

Belgium.—With deep regret we record the decease of Mr. W. H. Kirkpatrick, the *doyen* among the Society's foreign Agents. He has had charge of our Agency at Brussels since 1864, during which period he superintended the circulation of 790,000 copies of Scripture. He passed away suddenly and gently on March 17th, just after sending in his annual report. It appears that during 1901 our colportage proved somewhat less effective, through illness among the men. Sales by other channels, however, have brought up the circulation in Belgium to the average of 1900. The work of the Agency has been placed under the direction of M. Lortsch, of Paris.

Germany and Switzerland.—With profound thankfulness we report, for the fifth year in succession, an increased circulation in this Agency, while its expenditure has again diminished. Such steady progress is encouraging in the highest degree. Twenty years ago we circulated 321,000 copies at an annual outlay of £10,600. In 1901 our circulation was 421,000 copies, and our outlay £5,000 less, while a far larger proportion of sales was achieved in Roman Catholic districts. The various German Bible Societies also circulated more than half a million Scriptures last year, chiefly among their Protestant compatriots. The Swiss Cantonal Societies have sold over 62,000 copies of editions supplied by the B. F. B. S.

Austria-Hungary.—Before the close of last year Mr. H. E. Millard, our agent at Vienna, completely broke down in health, and on Easter Eve, 1902, death removed this loyal servant of the Society from the post where in 1887 he succeeded his esteemed father, Mr. E. Millard, whom he had assisted for nineteen years previously. The work in this chequered field has passed under the able supervision of Mr. M. A. Morrison, our Agent at Berlin, through whom the Committee are introducing certain changes in organization. Though colportage sales have suffered some check, the total returns from Austria-Hungary show in 1901 almost the average circulation of Scriptures which was effected in 1900. In spite of legal, and illegal, hindrances to the spread of the Scriptures, Austria proper exhibits a very cheering increase; while a decline appears in Servia, in Bohemia, in Carinthia, and especially in Hungary.

Italy.—Despite many symptoms of national prosperity, Socialist organisations have now extended over this kingdom, to use Signor Meille's phrase, "like an immense net," until they almost constitute a State within a State. Our Society holds itself strictly aloof from economic and political controversy. But Socialism in Italy, as in most Continental countries, seems bitterly averse to all religion, and in practice it deadens men's interest in the Bible. We have therefore this modern obstacle which must be reckoned with, besides the ancient antagonism of the priests. Nevertheless, our circulation during the year has risen from 96,000 to 102,000 copies; and more than three-fourths of our direct sales were effected by Italian Colporteurs.

Spain.—In this stony and arid field of labour, last year's circulation presents apparently a disheartening numerical decrease. Mr. Walker points out, however, that these figures mask the real results, which no statistics can reveal. Our Colporteurs were fewer in number, but their average sales per man actually increased; while during 1901, 1,000 more Bibles were sold by colportage than during 1900. Amid so much fanaticism, ignorance, and unrest, it is good to remember those Spaniards who hunger and thirst after righteousness. In the present year the Regency ends, and the young King Alfonso XIII, who is but sixteen years of age, will grasp the sceptre of Spain. May God guide all his counsels, and give him in double measure wisdom and courage for his need.

Portugal.—The year's returns show a decrease of 1,600 copies sold. This was mainly due to the unsatisfactory transactions of two Colporteurs, now no longer in the Society's service. Our veteran friend, the Rev. Robert Stewart, who began Christian work in Lisbon thirty-six years ago, feels constrained by age to resign the post of Agent, which he undertook there as far back as 1876. The oversight of the Society's work in Portugal will now be entrusted to the Rev. R. O. Walker, Agent at Madrid, Mr. Robert H. Moreton acting as his Assistant in Lisbon.

Russia and Central Asia.—Across this immense Agency, which extends from the frontier of Poland to the borders of Tibet, the Society still receives friendly countenance and support from the highest authorities, both in Church and State. Last year our circulation rose to 524,000 copies—an increase of 14,000 on the result for 1900. Each of our seventy-two Colporteurs has sold on an average ten volumes on every work-

ing day throughout the year—making the highest total for colportage ever reached in what is one of the Society's most important and successful fields of labor. We rejoice, too, because, outside our own efforts, the Russian Church both adopts and permits similar methods to popularise the Scriptures throughout the dominions of the Tsar.

Siberia.—Mr. Davidson sends another report full of encouragement. In spite of the famine which followed a season of bad harvests, our sales of Scriptures have increased by nearly 10,000 copies, while the total circulation rose to over 68,000—by far the highest recorded in this Agency. About half of our sales are achieved by Colporteurs, who often travel hundreds of miles by sleigh and by boat to reach the scattered inhabitants of these remote regions. One colporteur last year penetrated to the mouth of the Yenesei River, and carried Scriptures to the Samoyede and Ostyak reindeer-hunters on the shores of the Arctic Ocean. Another sailed down the Lena to winter at Yakutsk, which is said to be the coldest city in the world, where he sold five hundred copies of the Four Gospels, lately published by the Society in the Yakut language.

Turkey and Greece.—Although in Turkey the Society has to meet restrictions which hamper its work in the most backward and benighted regions of Europe, nevertheless our circulation in these provinces has risen to nearly 26,000 copies—more than 1,100 above the previous year—a result which includes growth in Bulgaria with a certain increase in Macedonia and Albania and in the Greek Archipelago. But from Greece, with a total circulation of 17,050 copies, our returns show a diminution of some 2,000. This must be set down mainly to the ecclesiastical and political opposition to Modern Greek versions, which culminated in the "Gospel riots" at Athens last autumn. It is saddening to record that in a land which claims to be free, democratic, and Christian, the Patriarch of Constantinople and the Synod of the Orthodox Church in Greece have denounced, and the Government of the Greek people has prohibited, the circulation of each and every Greek version of the Scriptures, except the Ancient Greek text which only educated persons can understand. Our Society is responsible for none but its own Modern Greek version of the Bible, which dates from 1845, and of which some 900,000 copies, complete or in parts, have since been circulated among all classes of the Greek-speaking race. The police have now orders to confiscate all copies exposed for sale; while in the army and navy and schools inquisition is made for these forbidden vernacular Scriptures. Under such harassing conditions our Colporteurs carry on their work. In the more recent cases of interference, even when the Ministry promised redress, performance has been withheld at ecclesiastical instigation.

Egyptian Agency.—Over this picturesque and polyglot field, which extends from Malta to Mozambique, and embraces both Aleppo and Uganda, the Society's circulation has reached the record total of 52,000 copies in 56 different tongues—an increase of over 8,000 books. Twenty Colporteurs were busy at centres as far apart as Damascus and Omdurman, and offered the Scriptures to sailors of all nations in the Harbor of Port Said. The Archbishop of Abyssina, who is returning from a pilgrimags to Jerusalem, has undertaken to carry home a grant of 500 Ethiopic Testaments

for distribution by the Emperor Menelik. After eighteen years' service at Alexandria, our honoured representative, the Rev. R. H. Weakley, has just retired, and is succeeded by the Rev. A. A. Cooper.

Algeria.—Though our Colporteurs were slightly less successful last year, the total circulation exceeded 12,000 copies, which shows a small increase. The Sub-depots at Tripoli and Tunis unhappily remain almost useless as centres for distributing the Scriptures.

Morocco.— Mr. W. Summers, our recently appointed Agent, has made extensive journeys, one of which, into the interior, was in company with Mrs. Isabella Bishop, the well-known traveller. He reports on the singular obstacles, and indeed the perils, which beset the task of colportage in this typical Moslem sultanate, "the most discouraging of all lands from a missionary point of view." Our sales in Morocco during 1901 were nearly 6,000 copies, and show a small increase over last year. But here it is emphatically true that the distribution of Scriptures must be weighed rather than counted. To quote our Colporteur in the Canaries, "If the numbers do not reach last year's totals, I think the work has been more effective."

West Africa.—Our Agent, Mr. Broome P. Smith, reports deepening interest and good progress in the various Auxiliaries along this coast from Bathurst to Lagos. Last autumn he undertook a journey to the Kongo, and visited various stations as far up as Leopoldville and Stanley Pool.

South Africa.—Three years ago the Society had 250 Auxiliaries and Branches in Cape Colony, the Orange Free State, and the Transvaal, and the average yearly circulation reached 40,000 copies of Scripture. It is still impossible to estimate the full ravages of war. But with more than half its Depots closed, the South African Auxiliary actually sold 37,463 Bibles and Testaments last year, besides giving away nearly 12,000 Scriptures in Dutch and English to the sick and wounded soldiers and the prisoners and refugees. The Auxiliary also raised no less than £749 of which £550 was sent as a Free Contribution to London. In anticipation of a peaceful settlement in South Africa, the Committee have resolved to establish a new Agency, embracing Rhodesia and the neighboring regions

Persia and Turkish Arabia.—If the circulation shows a slight lapse from the record figures reached in 1900 this is far more than explained by the fresh official restrictions which have hampered our workers. In the region round Bagdad the Colporteurs' licenses were withheld for the best part of the year. Yet there appears a distinct increase in ths average sales effected by those men who were permitted to travel, and who visited 161 towns and villages where no Colporteur had penetrated before. We earnestly hope for a withdrawal of the embargo recently laid on the importing of Persian Scriptures into Persia.

India.—The total circulation for the year across this great peninsula, crowded with varied races and faiths and tongues, has risen to 573,000 copies—the largest ever reached by the Society. In 1895 we recorded a total of 529,000, which was unsurpassed until now. There is a consensus of opinion that Molsem opposition to the Gospel in India is abating,

The issues of the CALCUTTA Auxiliary last year exceeded 111,500 volumes, showing a growth of over 6000 copies, mainly New Testaments. We much regret that the health of Mr. Crayden Edmunds forbids him to resume his duties as secretary of this important Auxiliary, where the vacant place is being effectually filled by the Rev. A. W. Young, of the L,M.S

The BOMBAY Auxiliary reports for 1901 a circulation of nearly 80,000 books, which is the highest total by 11,000 on record in the history of the Auxiliary, and includes twenty-nine different languages. The colportage returns are especially encouraging, one Colporteur alone having sold more than 9000 copies.

The returns from the MADRAS Auxiliary show that last year's circulation rose to 182,000 books—an increase of 5,000.

From BANGALORE we learn that this Auxiliary has circulated over 13,000 books—a decrease of nearly 3,000, mainly in the sale of separate Portions. The circulation of Kanarese Scriptures, however, has improved, though plague still lingers in the country.

During the years 1890 to 1900 the average circulation of the Scriptures by the NORTH INDIA Auxiliary was 78,000 copies. In 1900 it was 90,000. Last year it rose to 118,000 volumes. More than 50,000 of these were sold by the Society's Colporteurs.

The PANJAB Auxiliary has also a record circulation of over 68,000 volumes—an increase of over 16,500 on the previous year. Mr. W. H. L. Church is appointed to succeed the Rev. Dr. Weitbrecht as secretary. Many striking instances occur of the way in which the Bible is penetrating the minds and consciences of non-Christian natives.

In the lovely island of CEYLON the three Auxiliaries at Colombo, Kandy, and Jaffna report a joint circulation of over 47,000 copies.

Our colportage sales last year for India and Ceylon combined reached 191,500 books—an increase of over 16,000, and a total which has never been exceeded among the dusky multitudes of our Eastern fellow-subjects.

Burma.—From Rangoon Mr. Sherratt again reports a year of encouraging development. The circulation has risen to over 15,000 volumes, and colportage sales alone show a growth of 3,000. "Our eight Colporteurs travelled 9,000 miles, visited 20,000 houses in 3,000 villages, and sold 9,263 copies of Scripture."

North Malaysia.—Cochin China remains closed to the Society's work. The Rev. H. F. Miller has been constrained by family reasons to resign the post of Agent at Manila. The circulation in the Philippines has considerably increased notwithstanding the severe illness of two of our representatives.

South Malaysia.—From this Far Eastern archipelago, Mr. Haffenden has to announce a circulation diminished by nearly 3,000 books. The result, however, is mainly caused by illness or absence among our European staff of workers, curtailing their sales and also delaying their reports, and a total of 48,000 volumes sold among these great tropical islands must be matter for real thanksgiving.

China.—The storm-clouds of war and disorder under which China ended 1900 remained long upon the horizon. Whilst the issues of recent strife were still precarious, and many provinces still unsettled, the task of slowly reconstructing our organisation demanded watchfulness and patience. In some parts of South and Central China a full year's work has been achieved during 1901, but from the whole of the North and West the returns show how little has been possible beyond a fresh beginning. Our circulation in China has diminished by about one-half through the Boxer uprising. The total, which stood at 856,000 volumes for 1899, fell to 604,000 in 1900, and to 431,000 this last year. Yet, considering the unfavourable conditions, this result is far better than was hoped when the year began. Now that tranquility has become general throughout the Empire we have many signs of promise that in the near future our opportunities for Bible work will be greater than ever they were before. For example, orders were received at our Shanghai Depôt during the first eight days of the year 1902 for upwards of 150,000 copies of Scripture.

Mr. Franz August Larsen, one of the two survivors of the Christian and Missionary Alliance Mongolian Mission, has been appointed our Sub-agent for Mongolia, where he will travel with a small caravan of camels and ponies among the nomad tribes. The Society has now three different vernacular versions ready for use in these desolate regions, which we believe at the present moment do not contain a single Christian worker. It is gratifying to report that we have a supply of Russian Scriptures on sale at Port Arthur.

Korea.—During the Agent's furlough his LOCUM TENENS could furnish only an incomplete report. It appears that a terrible drought, and consequent scarcity last year, combined with a sudden increase in taxation, have gravely affected sales in this kingdom. From these, among other causes which are more obscure, our circulation has fallen to less than 17,000 copies (against 38,000 in 1900 and 46,000 in 1899). Christian missions in Korea are only seventeen years old, yet already they number 7,000 communicants and 30,000 adherents. And there is no country where the missionary's progress has been more obviously and admittedly due to the Colporteur's pioneering.

Japan.—The new treaty of alliance has attracted fresh interest to this "England of the Far East." Special missionary efforts last year in Japan have been marked by signal blessings, and we rejoice that Scripture circulation shows a great corresponding growth. During 1901 over 181,000 copies were circulated by the Joint Committee of the three Bible Societies unitedly at work—an increase in sales of 45,000 books. Our two European Colporteurs have achieved very remarkable success.

Madagascar.—For this island, where peace and religious liberty are now restored under French rule, the Society has supplied over 36,000 copies of Scriptures on "Missionary Terms."

We have no space to dwell on the Society's work in NATAL or MAURITIU For the islands of OCEANIA, the Society now provides the Gospel in more than forty different languages.

Australia.—In the Australian Commonwealth the Society has over 430 Auxiliaries and Branches. Besides circulating Scriptures supplied by

the Society in their respective districts, many of these remit Free Contributions to London in aid of our Bible work in heathen lands. The Victoria Auxiliaries' Union last year has itself printed St. John's Gospel in SANTO, a dialect of the New Hebrides, and will thus add a fresh language to the Society's list. Australian Free Contributions last year amounted to £1,411.

New Zealand.—Sixty Auxiliaries and Branches carry on Bible distribution in the two Islands, besides in many cases sending contributions to aid the Parent Society. Mainly through the energy of our Agent, the Rev. F. H. Spencer, these Free Contributions have steadily increased, until last year they reached the splendid total of £976. This sum includes a gift of £138 from the Otago Bible Society.

The Argentine.—Across this immense Agency, which also embraces the Republics of Uruguay, Paraguay, and Bolivia, Signor Pons reports from Buenos Aires a circulation of 18,600 copies. Though the year's results show some numerical decrease, owing to the difficulty in securing efficient Colporteurs, we have recommenced colportage in Bolivia, where the prospects for Bible work appear decidedly hopeful.

Brazil.—Our circulation last year reached 42,000 books; and though these returns fall short of the record figures of 1900, they remain nearly double the total reported for 1899. After twenty-three years' service as Agent in Rio, Senr. J. M. G. dos Santos has retired, and is succeeded by the Rev. Frank Uttley.

The Republics of the Andes.—After full consideration and inquiry, the Committee have decided to resume their former attempts to spread the Scriptures in these needy and neglected lands. A new Agency has been constituted to include the 8,000,000 inhabitants of Columbia, Ecuador, and Peru. Mr. A. R. Stark, a missionary with nine years' experience of the field, has been appointed Agent, and makes his headquarters at Callao, the port of Lima, where a modest Depot has now been opened. We pray God to grant His special blessing upon this fresh attempt to spread His Word in South America.

The West Indies.—Mr. Heath sends from Jamaica an encouraging survey of Bible distribution among these beautiful tropic islands which lie clustered round the source of the Gulf Stream. Omitting some belated returns, the total circulation reached 54,000 copies—an increase of nearly 14,000 on the figures for 1900. The success of the Colporteurs is especially impressive: no fewer than 21,641 complete Bibles were sold last year by these agents—a larger number than was distributed by colportage in any other foreign field.

Central America.—Our headquarters has been transferred to Belize, in British Honduras, where a central Depot is now open. War has hindered our work alike in Yucatan in the north and in Panama in the south, while floods and sickness have made travelling difficult in other parts of the field. Senor Castells, however, can report over 11,000 books sold last year—a small but very cheering increase on the highest total previously attained in this newly established Agency.

British North America —Across this Territory the Society has 12 energetic Auxiliaries, with over 1,100 Branches, which not only distribute the Scriptures from Vancouver to Labrador, but have generously contributed altogether £4,060 to the Parent Society.

EPILOGUE.

As we close this brief survey of the most catholic and most ubiquitous of Christian agencies, we realize afresh one commanding fact. To-day, while the Bible is being criticised so fiercely, it is also being multiplied and distributed on a scale beyond all precedent. God's Book speaks in more tongues and lives in more homes, and rules in more hearts, than it ever did before. Age cannot wither nor custom stale its miraculous vitality. In this world the New Testament fares often like its own martyrs: it is stoned, it is sawn asunder, it has trial of cruel mockings and scourgings, yea, moreover, of bonds and imprisonments. Often men have left it for dead, and buried it out of sight. But in the triumphs of the mission-field, and in the experience of the faithful, it is alive for evermore.

REPORTS OF AGENTS.

REV. DR. ABRAHAM.

Caledonia, Oct. 16th.—The Annual Meeting of this Branch was held in the Methodist Church. The pastor, Rev. Mr. Dobson occupied the chair in absence of the President. Rev. Mr. McDonald, (Presbyterian) read the Scriptures, Rev. Mr. Laird led in prayer. After the address of the Agent, Officers were elected, and arrangements made for a thorough system of visitation. It is the expectation that this old Branch will be revived, and that good results will follow the re-organization.

Erie, Oct. 20th, (New).—The meeting was held in the Presbyterian Church, *Walpole*. The Rev. Mr. McLennan, pastor conducted the opening services. After the claims of the Bible Society had been presented, it was decided to form a separate Branch. That section had formerly been associated with *Jarvis*. Officers were elected and a representative executive appointed. The attendance was large, and the interest marked by considerable enthusiasm.

Jarvis, Oct. 20th.—This Branch was visited Sabbath evening. The meeting, which was a union of Methodist and Presbyterian congregations, was held in the Presbyterian Church. Rev. Mr. McLennan conducted the opening exercises. The attendance was large. Interest very manifest. It was felt that this old Branch had made a new start.

Oneida, Oct. 22nd.—The meeting was held in the Presbyterian Church, the Rev. T. L. Turnbull, the pastor, conducting the opening exercises. The deep interest of this section in Bible Society work was manifested by the large attendance. The secret of this interest is found in the enthusiasm of the Pastor in the work of the Society, which is communicated to the people. Good results cannot but follow from such a splendid spirit.

Caistorville, Oct. 24th.—The meeting was held in the Methodist Church. In the absence of the President, Mr. Hugh Brown was called to the chair. The energetic Sec'y, Dr. Forster had made special efforts to have a large attendance. These efforts were not without results. The attendance was the largest in years. Most encouraging reports were read, and a splendid feeling aroused, which will no doubt manifest itself in the result during the year.

Caistor, Oct. 25th.—Meeting held in Kerr's church. The pastor conducted the opening exercises, and delivered a short but very practical address on the work of the Society. The meeting was not large, and after the address by the Agent, the feeling was expressed that more must be done for the Society in the future.

Binbrook, Dec. 3rd.—Interest in the Bible Society in this district has sadly fallen off for some time. It is hoped, with the enthusiastic friend of Bible Society work, Rev. G. L. McCartney, as President, that interest will revive and good work will be done in the future as in the past. The meeting, which was small, was held in the Methodist Church.

Ancaster, Dec. 22nd.—Your Agent was disappointed in not being able to attend the Annual Meeting of the Ancaster Branch, held on Oct. 28th. An opportunity presented itself on Sabbath the 22nd Dec., of visiting this Branch. A Union Meeting was held in the Presbyterian Church. A splendid meeting, manifesting a deepening interest in the work of the Society.

REV. W. D. BELL.

Mooretown, Oct. 28th.—The Annual Meeting of the Mooretown branch, held on the evening of Oct. 28th, was more encouraging than any for a number of years. Being early in the season and good weather, a fair attendance was secured and an interesting meeting held. The collectors appointed cover a larger district than has formerly been worked. Rev. Mr. Lea, of Courtright, was present and gave an address.

Ravenswood, Nov. 6th.—There is a magnificent interest in our cause at Ravenswood. The meeting was enlivened by music from a union choir. The executive is composed of capable workers, and prospects are good for the future of this branch.

Clandeboye, Nov. 7th.—The evening of Nov. 7th on which the annual meeting of this branch was held was not a favorable one. Being very dark and wet the attendance was not what it would have been. However, enough were present to arrange for a more vigorous work for the Bible Society. Rev. Mr. Brownlee gave encouragement and assistance.

Chatham Township, Nov. 11th.—The night of this meeting is a memorable one to the few who attended. Your agent, with the genial secretary of the branch, had a six mile drive through mud and rain to Louisville Baptist church to find the good pastor holding the fort. Though few were present we arranged for an enlargement of the work.

Botany, Nov. 12th.—Though the evening was not a very favorable one there was a fair attendance at Botany on the evening of November 12th. Rev. D. M. Robertson was present and gave an interesting address before the agent was called on. The outlook here is hopeful.

Forest, Nov. 14th.—The branch at Forest has found it difficult to carry on the work, but with the co-operation of the resident ministers a promising meeting was held, and we will expect progress here. Rev. Jas. Barber especially was a kind friend here.

Thedford, Nov. 15th.—We have many live workers interested in our cause in Thedford, and the annual meeting was promising if not very large. While they have a good record here there are indications of progress.

Sombra, Nov. 19th.—Sombra is a young and growing place, and we feel confident of better days coming for the place and for our cause here. A much larger district will be canvassed this year for the Bible Society. The meeting was encouraging. Rev. Mr. Barker assisted.

Corunna, Nov. 25th.—We had the usual good attendance of our staunch workers at the annual meeting at Corunna. Our good people here are losing none of their interest and devotion to every good cause. The prospects are bright for the future of our branch under its present officers.

Camlachie, Jan. 13th.—Owing to a severe storm having rendered the roads rather bad, and also interfering with a proper announcement of the annual meeting, the attendance was rather small at Camlachie on Jan 13th. However, a deep interest can be seen in the work on the part of the officers, and this always goes a long way toward success.

Sarnia.—On consulting with members of the executive and with some of the ministers of Sarnia it was considered best not to call a public meeting. The plan adopted was to engage the services of Rev. J. H. Stinson to call on the people, and receive their subscriptions, after the several pastors presented the claims of the Bible Society to their people from the pulpit. We are hopeful of good results.

REV. C. E. BOLTON.

Mimosa, Sept. 30.—A very fair night and a good attendance in the Methodist church. Nine of the ministers present (all non-resident). The workers are laymen, who are vigilant and active.

Belwood, Sept. 29.—Meeting held on Sunday. We thus succeeded in having a much larger attendance. We regretted the absence of the resident ministers, but was ably supported by Hugh McDonald, Esq., who was in the chair.

Milverton, Nov. 19.—A fair night. The meeting was held in the Methodist church. Vice-President, Rev. Mr. Anderson, in the chair. Attendance was very good. A splendid depository, but poor collections, owing to unwillingness to appoint collectors. The method of Church collections fails in this place. We hope collectors will be appointed, and a better report next year.

Millbank, Nov. 20.—Meeting held in the English church. Revs. Messrs. Armstrong and Haig present, and did most excellent service in support of the work. The officers are efficient, and good results follow.

Palmerston, Nov. 21.—We assembled in the Methodist church. Mr. John Burns in the chair. All pastors present. Audience somewhat disappointing. However, an active interest is manifest. Secretary Oliver is an excellent officer, so that collectors have their books in good time.

Cotswold, Nov. 22.—Out in the country in a corner stands the Presbyterian church (Elora Road), in which Rev. Mr. Edmeson has preached 21 years, whose interest in the work is always encouraging. We had a good audience and a good meeting.

Moorefield, Nov. 24th.—Sunday morning a Union Service in the Presbyterian Church. Rev. Mr. Tait, pastor, present. A full house of interested people, with our officers in the audience, was sufficient to make a good service. A lively interest here. President, E. Husband, is anxious to extend the borders by taking in a few neglected concessions. Elder Malcolmson and he will meet the people and arrange to have collectors sent out.

Drayton, Nov. 24th.—At 3 p.m., met in the Presbyterian Church. A large gathering, and a real good service. Judging by the collection ($9.80) which had been preceded by the visit of the collectors, the work of the Society commended itself to their confidence and sympathy. At 7 p.m., another large gathering in the Methodist Church, with good results. Rev. Mr. Boyd, pastor, conducted a prayer meeting at the close.

Rothsay, Nov. 25th.—Rev. Mr. Edmison had urged upon the people to turn out, which they did. We had the largest attendance for years. It is delightful to meet the workers, and none more faithful than those at Rothsay.

Hollin, Nov. 26th.—A good night, but owing to some local cause only a small gathering. However, Hollin does very good work. The Depository is on a more satisfactory basis. Next year, we hope for better things.

Glenallan, Nov. 27th.—Meeting in the Methodist Church. Vice-President, Rev. Mr. McKinnon in the chair. Methodist Pastor present. The Secretary said he had the best report for the past eight years All praise to him (Clarence Long) for good service as Secretary-Treasurer. Glenallan Branch will do well.

REV. BERNARD BRYAN.

Copetown, Oct. 14th.—The meeting was held in the Methodist Church, Zion Hill. The Rev. Mr. Teeple, pastor of the church, occupied the chair and conducted the devotional exercises, assisted by a good choir. There was a fine attendance and evident interest in the good work of the Society. The new President, Rev. J. T. Smith, was present and took a helpful part in the proceedings.

Lynden, Oct. 15th—Meeting was held in the Methodist Church. Mr. R. A. Thompson, President of the Branch, in the chair. The attendance was smaller than usual—a little rain, and distance from the village, no doubt, being the chief causes. Rev. Mr. Stewart took part in the meeting, and the necessary business was attended to.

West Flamboro, Oct. 16th—Meeting was held in Methodist Church. A very dark night and considerable rain made the attendance very small. Rev. J. T. Smith, Pastor, conducted the devotional part and spoke strongly in support of the work. A report of excellent work done during the year was read by the efficient and painstaking Secretary, Mr. Albert Jones. This is a good Branch.

Alberton, Oct. 17th.—The meeting was held in Trinity Methodist Church. Mr. V. T. Brickle occupied the chair. The attendance was small—here too the rain and bad roads interfered.

Waterdown, Oct. 29th.—This was a satisfactory meeting; it was held in the Methodist Church. Rev. Messrs. Wilkinson and Anthony were present and rendered efficient service. There was a fair attendance. The officers of the Branch seemed thoroughly interested and promised good work.

Palermo, Nov. 4th.—Meeting was held in the Methodist Church. After the devotional exercises by the Rev. J. Culp, the new President, Dr. M. McCrimmon was called to the chair. There was a fine attendance and the spirit of the meeting was quite encouraging. The new officers promised to take up the work earnestly.

Lowville, Nov. 5th.—Meeting was held in the Methodist Church; it was opened by the Pastor, Rev. J. Wass. Mr. Harbottle, the President, conducted the business part. There was a good attendance and the reports were encouraging. Good work is done in this Branch—it has an energetic secretary.

Kilbride, Nov. 6th.—This meeting was held in the Methodist Church. The attendance was very good and the interest manifested encouraging. Mr. Wm. Foster, the President, conducted the business. The address of the evening was kindly given by the Rev. J. Wass, of Lowville, the Agent having to leave for Toronto, called by some official work.

REV. DR. W. F. CAMPBELL.

The Branches of West Darlington, Hampton, Enniskillen, Orono, Kendal, Hope, Newtonville, and Cartwright were visited by me in the order named. At most of these Branches the meetings were of more than ordinary interest, and the attendance good. I found the the business of the Branches in good shape in most cases, and the plans were carefully laid for a thorough canvas in behalf of funds for the Bible Society. A marked characteristic of most of these Branches is the fact that men of prominent position in the community have identified themselves with the cause, which of course lends character to it.

REV. SAMUEL CARRUTHERS.

North Etobicoke, Nov. 7th.—The meeting was held in the Methodist Church, Smithfield. The loss to this Branch by the death last May of President Wallis, who had served the Society for over 40 years, was keenly felt by all. The business was conducted with despatch. Mr. Wm. Wallis was elected to fill his father's place. Collectors for the various districts were selected, which, with the efficient committee appointed, will do good work. The Agent then presented the work and claims of the Society. There was no other minister present.

Weston—On Friday evening, Nov. 8th, the annual meeting of this Branch was held in the Methodist Church. Mr. J. K. Moffat, President, occupied the chair and read the Scriptures, and prayer was offered by Mr. Welsh, Elder in the Presbyterian Church. The Agent was then called on to address the meeting, after which officers, committee and collectors were appointed for the current year. The meeting, though not large, owing to some other meetings in the village, was thoroughly representative and very hearty. The Rev. Mr. Fallis, pastor of the church, closed the meeting with prayer.

Lloydtown and Schomberg.—These two villages are just one mile apart, and hitherto the meetings have been held in the former. This year a change was therefore desirable, and the meeting was held on Monday evening, Nov. 11th, in the Methodist Church, Schomberg. The former President having moved away and the Secretary having resigned, the people were somewhat unaccquainted with the work. After the Rev. H. A. Brown, pastor of the church, had conducted the devotional exercises, the Agent, by request, took charge of the meeting. The minutes of last meeting were read and confirmed ; new officers were elected, and a representative committee appointed for the work of collecting. The Agent then addressed the meeting at length, and an opportunity was given to ask questions on the work. The choir of the church enlivened the meeting by a couple of anthems. Under the leadership of Mr. Brown, we expect this old Branch to do better for the Society than ever before.

Caledon East and Mono Road.—On Tuesday evening, Nov. 12th, a representative congregation met in the Presbyterian Church, Caledon East. The President, Mr. Pettit, in the chair. A combined choir led the singing and the pastors of the Methodist and Presbyterian Churches read the Scriptures and led in prayer. The Secretary and Depositary read their annual reports, the old officers were re-elected and a representative board of nine members were chosen by the meeting. After the Agent's address, the Rev. Messrs. Mathieson (Presbyterian). Rogers (Methodist), and Ferguson (Methodist) Mono Road, spoke appreciatively of the work of the Society. A spirit of enthusiasm pervaded the meeting, and we are confident that the Branch will do more for the Society than ever before.

Bolton—On Wednesday evening, Nov. 13th, a large and representative audience gathered in the Methodist Church, with the President, Mr. Warbrick, in the chair. The local ministers Rev. Messrs. McLachlin (Presbyterian), Hagar and Wood (Methodists), were present and assisted. The annual reports were encouraging; all the old officers and directors were re-elected and collectors appointed. The Agent addressed the meeting for about forty minutes, after which a collection, more than double that of last year, was taken up, and the Agent was requested to close the meeting with the benediction.

Woodbridge and Pine Grove—The annual meeting of this Branch was held on Thursday evening, Nov. 14th, in the Methodist Church, Woodbridge. All felt the great loss by death of the late President, Dr. Thom. The Rev. C. W. Follett, pastor, occupied the chair and conducted the business part of the meeting. The Rev. Thos. Fenwick (Presbyterian) presented a very appreciative resolution of the long and valuable services of the late Dr. Thom ; this was ordered to be engrossed on the minutes of the Branch and sent to the local papers. The Agent then addressed the meeting, and after a collection had been taken up, closed the meeting with the benediction.

Humber Summit.—On Friday evening, Nov. 15th, a small but hearty audience, wholly composed of young people, met in the Congregational Church. The Agent being the only minister present, he conducted the opening devotional exercises. Mr. Geo. Sutton, President, occupied the chair and conducted the business part of the meeting—officers being elected and collectors appointed. The Agent then spoke for over half an hour, and after the collection and singing, pronounced the benediction.

REV. DR. CHAMBERS.

For the second time as Agent of the Upper Canada Bible Society I visited the following branches, namely : Everett, Rosemont, Alliston, Elmgrove, Beeton, Tottenham, Thornton, Cookstown, Bond Head, Newton Robinson and Bradford. With one exception meetings were more largely attended and more interesting than the preceding year. In every instance the branch officers treated your agent with great courtesy, and many of them gave proof of very gratifying enthusiasm in the work. In a number of places special music had been prepared which added greatly to the pleasure of all who attended. A most gratifying revival of interest was awakened in the Tottenham branch

in which signs of decay had become apparent. There is reason to expect that Tottenham's report will again do credit to our friends in that fine section of country. Newton Robinson, organized the previous year, had a good record and promises still better. As the usage of our Society may not permit the writer to make another visit to this district I desire to convey my thanks to the ministers of the different churches, the branch officers, members of church choirs, and all who aided in making the recent visitation one of the most agreeable and profitable in the experience of your agent.

REV. W. A. COOK.

Niagara Falls and Queenston.—The annual meeting of this branch was held in St. Andrew's church. The Rev. John Crawford, minister of the church, occupied the chair in the unavoidable absence of the President through sickness. Everything was apparently favorable for the meeting, good weather and no counter attractions so far as known, and yet the attendance was meagre; however, the spirit of this branch is good and hopes are entertained that the efforts of the executive will materialize in good donations to this important work.

Campden.—Your agent was greeted here by a band of earnest, willing workers. There was life and energy manifested by the few present. The weather was everything that could be desired and there ought to have been a better attendance.

St. Anne's.—In this small hamlet a loyal band of workers and sympathisers with the Society's aims met on Nov. 7th in the Presbyterian church. Though the night was dark, the roads were good and permitted some driving a long distance to attend the annual meeting. The choir of the church rendered valuable service, and thanks are due them for making the meeting so interesting.

Smithville.—Through misunderstanding the Annual Meeting of this branch was not as well attended as it otherwise would have been. Notwithstanding, there was a good representation of the friends of the Society. The meeting was held in the Methodist school-room and the devotional exercises conducted by the pastor of the church. Your agent was greatly encouraged by the cordial spirit of the friends in this district, and hopes to hear of good work being done by them.

Winona.—What a joy it is to meet with and address friends so full of intelligent interest in the Society's work as greeted your agent at this branch on the 25th of November. Though few in number, they were hearty and loyal. The Rev. Mr. Deacon, pastor of the Methodist church in which the meeting was held, was present and conducted devotional exercises. After your agent's address many kindly expressions were given which indicate well for the future of this Society.

South Saltfleet.—A long walk in the teeth of a bitter north-west wind, over rough, frozen roads not only whetted the appetite but fired the blood of your agent, and made him long for a large meeting as a reward for his perseverance, but possibly the very conditions of wind and road mentioned were the deterring elements. The meeting was held in the Methodist church and those who were present were decidedly interested and anxious to do what they could in the interest of the work.

Thorold.—Because of other meetings and excitement in consequence of voting a by-law in town, and sundry other attractions, the night chosen for the meeting was a little inopportune. Yet withal this Branch is alive and considerable vigor was manifested. Additional interest was added to this meeting by the presentation of two handsome copies of the Bible to two of its oldest members, *Mr. James Munro celebrated his jubilee*, having served the Society for *50 years* as *Treasurer*, and *Mr. James Miller*, *27 years as Secretary*. Each recipient of the Society's gift desired the agent to convey their appreciation of the recognition of the Society and to those in authority who had so kindly remembered them for their work of faith and labour of love. Long may both live to continue such work. The meeting was held in the Methodist church, where the pastor Rev. John Kay, occupied the chair.

REV. DR. CORNISH.

Scotland, Dec. 5th.—The meeting was held in the Baptist church. The President, Mr. Wm Foster, having met with an accident, was unable to be present, so the chair was taken by Mr. E. T. Merritt, who takes a deep interest in the Society. The pastor of the Church, Rev. C. W. Cook, and the Rev. D. D. Hambly, Congregationalist, gave short, earnest and practical addresses, after which your Agent set forth the work and claims of the Society. The old officers were re-elected. The night being cold and stormy, the attendance was small. However, we expect good returns from this Branch.

New Durham, Dec. 6th.—A small but representative congregation met in the Methodist church. The esteemed President, Mr. Charles Walker, was on hand, though the evening was cold and dark. He informed us that this was the 44th Annual Meeting of this branch. Mr. Philip Kelly, the Treasurer, had filled this office for 21 years, following his honored father, who had been Treasurer for 23 years. Mr. Robert Rogers, Evangelist, rendered efficient service to the meeting. The Branch is well managed and will give a good account of itself.

Drumbo, Dec. 8th.—A cold rainy Sabbath. Nevertheless we drove to Richwood for morning service, to Wolverton for afternoon service, and back to Drumbo for evening service. At each of the three places, your Agent spoke on behalf of the Society, telling of its work, and urging its claims and a collection was taken on each occasion for the funds of the Society. Rev. A. C. Eddy, B.D., pastor of Methodist Church, rendered valuable assistance. The Drumbo Branch has an efficient staff of Officers and collectors and will keep up its share of the finances.

Chesterfield, Ratho and Bright, Dec. 9th.—The meeting was held in the Methodist Church, Bright. The President, Mr. Thomas Shiell presided. Rev. H. S. Dougall, B.D., Pastor of the Church gave an able address. The evening was cold and stormy, congregation small, but enthusiastic. The old officers were re-elected. The Branch is in a good condition, and will sustain its past record for efficient service.

Plattsville, Dec. 10th.—A fine evening and a large attendance. The President and other officers were on hand. After your Agent had fully set forth the claims and work of the Society, the Revs. Johnston, (Presbyterian), Harris, (Baptist) and Hauck, (Evangelical) gave short but earnest addresses. Rev. F. Nugent, (Methodist) was absent through illness. This Branch is well officered and the collectors are much interested in the work. A good report may be expected from them.

Washington, Dec. 11th.—An unfavorable evening. Congregation small. Meeting held in lecture room of Methodist Church. Mr. John Day makes a capital presiding officer. Mr. Wm. Dunn, its aged Sec -Treas. and Depositary has held office for 30 years and asked now to be relieved of the Secretaryship, so Mr. Edmund Hall was appointed in his stead, Mr. Dunn still acting as Treasurer. Rev. R. Keefer, Pastor of the Church rendered valuable assistance. This branch will this year show an advance on the past.

REV. W. S. A. CRUX, B A. *(Manitoba)*

Arden, Oct. 18th.—Making Arden my starting point this year, was a little difficulty and pleasure combined ; for, after corresponding with several Branches, it was the only one that was prepared to have a meeting during this week. The Secretary, Mr. J. W. Gordon, met the Agent at the station, and became his host during his stay. The meeting was ably presided over by Rev. H. Hull, Methodist Minister, in whose church it was held. The meeting was far too small for a place like Arden, and for such an important work ; the reason seems to be that the people and ministers of the place do not see the great value and importance of the Society's work. However, we had a good

meeting with the devoted souls who had come out. Mr. Gordon was elected President because Mrs. Wilson had left town, and Mrs. Gilhuly, Secretary. The officers are having an early meeting, and so the collectors will soon be at work. We are sure from what was said by the officers that a good report will be forthcoming this year.

Russell, Oct. 21st.—Coming here, I was welcomed and housed with the warm hearted and hospitable President of this Branch, Mr. V. Schwalm. The reason this Branch does so well is that the officers think a great deal of their noble work and interest others. Because of removals a new President was elected, also a new Secretary. But the favor of God was again shown, and a most worthy President was elected, Dr. Rogers, who is held in high esteem ; and for Secretary, a devoted Christian young lady, Miss A. Buie. The meeting was held in the Presbyterian Church, and was ably conducted by the retiring President. After the address by the Agent, the chairman called attention to the presentation of the work as "splendidly presented by the Agent and sorry our whole congregation was not present to hear it." What will be done this year remains to be seen, for the collectors not getting out till last spring, owing to the late date of last year's appointments, have only now brought in their reports ; but good work will be done. Here the stock of Bibles was in poor condition, and they are to be sold off and a new and more suitable supply obtained.

Binscarth, Oct 22nd.—Here Rev. J. Beattie and the officers did their best to arouse interest in the work. Owing to the wet weather the harvest was unthreshed, and that means out here, ungathered. On every hand threshing operations are in full swing. Mr. Hogg, the President, was thus engaged, and so Mr. Jas. Anderson, Secretary, presided at the meeting. A nice, bright, cheerful gathering in the Presbyterian Church, with the pastor among them, was addressed by the agent, and they showed much interest in the work. The officers were re-elected and collectors appointed, and work will begin at once.

Saltcoats, *N. W. T.*, Oct. 23rd —Arrived here just in time for the meeting, which was ably presided over by the President, Mr. Lennox. "A few more than last year" were out, and we had an interesting time. The meeting was held in the Presbyterian Church, but there being no resident pastor, the Rev. J. D. Dyer was the only minister present, and he was a great help to the Agent, taking part in the service. The Depository has done some work during the year, and when the new stock, which is at the station, has been arranged, it is quite likely that the sales will be much larger. The officers were re-elected and collectors appointed.

Yorkton, *N. W. T.*, Oct. 24-25th.—Our meeting was held in the Baptist Church ; the pastor taking part, and a union choir leading the service of song. This was a great help, and would much assist in all our towns if the pastors would get their singers to become interested in the meetings of the Bible Society. Rev. Geo. Steed presided in an able manner and the meeting was a success, as far as one can judge. The pastors of the different churches were present, and it is hoped that a fine showing will be made when the collectors have done their work. The officers were re-elected, and a hopeful outlook is before them. The meeting was well attended, and I was informed that the church would have been full had not sickness been in so many houses just now. I was very kindly entertained by the President and his excellent lady, and through him made several acquaintances. The Depository is well looked after by Mr. Magrath, and it is where much good will be accomplished when better known in the community.

Birtle, Nov. 4th.—After seeing the officers of the Society and visiting the Depository, your Agent was kindly entertained in the home of Rev. A. B. Osterhout. The meeting was held in the Methodist Church. The choir led the singing and made the meeting full of life. After the Agent's address, which was listened to with much interest, the chairman made some observations respecting the work that were very timely indeed. The President being out of town, Rev. R. J. MacPherson presided in an up-to-date, able manner. The officers were re-elected and collectors appointed, and the meeting was full of good cheer for the work.

Shoal Lake, Nov. 5th.—Here in this thriving little town I found the officers much interested in the work. The Bibles in the Depot were well kept and in good position. At the meeting in the Presbyterian Church, the Rev. D. Fraser, Pastor, ably presided, and we had a good meeting and interest created. All the ministers were present, and, in a word, each spoke of the value of this noble work of the Bible Society. Having splendid weather, the collectors ought to do well this year. The editor of the Shoal Lake *Star* called attention to the meeting in a way to arouse interest throughout the surrounding country.

Newdale, 7th Nov.—Finding an hospitable home at my friend's, Rev. S. E. Colwill, who is elected president of the local Branch this year, I was introduced by him to the other officers of the town. Finding the President not able to fulfil the position, Mr. Colwill presided at the meeting, which was poorly attended and in a cold church, owing to some defect in the chimney. However, the meeting passed off well, and work is being done. New officers were elected, and the outlook is good for the year. Dr. Stewart looks after the Bibles and gives them a prominent place.

Minnedosa, Nov. 8th.—At the meeting, which was held in the Methodist Church, the pastor, Rev. T. G. Bethel, B.D., presided by request of Miss Shaw, the President. The meeting was full of interest, and the singers helped us much. The ladies who are the officers here take a great interest in the work. The Bibles at Mr. Taylor's are a good stock. The officers were all re-elected and collectors were doing their work, some of whom reported at the meeting. This place is alive to all advanced work and interests, and a good year will be the result of their work.

Hamiota, Nov. 12th.—On arrival here I found that my correspondence had not reached the officers of the Society, consequently no announcement was made. I tried to get two meetings to join that night, but not being able to do so, I spoke by invitation to the E. L. of C. E. on the object of the Bible Society in supplying the Bible so as to be within the reach of all, showing the difference between the times of 1801 and 1901, as to the easy access we all had to the Bible to-day as compared to the very few then, when Mary Jones longed for a Bible of her own. I found a splendid stock of Bibles at the local Depository, under charge of Miss Frazer. Your Agent left with thoughts of another visit, if possible, to this thriving town.

Rapid City, Nov. 20th.—We had a good meeting here in the Episcopal Church. Rev. Mr. Stocker presiding. After the Agent's address, a good spirit was manifested in the work. Plans were made for an advance this year, and the officers re-elected are ready for work. Quarterly union prayer-meetings are being held in the interests of the Bible Society, and are arranged to be continued. Rev. Mr. Grant, Presbyterian pastor, takes a good interest and invited the next union meeting to be held in his church. The Methodist pastor was unavoidably absent.

Neepawa, Nov. 29th.—Our meeting in this town was held in the Presbyterian Church, and was full of interest, although small. By some oversight, several of the Clergy forgot the announcement on the preceding Sunday. The President, W. F, Young presided, and Rev. W. W. Abbot led the meeting in prayer. Rev. Mr. McGregor, of Toronto, was also present with the pastor of the church, Rev. Mr. Hall. After the Agent's presentation of the work, Mr. McGregor spoke in high terms of the value of the Bible Society as an "angel of the churches." The officers were re-elected, and collectors are to be sent out soon. Mr. Leach keeps the stock of Bibles in good condition, and takes an interest in the work.

Dauphin, Dec. 4th.—At the station the Secretary of the Branch, Mr. Stelck, in company with the Rev. J. W. Dickenson, met the Agent, and I was entertained at the home of the latter. Our meeting was held in the Baptist Church, and was presided over by Rev. Mr. Golding, the Episcopal clergyman, while the pastor presided at the organ and aided greatly in the service of song. A nice gathering, two-thirds filling the church were present, and all the ministers of the town, except Mr. Scott, who was away from home on some mission work further north. Owing to sickness in the home, Mr. Ram-

say, the President, called on the Agent to explain the reason of his absence. All pronounced the meeting a good one. The former officers were elected, and a good showing will be made this year when the collectors bring in their returns. The Depository is well kept. Dauphin is destined to be a centre of great influence in the near future, and the Society is doing a noble work. Bibles were supplied this year to the new hospital.

Gladstone, Dec. 6th.—I called on the President of the Branch here, and found him just recovering from a severe cold, and not able to go out ; also, he informed me that all the ministers were out of town except Rev. Mr. Belford, the Episcopal clergyman. Our meeting was held in the Presbyterian Church, and Rev. Mr. Belford presided in an able manner. The officers were re-elected, and as they are much interested in the work and old friends of the Society, an advance will be expected this year. Mr. Andrews deserves credit for the good work he does in displaying the Bibles and keeping them with such good taste. This town having a new R. R. this year is full of life.

REV. JOHN DAVIDSON.

Cambray, Oct. 15th.—Meeting held in Methodist church. Rev. Mr. McDonald in chair. Night dark and raining. Attendance rather small, but good considering state of weather. Officers re-elected. The contribution from this Branch was small last year because only one set of collectors did the work. Your Agent urged upon the officers and the meeting very strongly the importance of having the collections made in aid of the noble work. Better things are looked for from this Branch this year.

Glenarm, Oct. 16th.—Meeting held in Presbyterian church. Rev. D. McDonald, President, in the chair. Good attendance, and there was quite an interest manifested. This is a strong Branch, under the care of efficient and interested officers who were cordially re-elected,

Fenelon Falls, Oct. 17th.—Meeting held in basement of Presbyterian church. Rev. R. C. Sinclair acting as chairman at request of President of Branch. Meeting well attended, and quite an interest was manifested. Addresses were delivered by Rev. John Garbutt, Methodist, and Rev. John Farncomb, Episcopalian. This Branch also is well officered and doing a good work. Your Agent presented as briefly as possible the very extensive and important work of the Bible Society, and pressed strongly upon the meeting its claims. A very cordial vote of thanks to yonr Agent was passed by the meeting.

Dunsford, Oct. 18th.—Meeting held in Presbyterian church. Rev. W. J. Creighton, Episcopal minister from Bobcaygeon, acted as chairman. Weather rather unfavorable. Meeting not very large. Your Agent presented the claims of the Bible Society and pressed upon officers and people the importance of appointing suitable collectors to cover all the territory allotted to the Branch, and of getting collectors to work early. New officers were elected, and it is hoped there will be larger returns from this Branch this year.

Oakwood, Oct. 21st.—Meeting in Presbyterian church. Rev. Mr. Clare, Methodist, in chair. Meeting well attended. Best of interest. Choir of church present and gave several suitable selections. The interests of this Branch are well attended to by tried and suitable officers who were re-elected. Collectors were appointed for each district into which the territory of the Branch is divided. The interests of the Society are well attended to in Oakwood.

Manilla, Oct. 22nd.—Meeting in Baptist church. Rev. Geo. Robinson, Methodist, in chair. The meeting was not large, but interesting. Rev. Geo. Robinson, was elected President, other officers re-elected. This Branch is doing fairly well, and it is hoped this meeting will be a stimulus to it

Little Britain, Oct. 23rd.—Meeting held in Christian Church. Rev. S. L. Ruttan in chair. Secretary and President unavoidably absent. This was a good meeting. This is a fairly strong Branch, situated in a very fine section of country, and ought to

contribute more liberally. Rev. S. L. Ruttan, Christian minister, was elected President. Other officers re-elected.

Valentia, Oct. 24th.—Meeting in basement of Methodist Church. President Mr. Fred Moore in the chair. The meeting was not large considering size of congregation. The regular weekly prayer meeting had been held the night before and that was given as a reason why more were not present at the Bible Society meeting. Your Agent suggested that when two such meetings came so close together they ought to be merged into each other for the advantage of both. Your Agent was the only speaker. New officers were elected, and it is hoped more will be done by this Branch this year.

Sonya, Oct. 28th.—Meeting in Presbyterian Church. Rev. A. Currie, M. A., President, in chair. This was a good meeting, and earnest spirit was manifested, as a collection of six dollars shows. Short, earnest addresses were delivered by Rev. S. F. Dixon, Methodist, and Rev. P. F. Sinclair, Presbyterian. The contributions from this branch have been small as no collectors were appointed, but a collection has been taken up on Thanksgiving Day. Your Agent urged very strongly the importance of appointing suitable collectors for the whole territory. It is hoped that such a method will be adopted this year, and that as a result there will be a much larger contribution from this Branch.

Woodville, Oct. 29th.—Meeting in basement of Presbyterian Church with fair attendance. Mr. Alex. Gilchrist, President, in chair. Addresses were delivered by Revs. W. G. Clark, Methodist, and J. Mc. D. Duncan, Presbyterian. This is a vigorous Branch whose interests are well attended to by efficient officers, who were cordially re-elected.

Wilfrid, Oct. 30th.—Meeting held in Presbyterian Church. Mr. G. Miller, President, in chair. This meeting was part of a social held by the Methodist congregation that evening. Tea was served in a hall and the after meeting was in the church, and was wholly devoted to the interests of the Bible Society. It was the largest meeting of the series, and your Agent took advantage of it to bring before those present the great work of the Bible Society, and to press upon them greater liberality for its support. This was a successful meeting. Choir present. Rev. M. Down, minister of congregation, took part. New officers elected.

This series of meetings was carried out without any drawback or difficulty. The weather on the whole was exceedingly favorable. Meetings fairly well attended, and an interested and earnest spirit was manifested. Your Agent received attention from officers of all the Branches visited, and he hereby tenders thanks to all by whom he was so kindly treated.

REV. S. C. EDMUNDS, B.D.

Blyth, Nov. 21st.—Meeting in Presbyterian Church. All the ministers of the place present. Rev. Mr. McLean (Presbyterian), Penhall, (Methodist), and McQuillan. (Episcopalian). They said the meeting was good, audience was largely composed of ladies as there was a political meeting and much excitement. They arranged to elect officers and appoint collectors later. The Depository is well kept This Branch has very excellent officers who are interested in the work, and will see that its interests do not suffer. Visited three departments in the school, and had a few words with the pupils.

Kippen, Jan'y 13th, 1902.—The attendance small, as there was a meeting of the congregation until about six o'clock. The President of this Branch moved during the year. Meeting in the Presbyterian Church. Rev. Mr. McLennan, presided. He was in favor of having the meeting earlier in the year. I endeavored to have meeting in November but Secretary did not get my communication.

Constance, Jan'y. 14th.—Had a lively meeting here; good music from the Choir, and the President in the chair, who does much for this Branch by his zeal

and thoughful interest in the work. They arranged to have the collectors canvas the people immediately, and hope to advance their contributions, and make their Branch progressive Visited the school here, which has good attendance and good order. Had a few words with the pupils on behalf of the Society. It was a pleasure to visit this Branch.

Auburn, Jan'y 15th.—Meeting in Presbyterian Church. Rev. John Kennedy in the chair. New officers appointed here. They were not satisfied that the Branch had not done good work last year. If the meetings were better announced there might be larger attendance. Hope it may prove a good year.

Goderich, Jan'y 16th.—Found the Depository here in good order, and Mr. Smith interested in the work. Called on the Presbyterian and Methodist ministers. They propose a mass meeting to interest the public in the Society. Addressed a goodly company in Victoria St. Methodist Church at a special service and urged upon them the claims of the Bible Society.

Dungannon, Jan'y 17th.—Meeting held in Anglican Church. Rev. M. M. Goldberg, Incumbent in the Chair. He gave some special points to aid the Society. Rev. Mr. Fairbairn, (Pres.) and Rev. T. R. McNair, (Meth.) gave short and interesting addresses. The Society has very good friends at this Branch. They intend adding to their stock in Depository.

Nile, Jan'y 18th.—Visited Depository here. They intend holding their meeting on Sabbath evening and thus secure larger attendance if the weather favor

Holmesville, Jan'y 18th.—Visited Depository and found some excellent Bibles in the stock and well kept. The Depositary Mr. Courtice had retired on account of sickness, but his brother takes his place. They hold public meeting next week.

Clinton, Jan'y 19th.—Preached in the morning in Presbyterian Church. Said a few words to school in Ontario Meth. Church, and addressed public meeting in the same church at 4 o'clock. Preached in Rattembury Meth. Church in the evening to a large congregation. Met with much kindness in Clinton and was favorably impressed with the religious life of the place. This Branch has been reorganized and I am very hopeful. The Rev. Mr. Stewart encouraged me very much with his kind thoughtfulness. It seemed to me everyone was anxious to have the Branch prosper. Rev. Josias Greene, the President elect helped us much. I am very hopeful that things will turn out well and that there will be advancement.

Seaforth, Jan'y 20th.—Visited the Depository here. The sale of Bibles is not pressed. There were wrong impressions of the Society, which I endeavored to remove and did. Visited the officers and resident ministers, and endeavored to awaken enthusiasm where I could.

Goderich, March 19th.—Meeting in the Presbyterian Church. Rev. Dr. Daniels, Meth., took the chair, and made important allusions to the work of the Society, and the importance of the work. Rev. J. W. Robinson, Meth., offered prayer, and Rev. Mr. Hamilton, (Pres). pronounced benediction. The evening was fine, and the congregation was good, and the meeting agreeable, interesting, and profitable. Regret was expressed at the absence of Rev. Mr. Henderson, (Pres), who had to be in Montreal. I am very hopeful that good service will be done this year. The Lord was with me and we had good weather all through.

REV. J. B. FRASER, M.D.

Downsview.—A rather small meeting on a fine evening, in the schoolroom of the Methodist church. A few staunch friends of the Society will see that its interests do not suffer. The President and Secretary may be depended on.

Laskay.—An enthusiastic meeting, well attended, in the Methodist church. The President is intensely interested. The venerable Secretary, Rev. Dr. Car-

michael, is full of resource, and is the life of this most successful Branch, which holds the record for the largest contribution in the district; also the largest collection at its annual meeting.

Newmarket.—"The best annual meeting we have had for years," was the general remark. Business in good shape, and business complete for annual collecting. Officers efficient.

Temperanceville.—A good meeting in the Presbyterian church, on a very unpleasant evening. The enthusiastic President of the Branch, Mr. James Ness, gave a stirring address. Prospects for still larger contributions are excellent.

Queensville.—A rather discouraging meeting in the Presbyterian church. Local ministers recently settled are both loyal to the cause, and promise to do all they can to revive interest. The Secretary may be depended on. Queensville may be expected to do its fair share for the cause.

Aurora.—A small but representative meeting in the church of the Disciples. Presbyterian minister only, of resident clergy, present. Church of England minister sent sincere regrets that owing to previous engagement he could not attend, and an offer of Church Hall for meeting next year. The new President may be counted on to push the work.

Richmond Hill.—A small meeting in lecture room of Methodist church. Resident ministers present and loyal. Depository in good hands and exceptionally well kept. Sales good. Collectors will take a wider range this year, and will doubtless succeed in securing larger contributions.

Thornhill.—Meeting on evening of Thanksgiving Day, in Methodist church. Attendance disappointingly small. Interest encouraging. Officers efficient. Collections will be seen to, and literature distributed to those not at the meeting.

Toronto Junction.—Small meeting in Davenport Methodist church, which, however, is rather out of the way. All the ministers of the place present and in hearty sympathy. Assured that claims of Society will be urged from pulpits before collectors are sent out. This Branch was the largest contributor for the district last year, and hopes this year to break the record made, the year before last, by Laskay.

Eglinton and Davisville.—A well-attended and representative meeting in the Presbyterian church. The business of the Branch well presented and expeditiously disposed of. The resident ministers all present. In addition to the Agent's address, listened to with evident interest, the retiring President, Mr. Gartshore, made a few earnest and practical remarks, and the Rev. Mr. Phillips sang in fine voice and taste a sacred solo. The whole meeting was hearty.

REV. W. FRIZZELL.

Five of the Branches in the district assigned to me were visited between January 13th and January 20th, viz :—

Baltimore, Jan. 13th, Camborne and Cold Springs, Jan. 14th, Harwood, Jan. 15th, Bewdley, Jan. 16th, and Millbrook, Jan. 20th. Having learned that Garden Hill had not held a meeting for years, on request I visited and re-organized this Branch the evening of January 17th. Garden Hill is a good centre for a Branch, and judging from the interest manifested will give a good account of itself in coming years. Indeed all the Branches named are promising. Special mention should be made of Millbrook, where special efforts were put forth by the officers to have a good annual meeting. Their efforts were rewarded by an unusually large and successful gathering. Officers can greatly aid the cause by working up interest before the annual meeting.

The balance of Branches were visited in the following order :

Roseneath, Feb. 10th.—Meeting in Presbyterian Church. Rev. Mr. Snowdon, Methodist minister, and Vice-President of the Branch, occupied the chair. After conducting opening exercises he delivered a helpful address on Bible Society work. The meeting, however, was small owing to a severe snow storm that made the roads almost impassable.

Hilton, Feb. 11th.—The attendance was so small that a formal meeting was not deemed wise, consequently an informal conversation took place at the Methodist parsonage, the result being that Hilton is dropped off the list in the meantime. It was organized some three years ago but never did anything for the work.

Smithfield, Feb. 12th.—Meeting in the Methodist Church. The pastor, Rev. J.S. McKee, occupied the chair. Attendance fair. This is also a comparatively new Branch, and needs a good deal of fostering care.

Brighton, Feb. 18th.—Meeting held in Methodist Church. This is a vigorous Branch. The President, Mr. G. J. Miller and those associated with him in office take a warm interest in the work of the Society. The Methodist, Baptist and Presbyterian ministers were present and gave inspiring addresses. By resolution the ministers all agreed to preach a sermon on Bible Society work the Sabbath before the collectors made their calls.

Colborne, Feb. 14th.—Meeting held in the lecture room of the fine Methodist Church. The President, Rev. P. Duncan of the Presbyterian Church, occupied the chair. With the exception of the Anglican, all the ministers of the town and vicinity were present and took part in the proceedings of the evening.

Three Branches were visited on Sabbath, Feb. 16th, viz: Grafton, Vernonville and Centreton. All three were union meetings. The attendance at each place was large. All seemed to think that a Sabbath is the best time to impart information about the Bible and Bible Society work.

Castleton, Feb. 17th.—Meeting in Methodist Church at 2 p. m. This meeting was held in the afternoon owing to uncontrollable circumstances. The attendance was small. The officers, however, are efficient and aggressive. The outlook at this centre is hopeful. The depository does well and is kept in fine shape.

Percy, Feb. 17th at 7.30 p. m.—Meeting held in Warkworth in the Methodist Church. Notwithstanding deep snow, attendance fair. The pastor of the church is a warm friend of the Society. Captain R. P. Hurlbut, Sec'y.-Treasurer, has for many years taken a deep interest, not only in the annual meetings, but in the whole work of the Society. Deep interest on the part of of officers shows itself in large contributions and in increased attendance at the annual meetings.

The hospitality shown throughout the whole district is worthy of special note.

REV. JESSE GIBSON.

Port Perry, Nov. 21st—Had a splendid meeting here. This is a good live Branch, well officered, and will do its duty to the Bible Society.

Prince Albert and Manchester, Nov. 22nd—Heavy rain prevented what would otherwise have been a large gathering at Manchester, where the meeting was held.

NOTE.—In consequence of domestic illness, your Agent was obliged to ask the Rev. J. B. Kennedy, as his substitute, to visit the other Branches in this district.

REV. J. R. GILCHRIST.

Linwood.—There is considerable interest manifest here, though the nature of the work of the Society not well understood. Nothing given last year, but they promise to work this year through the collectors and do better, The minister of the Methodist church where the meeting was held was absent owing to illness in

his family. Rev. S. Cunningham, of Hawkesville, occupied the chair and gave an address. Your Agent was well received, and spoke on the spread of the work of the Society. The attendance was considered good.

Hawkesville.—The interest here is warm, and I think will show it through the collectors. Rev. S. Cunningham filled the chair in his own church, gave an address on the centres from which the work was carried on. Rev. Mr. Ibbut could not be present, but sent a letter showing his interest in the work of the Society, and was glad to know it was doing such a work, in which he took part while in London, Eng. This Branch likes to see the Agent amongst them, and the address was listened to with some interest, which shewed for future good.

Breslau.—The meeting was held in the new Mennonite church. Short addresses were given by Rev. Messrs. Good, Geiger and Wambold, and a lively interest is taken in the spread of the word. There was a grand meeting, and the Agent found a warm welcome from the people.

Waterloo.—The meeting was not large, owing to other attractions in the town, yet the interest is hearty. Addresses were delivered by the Rev. Mr. Mitchell, of the Methodist Church, and Rev. Mr. Damm, of the Evangelical Church, and the Agent.

Bloomingdale.—The night was dark with threatoned rain. Yet in the United Brethren church where we met, we were pleased to meet an intelligent and appreciative audience. The interest is still kept up. Rev. Y. G. Ibbut, the pastor, presided, and though a stranger yet, took a warm interest. Your agent was well received The Society has a warm friend in the Rev. Menno Bauman, who is retired in that section of the country.

Winterbourne.—The meeting was held in the Presbyterian chu.ch, and had a fair attendance. Rev. A. M. Hamilton presided, and addressed the people on the work and interest of the Society. After the Agent had spoken, they considered how they could extend the knowledge of the work of the Society, and it was resolved to take the meetings next year to some of the neighboring villages, and let the people see for themselves the work the Bible Society is doing.

REV. F. W. GOODEVE.

Mono Centre, Nov. 19th.—The Annual Meeting of this Branch was held in the Methodist Church, *Relessey*, this evening, with a large attendance, the fine weather contributing largely to this desirable feature. Great interest was shown in the business part of the session, and close attention given to the address The Rev. C. Langford, pastor of the Church, presided, but owing to a severe cold did not speak.

Alton, Nov. 20th.—The Annual Meeting of this Branch was held in the Methodist Church with a fair attendance. The venerable President of the Branch, Mr. H. C. Russell, occupied the chair. The pastor of the Church, Rev. Mr. Berry was present and contributed materially to the proceedings. After reports and election of officers the address of the Agent was listened to with close attention. Active workers promise good things for the future of this Branch.

Camilla, Nov. 21st.—A fine cool night contributed essentially to the success of the Annual Meeting of this Branch, which was held in the Presbyterian Church. The Rev. E. W. Pickford, President of the Branch, occupied the chair, and the pastor of the Church, Rev. Mr. Rose, also assisted in the proceedings. After the usual routine business and election of officers, the President gave a very interesting address on the history of the Bible and its translations, and was followed by the Agent. The officers were much encouraged by the interest shown.

Whitfield, Nov. 22nd.—The President of the Branch, occupied the chair at the Annual Meeting of this Branch in the Primrose Presbyterian Church. A large

number were present and took an active interest in all the proceedings. An address was delivered by the Rev. C. E. Neilly, B A., pastor of the congregation, and by the Agent. This Branch suffers a material loss in the removal of its President, Mr. H. Graham, who with regard to the Bible Society, as in other religious matters has been "in labors abundant." Climatic conditions had much to do with the poor showing of this Branch last year, but the outlook is more than promising for the future.

Dundalk, Nov. 25th.—A stormy night, and the pressure of thanksgiving week caused a moderate attendance at the Annual Meeting of this Branch in the Methodist Church. It was, however, larger than usual. The President, Rev. J. N. Buchanan, occupied the chair, and the Rev. Mr. Campbell, and Rev. Mr. Hill were also present and assisted in the meeting. After the expeditious transaction of the business part of the meeting, the Agent spoke for half an hour on the claims of the Society for wider support by the Christian Churches. The officers promise better results this year than ever before.

Mansfield, Nov. 26th.—Despite the inclement weather the Annual Meeting of this Branch in the Presbyterian Church was well attended. None of the local ministers were present, so the meeting elected an active layman as President. After the despatch of business—in which the Treasurer's report was most encouraging—the Agent gave a talk on the work of the Society. The officers here are all zealous in the work.

Corbetton, Feb. 18th.—Unfortunately the coldest night of the winter was chosen for the Annual Meeting of this Branch, but despite the weather the interest of the fair-sized audience was very warm indeed. The chair was occupied by the Rev. Mr. Little, Presbyterian, and the Rev. Mr. McAteer, Methodist, was also present. The Agent's address was well received and was followed by the usual routine business. This Branch promises active work for the future.

REV. JAMES GOURLAY, M.A.

Lynedoch, Oct. 29.—The meeting was held in the Presbyterian church, Rev. A. Barclay, occupying the chair in the absence of the President. Rev. Mr. Keltz, of Delhi, was also present, and warmly supported the claims of the Society. The former officers were re-elected, and collectors were appointed. Some years ago Lynedoch had a vigorous Branch, and the indications are that its former activity will be perennial.

Waterford, Oct. 30.—This Branch held a meeting in 1899 without an agent, and since then nothing has been done. However, from the earnestness of those present we anticipate that the account given this year will show substantial and prosperous work. Dr. McGuire, President, and the other officers were one in their desire to have the Branch put in good working order; and from the assistance which has been, and will be, given by Rev. Messrs. Durie and Elliot, good results may be expected. Collectors were appointed to solicit subscriptions and report at an early date. Mr. Joyce was elected Secretary, and the other officers were re-elected.

Otterville, Oct. 31.—The meeting was held in the Methodist church. President, Mr. Paxton, in the chair. Here, also, there was an earnest desire to take up vigorously the work that has been neglected for the last few years. Much interest was manifested by those present and the officers are hopeful of good results. Collectors were appointed with instructions to report as soon as possible. Rev. R. H. Bell, pastor of the church, spoke in the interests of the Society.

Bookton, Nov. 1st. As this Society has been doing its own work it was thought best that officers should be elected, and so with Mr. McIntosh as President, and

Mr. P. Kelley as Secretary, this branch was hopefully organized. It is expected that the collectors will in a few weeks be able to give a good report of their work. The people, who are quite interested in this work, are in good heart, and hope to do much better than they have ever done.

Port Rowan, Nov. 5th.—This Branch has held its own meetings for the last two years, and could quite well have continued to do so. The annual meeting was held in the Baptist Church and was well attended and hearty. Mr. E Pugsley, who was elected President, warmly urged the claims of the Society. The depositary is in very competent hands, Miss Wood faithfully discharges the duties of Secretary, and all the resident ministers, Rev. Messrs. Shore, Terryberry, and Saunders, are active in forwarding the work. Altogether this Branch is in a most flourishing condition, and we expect that it will not only hold its own, bnt make subtantial progress.

St. Williams, Nov. 6th.—Here the work has been well done without any outside assistance, and the attendance at the annual meeting showed that it is a live Branch. Mrs. Newman, an able and valued member of the Society, who for several years has acted as Secretary, having recently died, Mrs. Nevitt was appointed Secretary. Judging from the interest shown in the good work of the Society good results may be looked for.

Vittoria, Nov. 7th.—This was the only Branch in which meetings have not been held for a few years that greeted your agent with a large and encouraging attendance. The meeting, held in the Baptist Church, was considered the largest that the Branch has had, and the interest shown was worthy of the attendance. Rev. T. Doolittle, who was formerly settled in Quebec, spoke of the Bible work in that Province. Collectors were appointed and the prospects are good for a revival of interest in the work of the Society.

REV. JAMES GRANT.

Beachville.—This Branch was visited on 5th of November, 1901. The meeting was held in the Baptist Church with a fair attendance. Mr. Alfred Shann, the President, occupied the chair. Rev. W. Anderson, pastor of the church, made some encouraging remarks. Your Agent urged that in these times of material prosperity a larger return should be made to the funds of the Bible Society.

Embro.—The Annual Meeting was held in the Congregational Church. The Rev. Mr. Patterson, pastor of the Presbyterian Church, in the chair. This Branch is well managed and does nobly under the guidance of Mr. Cody, Sec'y.-Treasurer.

Kintail.—Meeting held in Presbyterian Church on 2nd of December. It was a dark night and only a few persons were present.

Lakeside.—Meeting held in the Episcopal Church, with the President, W. Brown, in the chair. A very encouraging interest is taken in tho Bible Society's work here, and there was an excellent spirit in the meeting.

East Oxford.—The meeting was held in the Methodist Church at Eastwood on 5th of December. Rev. W. Couch, pastor of the church, presided Rev. W. Murphy, Anglican, made a fine address on thework of the Society. Your Agent also addressed the meeting and was listened to with much attention.

Burgessville.—The meeting was held in the Methodist Church on the 6th of December and was a very gratifying one.

Dereham Centre.—All the ministers of the district were present at the meeting which was held at Mount Elgin, and interest manifested.

Corinth.—Meeting held on 12th of December in the Methodist Church. Not many were present, but old friends are as loyal to the work as ever.

REV. NEIL HERMAN, (*Man. and N. W. T.*)

Indian Head, March 12th, 1902.—The meeting was held in the Presbyterian Church, and Rev. Mr. Bennett, of the Methodist Church, filled the chair. Although the roads were almost impassable sufficient turned out to hold a meeting and gave your Agent a warm reception and a most attentive ear. Indian Head is one of the most progressive towns in Assiniboia and they carry this spirit into the work of the Society and we expect still greater things from this Branch.

Sintaluta, March 13th.—The meeting was held in the Presbyterian Church, and Rev. Mr. McLeod acted as chairman. Weather was cold and travelling difficult, hence not a large audience. After the usual business your Agent spoke upon "The Revival of the Bible and the Bible Society," and each one present gave that expression of interest which inspires a speaker and makes a meeting profitable.

Wolseley, March 14th.—Meeting held in the Methodist Church, and President Magee presided. The reports read were exceedingly encouraging, and Wolseley Branch deserves great credit for the efficient manner in which the officers conduct business for the Society. This was a most encouraging meeting.

Broadview, March 17th.—Your agent spent Sunday and Monday in Broadview. On Sunday he preached in the Presbyterian Church, the collections went towards the work of the Society. Monday evening the meeting was held in the Methodist Church and Rev. J. S. Stephens of the Presbyterian Church, acted as chairman in a most able and genial manner. The meeting was an earnest one and the reports showed a decided increase. Great regret was expressed at not having Mrs Thorburn the President, present, but she was detained through accident. The Agent carried away most pleasant memories.

Wapella, March, 18th.—The meeting was held in the Methodist Church. Rev. A. Galley in the chair. After the election of officers Rev. A. E Maland gave an interesting address on the Bible, after which your Agent spoke. The meeting was a bright and happy one, and those present went away determined to do all they can for this great work in the future.

Moosomin, March 19th.—Meeting in the Methodist Church. Mr. John McCurdy, President, in the chair. This meeting was a representative one and profitable. The Agent felt that he had a strong and sympathetic people before him, and he was not mistaken. Moosomin people are an able people in every sense of the word, and we expect still greater things from this flourishing Branch.

Fleming,March 20th.—Meeting in the Methodist Church, and Rev. Mr. Huntsman, pastor, in the chair. Fleming is a live little town. Everything seems to be alive here. Your Agent was delighted and gratified. Rev. Mr. Govier, Episcopalian, and the Rev. Mr. Leishman, Presbyterian, spoke. Fleming gave a good collection, and the promise of this Branch is the promise of a man full grown and full of energy.

Elkhorn, March 21st.—Meeting was held in the Methodist Church, but very few were out owing to two other meetings at the same time. Your Agent did the best he could, and the few who gathered did the best they could, and we believe that Elkhorn will make an extra push for the work this coming year.

Virden, March 23rd.—Your Agent spent Saturday and Sunday in Virden. Saturday evening we had a business meeting, and on Sunday your Agent preached in the Methodist Church in the morning, Presbyterian Church in the evening, and afterward in the same church held the largest meeting of his tour. The attention was excellent and the spirit was most sympathetic. Your Agent feels that Virden is one of the strongest Bible Society towns in Manitoba and looks forward to still greater things.

St. David's, March 24th.—Visited this branch but the weather being wretched, and the roads positively dangerous, the meeting was held in the afternoon before the evening of your Agent's visit. Some twenty gathered, elected officers and transmitted the usual business. The collectors were appointed and urged to have all moneys in

before March 31st. St. Davids has a great country and a strong, prosperous, Christian people, and we see no reason why itshould not be one of the leading branches. In fact the record of St. Davids is enviable.

Oak Lake, March 25th.—Meeting in the Presbyterian Church. The weather continued stormy and few gathered, but those who gathered were intensely interested. The usual business was transacted and your Agent gave a short address, feeling as he left that Oak Lake is able to do great things, and will The cordiality shown to the Agent was marked, and the recollections carried away were most pleasant.

Griswold, March 26th.—Meeting was held in the Methodist Church and the same old story must be repeated—weather fearful and few present. However, the usual business was done and done well, and your Agent gave a short address upon the Aim and Scope of the Bible Society. All the ministers were out of town owing to the Referendum stir at this time, and a large meeting in Winnipeg.

Alexander, March 27th.—Alexander was the last Branch visited. Last but not least. A few nobly turned out, and owing to the flood they are to be praised for their courage. Mr. McEwen, President, and Rev. Mr. Phee, Presbyterian, spoke and gave courage to the Agent and all present. A word in season, how we appreciate it. Alexander only partially collected for this year, but the work will be completed and the Branch here is going to be one of our most powerful friends.

REV. JAS. B. KENNEDY.

At the request of Bro Rev. Jesse Gibson, I visited the places mentioned in the interests of the Society, as his substitute, and report as follows:—

Brougham.—The President called the meeting to order and after the usual devotional exercises, the Officers of the previous year were re-appointed. Then your Agent spoke to the audience on the power of the Bible, and closed with a brief summary of the work of the Society. The Methodist minister was unavoidably absent, but on meeting him on the evening of the meeting at Greenwood, he gave me $2.00 for the work of the Society. This money I gave to one of the Collectors appointed at the Greenwood meeting, having told the audience about the liberality of the Methodist minister.

Greenwood and Kinsale —The meeting was held in the Methodist Church. As before stated the Methodist minister was unavoidably absent. The Secretary was also absent but had sent his report which was read by the School teacher of the village. Officers elected, and Collectors appointed. Your Agent then addressed the meeting on the importance of giving the Bible to all the world.

Ashburn and Myrtle.—Very cold stormy night. Meeting held in the Methodist Church Methodist and Presbyterian minis ers present. The President Mr. McTaggart took charge of the meeting. After Officers and Collectors were appointed, your Agent spoke on the Bible's power amongst the nations.

Greenbank.—Meeting held in the Baptist Church. Methodist, Presbyterian and Baptist ministers present, Officers and Collectors elected. Your Agent addressed the meeting, and was followed in a brief address by Rev. Mr. Cameron, a former Honorary Secretary of the Society in Toronto. An enthusiastic meeting.

Claremont.—About sixty present at the meeting. Methodist and Baptist ministers took part in the opening exercises Meeting held in the Methodist Church Officers were appointed on the recommendation of the Executive Committee, which had met previous to the meeting. Also report of the last meeting read by the Secretary. Depositary also made his report which was very satisfactory, as it contained the Treasurer's report, he being in both offices. Your Agent then addressed the meeting and had a very attentive hearing.

REV. HENRY LEWIS, (*Manitoba.*)

Carman, Nov. 21st, 1901.—I began my work here. The Young People's Society, of the Methodist and Presbyterian Churches conspired to make the meeting in the Methodist Church a success. W. Haverson, the President, made a good chairman. Revs. W. Herbison, (Presby.) and D. Maclean, (Meth.) and Dr. McLachlin made excellent speeches. Your Agent was listened to with good attention. The audience was large. The meeting enthusiastic. The Executive is a live one. Sales at Depository small for a town of such a size.

Treherne, Nov. 22nd.—Meeting here was well attended. The Executive here is up-to-date with its work, hence a good meeting. Mr. J. K McClellan took the chair, and made a nice speech. Rev. Mr. Flett, (Meth.) also spoke well. Your Agent did his best to put the matter of the Bible Society work before the people. A solo sung in a splendid style by Miss McNeil helped the meeting much. The work of the Branch here is vigorous.

Holland, Nov. 29th.—We found the Depository here in its usual state of prosperity, also the Executive doing its best. The meeting here was addressed by Rev. W. Clarke, Epis.), (Rev. J. Switzer, (Meth.), and Rev. J. Wells, (Presby.) and each did excellently. W. R. Ross presided. Your Agent was listened to most attentively. The meeting here was a most interestlng one.

Cypress River.—Dec. 21st, Sunday.—We spent the Lord's Day here. Preaching twice, and at close of evening services held a mass meeting in Methodist Church. Rev. Mr. Hood, Presbyterian in the chair. Your Agent addressed the large audience, and the people were much interested while we spoke of "The Bible as an Evangelistic Force." The Depository here is well kept by Dr. McQueen.

Nesbitt, Dec· 9th.—The meeting here was held in Presbyterian Church. The gathering was good for such a small village. Revs. Mr. Elliott, Methodist, and Mr. Skage, Presbyterian, both took part The outlook here is better for the next year, and the officers are determined to push the interests of the Society at this point. The Depository needs a renewal of stock, which has since taken place we learn.

Souris, Dec. 11th.—The meeting held in Presbyterian Church was good. Evangelistic services were being held, and the pastor, Rev. Mr Muldrew, kindly permitted your Agent to speak on evangelistic work in connection with the Bible. The people listened earnestly. A visiting minister, Rev. Mr Paterson, Presbyterian, also spoke. Rev. Mr. Hewitt, Anglican, presided, and the meeting was a good one in every respect. The Depository here is excellently kept by Dr. Sherin, and Mr. Patrick, the Secretary, is a model officer.

Hartney, The meeting was held in the Baptist Church and was very well attended. The local ministers nearly all turned out and did excellent service. Your Agent was listened to most attentively while he placed the work of the Society before the people. The Depository is now receiving a fresh stock of Bibles.

Lauder, Dec 12th.—This is a small village and considering the inclement weather the turn-out was good. Rev. Mr. Bowman, (Presby.) presided and materially helped the meeting. The people were much interested and we expect a good account from this place. The Depository here is well kept and doing good work.

Napinka, Dec. 13th.—Owing to the very severe night, it being 48 below zero, we could not hold a meeting, though the Methodist Church was well heated and lit up. Rev. Mr, Lousley interested himself in the good work here, and the officers are going to see that the interests of the Society will not suffer Your Agent visited several parties and got two young ladies to act as collectors, he also gave them literature on the Bible Society work to distribute.

Melita, Dec- 15th.—We spent Sunday here and preached at outside points during the day, and in the evening we held a mass meeting which was largely attended, in the

Methodist Church. Rev. Mr. Buckley, Methodist, did much to make the meeting a success, also Mr. Graham who presided. Good singing was also helpful to the meetings. Your Agent did his utmost to put the importance of the Bible Society work before the people. Mr. Kemp keeps the Depository here in good style.

Oxbow, Dec. 17th.—Owing to a miscarriage in the mail the people here were not prepared for a meeting. The train service in this point is very indifferent, but your Agent visited a number of people and found the folk interested in the work of the Society. The Revs. Mr. McHaffie, (Meth.) and Mr. Scott, (Presby.) did all in their power to have the work attended to. The depository here is a model of neatness and is kept by one who is very conscientious in his duties. Owing to the severe frost we could not do anything to have a meeting but we feel that things will go right here,

Glenboro, Jan'y. 14th, 1902.—The meeting here was not largely attended, but was interesting. Rev, Mr. Paterson presided and gave a nice address. Your Agent spoke upon the work of the Society and was listened to very attentively. Owing to some misunderstanding nothing was done as to collecting last year, but the Executive are determined to have a good showing this season. The depository here is well kept by Dr. Cartmell and the stock has been well furnished.

Stockton, Jan'y. 23rd.—The meeting here was presided over by Mr. N. Fallis. Your Agent addressed the audience at some length and the interest was well maintained. The Executive here expect to do good work this year. The depository here has been neglected, the person in charge having left the place and left the stock in a very poor shape. But your Agent with the help of Mr. Miller has placed the Bibles in the care of Mr. George Jackson who will push sales vigorously. A new stock is needed and will be procured at once.

REV. J. G. LITT, M.A.

With its interested staff of officers this Branch promises another good year.

REV. JOSEPH H. LOCKE.

Shannonville, Oct. 28th—The meeting here was held in the Methodist Church and was unusually well attended. The pastor of the church conducted the opening exercises. Dr. Moore, the President, who is a zealous advocate of the Society, presided and delivered an impressive address. This Branch has a most efficient Secretary-Treasurer in Mr. L. E. Mills. Arrangements were made to canvass new and larger districts in connection with the Branch, and all were confident of an advance in contributions this year.

Melrose, Oct. 29th—The meeting was held in the Presbyterian Church; Rev. Mr. McArthur, the Pastor, Rev. C. H. Fusee and a good audience were present. All the officers were on hand and proved themselves to be both interested and efficient. Special attention was given to the selection of collectors, and it was decided to canvass a wider area. A special feature of the meeting was the frequent and excellent slnging led by the pastor.

Dr. McDiarmid, Methodist, commended the Bible Society to the liberal support of all Christians, after the Agent had delivered his address. In the absence of Mayor Rathbun, President, Mr. G. E. Deroche, Vice-President, presided. Mr. S. Russell, M.P.P., Secretary, presented an admirable report, and a plan of collecting was adopted that promised larger returns from this Branch.

Lonsdale, Oct. 31—We had a very fair attendance here in the Methodist Church, and those present manifested much interest in the work of the Society. Rev. C. H. Fusee, pastor, presided, and by his manifest interest did much to inspire all with zeal in the work. A collection was taken and a subscription list was circulated in the audience with good results, after the Agent's address. This Branch is evidently revived; good financial returns are expected from it this year.

Cherry Valley, Nov. 4th—The weather and the state of the roads affected the attendance, so that very few were present. In the absence of the President, Rev. C. H. Coon, Methodist, and pastor of the church, presided. The Agent addressed those present, and a subscription was taken up at the close which indicated that this Branch will advance on last year's contributions.

Milford, Nov. 5th—A fair number were present in the school-room of the Methodist Church. The meeting was one of special interest and hopefulness. The Pastor of the church, Rev. R. N. Adams, contributed much to this. Plans were adopted for securing suitable collectors, and new districts will be canvassed from which good results are expected.

Picton, Nov. 6th—At the request of the Agent, the local pastors withdrew their Wednesday evening services, and a very good audience assembled in the Main Street Methodist Church. The Pastor, Rev. R. H. Leitch, and Rev. D. G. McPhail, Presbyterian, were present and took an active part in the meeting. The President, W. McKenzie, Esq., presided and spoke with warm enthusiasm in the interests of the Society. Hutchinson, Secretary-Treasurer, presented his report. Interested and efficient collectors were appointed, and the officers promised larger returns from that Branch this year.

Bloomfield, Nov. 8th—This Branch is well organized and prosperous. It is fortunate in having for its collectors Mrs. J. Sweatman and Mrs. C. Mills, who, a few days before the public meeting, collected over $20. The meeting was held in the Methodist Church. Although special services were being held in the church, yet the pastor, Rev. Mr. Brown, after a half hour's service, gave the remainder of the evening to the interests of the Bible Society. The church was filled with an interested audience.

Napanee, Nov. 9th, (Saturday)—The Agent met the executive this evening in the office of the President, Mr. Daly. The Secretary, Rev. Mr. MacDonald, read the minutes, and the Treasurer, Mr. Huffman, presented his report. The same officers and collectors were re-elected, subject, of course, to the approval of the public meeting to be held next (Sunday) evening.

Napanee, Nov. 10th, (Sunday)—Your Agent preached in the Presbyterian Church in the morning at the request of the Pastor, Rev. W. W. There was a good audience present, and good financial returns are confidently expected.

Tamworth, Nov. 11th—The meeting was held in the Presbyterian Church. Although the night was dark and stormy, the attendance was encouraging. The Rev. Mr. Henry, pastor of the church, and Rev. W. J. Young, Methodist, were present and spoke of the work and claims of the Society. Great regret was expressed by several persons present at the prospective removal of J. M. Smith, Esq , who for many years had been president of the Branch, and who had contributed so much to its success. The usual collection and subscription were taken at the close of the Agent's address.

Enterprise, Nov. 12th—Here the cold stormy weather and the very dark night, together with the fact that the Branch is new and has hardly got into good working order yet, may account largely for the very few that were at the meeting. However, the officers were present, the interests of the Branch considered, trustworthy collectors appointed, and a plan suggested by which new life and success might be brought to the Branch. The Secretary, Rev. W. J. Weatherell, is much interested in the work and promised to push forward the work.

Newburg, Nov. 13th—This was our last meeting and one of the best. It was held

in the Presbyterian Church. The Pastor, Rev. Mr. Gandier, conducted the devotional exercises and showed much interest in the Branch. The President, Rev. J. H. Chant, presided. After the usual business was disposed of the Agent had great liberty and pleasure in speaking of the claims of the Bible Society to the large number present. The sum of $18 was subscribed at the close of the address.

REV. ALEX. MACGILLIVRAY.

Avening and Glencairn, Oct. 14th.—The meeting was held at Glencairn, and was the first of the series. Owing to bad train connections, the Agent was late for the meeting. There was a fair attendance in the Disciple church, the pastor of which gave an excellent address. The Bible Society has many warm friends in Glencairn. In the course of the following day I visited some of the friends at the Avening section of the Branch.

Creemore, Oct. 15th.—This Branch always does well. The Presbyterian church was comfortably filled. Mr. Hood, the President was in the chair. Excellent music was given by a large union choir, organized for the occasion. Short helpful addresses were given by Mr. Miles, of the English church, and Mr. McConnel, of the Presbyterian Church, both warm friends of the Society. The offering was liberal.

Collingwood, Oct. 16th.—The meeting in the Baptist church on Wednesday evening was well attended. Mr. W. A Hamilton, President, presided. The opening exercises were conducted by the pastor of the Church, Mr. Grant. Mr. Cranston, the recently inducted pastor of the Presbyterian Church, was present and gave valuable assistance. The report of the Secretary-Treasurer, Mr. Copeland, and the Depositary, Mr. Lamont, showed that the interest in the operations of the Society was undiminished Collingwood can always be counted on for a generous contribution.

Stayner, Oct. 17th —Through an unfortunate combination of circumstances your Agent did not enjoy the assistance of any of the local ministers at the meeting held in the Baptist church. The audience was not large, but those present manifested a warm interest in the address of the Agent. Mr. A. Hyslop has been for many years the zealous Secretary of the Branch.

Singhampton, Oct. 20th.—The union meeting in the Presbyterian church on Sunday morning was a good one, and fairly representative of all the Protestant Churches in the locality. Your agent is of the opinion that if the work and claims of the Society could be presented more frequently on the Lord's day, the result would be a much wider interest in, and more generous support for the Society. Rev. Mr. Sanderson was chosen President of the Branch. Singhampton will do well.

Badgeros and Maple Valley, Oct. 20th —A meeting was held at Badgeros on Sunday afternoon, when your Agent had the opportunity of presenting very fully, to a large and attentive congregation, the great work that is being done by the Bible Society. The well-to-do farmers of the section are liberal friends of the work.

Thedford, Jan. 13th.—The meeting here in the Baptist church was in point of numbers a great improvement on the one last year. The President. Mr. Moore, occupied the chair. Valuable assistance was given by the Rev. Mr. Eastman, pastor of the Presbyterian Church. It was decided to canvass the district adjacent to the town The outlook here is very encouraging.

Heathcote, Jan. 14th.—There is not a Branch in the group that is more active or loyal than the one in this place. The Annual meeting had been held some time ago. A fine congregation assembled in the Methodist church to hear your Agent.

The Rev. Mr. Hale, a life-long friend of the Society, presided. Mr. Pratt, Depositary, and Mr. Cruickshank, Secretary, are excellent officers.

Thornbury and Clarksburg.—This place was visited, but as the Annual Meeting was held some time previously, and some other meeting was being held at the time of the Agent's visit, no meeting was held. This Branch is a live one, well officered and doing good work Rev. Mr. Simpson, of the Presbyterian Church, is a very active friend of the Society.

Ravenna, Jan. 15th.—As on a former visit to this young Branch, the weather was unfavorable, and the attendance in the township hall was small. Mr. Hales, who drove me over from Heathcote, gave an excellent address. The Methodist minister spoke ably of the Society and its work. Collectors were appointed and good results may be looked for.

Duntroon, Jan. 17th.—The closing meeting of the series was held here in the English church, and was fairly well attended. The chair was occupied by Rev. Mr. McLean, President of the Branch. The Rev. Mr. Caplin, rector of the Church, gave a very interesting address. Mr. Hewson Grant, son of an old friend of the Society, was appointed Secretary-Treasurer. There has been a revival of interest in this Branch, and liberal help may be counted on.

REV. J. W. MAGWOOD.

Pinkerton and Eden Grove, Nov. 11th.—A heavy down-pour of rain interfered with the public meeting, but your Agent called on members of the local executive and it was decided to associate the village of Eden Grove with Pinkerton and thus materially strengthen the Branch. Your Agent left the friends of this point feeling that better things might reasonably be hoped for.

Glamis, Nov. 12th.—This was quite an enthusiastic meeting. Earnest words of appreciation were spoken by resident ministers, after which your Agent was listened to with earnest attention. The Branch is well officered, and good returns may be confidently expected.

Riversdale, Nov. 13th.—The meeting was not large, but the attention was good. The pastor of the Presbyterian Church (the only church in the village) in which the meeting was held was absent through sickness. The officers are faithful and will attend to the interests of the Society.

Paisley, Nov. 14th.—The meeting was held in the Presbyterian Church. An unusually large number of ministers were present. Pastors of the Presbyterian, Methodist, Baptist and English Churches together with two retired ministers who live in the town. The meeting was very interesting, and good results may be looked for.

Burgoyne, Nov. 15th.—The meeting was held in the Presbyterian Church and was presided over by the pastor. There was a good attendance, and a deep interest manifested. This Branch may be depended on for good returns.

Arkwright and Mount Hope, Nov. 16th.—The meeting was slimly attended on account of counter-attractions, but those present displayed great interest in the work of the Society. The Officers of this Branch are earnest and will not allow the work to suffer.

Tara, Nov. 17th —Your Agent spent Sunday in Tara in the interests of the Bible Society—preaching to large congregations, in the Presbyterian Church in the morning and the Methodist Church at night, and also addressed the Methodist Sabbath School briefly in the afternoon. By so doing very much larger numbers were reached than could have been reached on a week evening. The work of re-organization was attended to on the following day. Good returns may be expected from this Branch.

Allenford, Nov. 18th.—A good meeting was held in the Methodist Church. Dr. Williams, the enthusiastic President in the chair. Brief addresses were given by the pastor of the church and the Presbyterian minister. The address of your Agent on the

work of the Society was most kindly received, and your Agent left, feeling that good had been accomplished, and that greater liberality of support would be accorded the Society.

Hepworth, Nov. 19th.—The meeting was held in the Presbyterian Church. The resident ministers were present and strongly commended the Bible Society for the work it had done and was doing. Your Agent was warmly received—the congregation was not large, but there appeared to be a deepening of interest in the work of the Society, and better things are in store for the Society here.

Shallow Lake, Nov. 20th.—This Branch was organized a year ago, but this year, I believe, will make its first contribution to the work of the Society. It is a rapidly growing village and I believe will in the near future do handsomely for the "Bible Society." The meeting was held in the Presbyterian Church and was fairly well attended. The Pastor presiding.

REV. A. C. MILES, B.A.

Hespeler, Nov. 18th—Began with good meeting here, in the Evangelical Church, attendance being about 100. Revival meetings in progress in two churches, naturally kept some away. Rev. W. Duthie (Anglican) presided and spoke hopefully; also, Rev. J. W. Shilton (Methodist) and Rev. M. Clemens (Evang.) at close of Agent's address. A musical programme had been arranged and hand-bills printed. The meeting was bright and the offering over $6.00.

Preston, Nov. 19th—Another good meeting, held in Methodist Church, with attendance over 100. Prompt despatch of business, a pleasing musical programme and a liberal offering. The President, Mr. G. Pattinson, gave a well-informed address, and Revs. Johnston (Pres.), Edmonds (Ang.) and Cousens (Meth.) also spoke approvingly of the Society's work. The customary rotation in the presidency, brought back a former President, Mr. P. E. Shantz, and Mr. C. Dolph, the able Secretary for several years, was urged to continue in office.

Beverley, Nov. 20th—This old Branch always has a good meeting. The Secretary, Mr. R. McQueen, has a record of 44 years of continuous service, standing now fourth in the U. C. Bible Society's honor roll. The attendance this year was about 125; meeting ing in Kirkwall Presbyterian Church. The Pastor, Rev. J. A. MacKenzie, is President, and gave an interesting address on translations. Agent spoke at length on other work of the Society, and Mr. McQueen added a few words on its operations by way of summing up.

Strabane and Freelton, Nov. 21—The meeting came this year, in the rotation now observed, to the Strabane Presbyterian Church. Next year's meeting is to be in the Baptist Church at Freelton. The President being absent, Rev. P. J. McLaren, Pastor, presided. Later on, the new President, Mr. John Fulton, took the chair. Attendance fair, over 60, many from a long distance. Business quickly got over, and then Agent spoke, followed by Rev. Mr. McLaren, a warm friend of the Society, who strongly commended its work, especially in aiding the missionary work of all churehes. The choir of the church rendered pleasing and helpful anthems, and, with the collectors, were accorded thanks.

Puslinch, Nov. 22nd—Here we had the first unfavorable weather, rain coming on just before the time of meeting, attendance consequently small. Meeting this year in Duff's Church (Presb), between Morriston and Aberfoyle; next year to be in Methodist Church, Aberfoyle. Very sympathetic meeting, with warm-hearted addresses from Rev. W. Robertson, Pastor and President, and Rev. Mr. Krupp, the venerable pastor of the Evangelical Church, followed by Agent. Revival meetings kept away Rev. Geo. Down (Meth.) the President-elect. Puslinch is the banner branch of this district, having given $74 last year, All the Branches give generously, and are well organized and managed, the secretaries especially doing good work.

REV. A. MILLER

Armow.—The meeting of the Armow Branch was held on the 29th of October in the Methodist Church. A series of evangelistic meetings were being held in this church and one of these meetings was to be held this evening after the meeting of the Bible Society. Consequently the Society meeting was much larger than usual in this district. Mr. Robertson, President, was in the chair, and all the officers were present. The business was transacted as usual. Thereafter the Revs. R. Vance and D. Wren, ministers of the church, and your Agent, addressed the meeting, and the audience gave earnest attention.

Southampton.—The meeting was held here on the evening of the 30th of October. Mr. McNab, President of the Society, was in the chair. The minutes of last meeting were read and sustained. Collectors were appointed, in room of any who might be unable to attend to the duties. The ministers of the Presbyterian and English churches were present. Your Agent addressed the meeting on the work done by the parent Societies during the past year.

Port Albert.—The annual meeting of this Branch was held in the Presbyterian Church on the first of November, and was the largest of any yet seen by your Agent in this place. Mr. Gordon, President, was in the chair. After the usual business had been transacted Rev. R. Fairbairn, minister of the church, addressed the meeting on the work of the Bible Society, and was followed by your Agent with a similar address. The church choir was present and performed its part in the meeting.

Ripley.—There was a very good meeting of the Society held in the Methodist Church here on the 13th of November. Rev. J. H. MacLeod, President of this Branch, presided. The usual business having been tranacted, addresses were given by the President, Rev. Mr. Hoskings, Rev. Mr. J. Cockburn, Toronto, and your Agent. All the ministers of the village were present (four) and took part in the meeting. On account of the number of clergymen interested and ready to further the objects of the Society in this district, it was suggested and agreed to that this Branch endeavor in the future to perform its work without the assistance of an agent. If the new plan should be found not to work well, it was resolved that the services of an agent be again asked for.

Pine River.—A meeting of this branch was arranged for and duly announced for two different dates, but owing to the stormy weather on each occasion no meeting was held. Your Agent then made arrangements for visiting this Branch on Sunday, 17th of November. This arrangement was carried out, and the address of the ordinary forenoon service in the Presbyterian Church was devoted entirely by your Agent to the history, objects, and work of the Parent Society. No doubt many would thus become acquainted with the work of the Bible Society who had known little or nothing of the same previously. After the service the usual business meeting of the Branch was held. The President being unavoidably absent, Mr. C. MacCosh was elected to preside. Arrangements having been made for collecting the people's annual contributions the meeting was closed with prayer.

Ashfield.—This Branch of the Society met in the Presbyterian Church on the 2nd of December. The weather being stormy the attendance was not quite up to the usual. The minutes of last annual meeting were read and sustained. Thereafter collectors were appointed, and the meeting was addressed by your Agent, after which it was closed with prayer.

REV. J. H. MOORHOUSE.

Lambeth, Nov. 26th.—The meeting was held in the Methodist church, the pastor, Rev. J S. Fisher, presiding. The night was fine, and there was a very fair attendance. Officers and collectors were appointed. After first enforcing the value of the Holy Scriptures as presented by St. Paul in 2 Tim. iii. 16, 17, your

Agent presented the leading facts of Bible Society work during the last year. The proceedings throughout were marked by heartiness and good will. This Branch is in a flourishing condition

Fingal. Nov. 27th.—The meeting was held in the Baptist church, all three resident ministers being present. Your agent was warmly received. The afternoon and evening had been stormy, which doubtless lessened the attendance. Business of the Branch was duly carried through. We regretted that the President through ill-health was unable to be present. The meeting here was a pleasant and profitable one. Fingal is a good Branch.

West Lorne, Nov. 29th.—Meeting in Methodist church. Attendance fairly good. The pastor conducted the devotional exercises, after which the President took the chair. As it was found some of the collectors did not act last year, special care and attention were bestowed on the appointment this year. It was pointed out that the amount contributed last year ($14.60) was below what might be properly expected from this Branch. An effort was promised this year towards more thoroughly working the field. After returning home I have mailed Bible Society literature, &c. Progress may, I think, be expected in this Branch.

REV. CHARLES R. MORROW.

Cheapside, Oct. 1st.—The Annual Meeting of this Branch was held in the Methodist Church. The President, Rev. N. A. Whitman, was in the chair. The Secretary, after nearly twenty years of service declined re-election as he was about to remove from the place. Mrs. Dr. Sherk was appointed Secretary. Rev. Dr. Scanlon, pastor of the church came from Jarvis to attend the meeting and gave a helpful address.

Selkirk, Oct. 2nd.—In the absence of the President, Mr. E. E. Phillips was appointed Chairman and was afterward elected President. The meeting was a bright helpful one. The Secretary had arranged for a union choir and we had inspiring singing. The new Secretary gave a brief but very fine address. Rev. F. C. Ford, minister of the Disciple Church, was present and helped in the service.

Nanticoke, Oct. 3rd.—The meeting of this Branch was held in the English Church. The President occupied the chair. The officers were all present. The pastor of the Church, Rev. Mr. Cotton was unavoidably absent. We had a good meeting. I think Nanticoke, as in the past, will do well.

Cayuga, Oct. 4th.—The meeting was held in the basement of the English Church. The meeting was favoured with the presence of all the ministers of the town. After the Agent spoke, brief addresses were given by Revs. Messrs. Holden, Edgar and White. There was only a fair audience present, but the offering amounted to $3.85.

South Cayuga, Oct. 6th and 7th.—I preached in the interests of the Society in the Evangelical Church on Sabbath evening. The offering was given to the Society. The Annual Meeting was held on Monday night and was fairly well attended. Revs. Moyer and Marshall gave addresses. I called on Mr. Honsberger, sr. who is in poor health. He was for years President of this Branch Society and when failing health compelled him to decline re election, his son, Mr. Geo. Honsberger was elected to the position. During the day I went to Dunnville to inspect the Depository. Found everything in good shape.

Canfield, Oct. 8th.—We had a good meeting in the Methodist Church. Rev. Mr. Holden, pastor of the Church, lives in Cayuga. He sent word to the meeting that he much regretted that he was unable to be present. The officers were all present and were re-elected.

Bridgeburg, Oct. 14th.—Through some error the meeting was not well announced. In the absence of the President the Rev. E. McNab was appointed chairman and was afterward elected President. The meeting thought it would be well if next year the

Agent could spend a Sabbath in Bridgeburg in the interests of the Society. Rev. Messrs. McNab and Bell gave brief addresses.

Ridgeway, Oct. 15th.—We had a good meeting in the Methodist Church. The President, Mr. Hibbard, takes a great interest in the Society. Dr. Brewster, the Depositary has been an officer of the Society ever since 1868. Rev. Mr. McBain was present and took part in the service.

Port Colborne, Oct. 17th.—We had a fair audience here. Rev. Mr. Trickey, the President, was, for some unexplained reason, not present. Rev. Messrs. McLaren, Bonny, Irwin, and Duff lent their aid to the meeting. During the day I arranged with Mr. F. K. Brown to act as Depositary,and at the meeting he was appointed to that position.

Marshville, Oct. 18th.—Rev Mr. Bonny, of Port Colborne, has a church in this place. Last year he was elected President and was re-elected this year. Mr. Bonny was the only minister present. We had a good meeting. This was the last meeting of the series. I am glad to say that we had good weather and good roads for all the meetings.

REV. D. D. MCARTHUR (*Manitoba*).

Medora.—I began my work this year with this field. We had a very good meeting, and organized a new Branch. The people seem to be interested in the translation, publication and circulation of the Bible.

Deloraine was next visited. Met at 3 p.m. with the executive. The pastors of the town were all with us except the Methodist minister. It is very difficult to secure an audience at this point during the week. A mass meeting will be held Sabbath evening, February 2. The local ministry is to address the meeting. This will arouse an interest in the work.

I was kindly received at *Boissevain.* The local ministers who were at home were with us, and spoke well. Mr. Sutherland, who is Treasurer, Secretary and Depositary, is a constant friend and willing supporter of this cause.

Killarney.—Depository suffered loss by fire. This branch is fortunate in having a first-class staff of officers. The clergy are thoroughly in line with the Society's work. The Methodist minister was in Winnipeg as a delegate to the great gathering of the Dominion Alliance. The resident pastors spoke earnestly after the Agent's address.

I was sorry to find the President of the *Cartwright* Branch quarantined, owing to illness in his home. We had a good meeting. The local ministry aided your Agent, so did Mr. Bagnall, Secretary-Treasurer.

Our meeting at *Crystal City* was a decided success.

Visited *Pilot Mound.* Depository is well kept. Rev. Mr Farquharson has the work at this point thoroughly in hand. A mass meeting is to be held shortly. Saw as many of the executive as were at home.

Mass meeting Lord's day evening in *Manitou.* Audience and attention first-class. Four pastors present. I was very cordially received by all at Manitou.

Not so many out at our *Morden* meeting as we would like to see, the principal cause being that the Methodist body had their anniversary services. Morden Branch has excellent officers. They promise to raise $100 this year. The Presbyterian Minister, who is a fast friend of the Society, was not with us, owing to sickness in his family. Pastor Everton gave a short address.

Our Secretary at *Morris* has been from home for some months, consequently no meeting was announced. I did what I could with the executive and pastors in the way of deepening interest in the work. A Sabbath evening mass meeting was agreed upon, the local ministry to take charge. Mr. McCreath, a former Depositary in Morris, has charge of the Books until Mr. Collins returns.

I was pleased to find a growing interest in *Emerson*. A goodly number attended the public meeting. Three pastors present. I look for good results in Emerson.

Gretna decided to hold their own Annual Meeting this year.

Concluding I would say that sales have not been up to high water mark. With the good crops of the past year I expect more liberal contributions. A larger staff of collectors have been appointed this year than in the past.

REV. J. A. McKEEN, B.A.

Cataraqui, Oct. 21st.—A small gathering in the Methodist Church. Your Agent had the assistance of Rev. Mr. Craig (Meth.) and Mr. McNichol, the efficient President of the Branch.

REV. DR. PARKER.

In the month of December I visited the Branches at *Streetsville*, *Cheltenham*, *Erin*, *Hillsburgh* and *Davisville*, and early in the new year, *Cooksville*. I found the practical interest in the Society's work quite marked in most instances, both on the part of the ministers and the people representing the churches. In a couple of instances the attendance was lessened through the clashing of some local entertainment ; there were ready and hearty expressions of regret, however, where this occurred, evidencing the loyal attachment of the communities to the Bible Society. The date fixed for Norval being considered by the local committee inconvenient, the meeting was not held. At Streetsville, the business meeting was held and the officers and collectors appointed ; it was decided that if arrangements could be made with the Cooksville Branch, I would return early in the new year, and, with the local ministers, address a meeting in both places. After correspondence with the Secretary of the Cooksville Branch and the pastors of the churches, a meeting was held on a week evening at Port Credit. The attendance was unusually large and the audience quite enthusiastic, and from the expressions heartily made, this fine old Branch will renew its youth. Special mention may be made of the Branch meeting at Erin. The attendance was large and the spirit of the assembly sympathetic and ardent. The management here is accurate and prompt, and the pastors of the churches are to the fore. If specific mention be not made of all the places visited, it must not be regarded invidious. Circumstances were against them, and another opportunity will, no doubt, be better improved by them.

REV. J. G. POTTER.

The meetings throughout this district were very well attended this year. Your agent corresponded with the officers and arranged suitable dates, hence had no meetings conflicting with other engagements. Spending a Sabbath with two of the Branches, gave your representative a good chance of reviving Bible Society interests. It is most encouraging to be able to report the deep-rooted sympathy that exists for the Society's work. With two exceptions the officers of the Branches had watched the work of collectors, and in consequence there were larger financial returns. *Pontypool*, *Janetville*, *Warsaw* and *Lakefield* were visited in October ; *Bethany* and *Mount Pleasant* in November ; *Havelock*, *Norwood* and *Cavanville* in December ; *Keene* and *Hastings* in January, 1902, and *Springville* in February. It is quite noticeable that when the ministers of the various churches take a personal interest in the work of their Branch, that the people are stirred up to greater loyalty to the important mission of the Bible Society. It was necessary to emphasize the great fact that the different churches are so dependent upon the Society for the supply of the Word of God in the ever increasing missionary enterprise,

REV. W. G. REILLY.

Walter's Falls, Nov. 18th.—The Annual Meeting of this Branch was held in St. Philip's Church (Church of England). In the absence of the President, Mr. Olmstead, the Rev. Mr. Appleyard presided, and gave an excellent address, strongly advocating the claims of the Society. The Rev. Mr. Reynolds (Methodist) also ably assisted your Agent. This was an excellent meeting, and deep interest manifested.

Kilsyth, Nov. 20th.—This meeting was held in the North Derby Methodist Church, about 7 miles north-west of *Kilsyth*. This was in accordance with a plan adopted last year, of holding occasional meetings at outside points. The Officers of this Branch are very enthusiastic. the President Mr. Crichton spoke forcibly in the interests of the Society. The Rev. Mr. Brandon, Pastor of the Church, and Rev. Mr. McNabb (Presbyterian) a former Agent, assisted your Agent with earnest, helpful words. This also was a good meeting, and Kilsyth will give a good account of itself in this year's report.

Kemble, Nov. 21st.—This meeting was held in the basement of the beautiful, new Presbyterian Church, the Rev. Mr. Shepperdson, President in the chair. The Rev. Dr. McRobbie, Sec.-Treas. conducted the opening service. Owing to the late date at which Collectors were appointed last year, and the impassable condition of the roads, no collecting was done in time for last year's report, but Kemble promises to do better this year. The old officers were re-elected.

Holland Centre, Nov. 25th.—This meeting was much better attended than last year. It was held in the Methodist Church, the President, the Rev. Mr. Black in the chair. The opening service was conducted by the President and Rev. Mr. Learoyd, Pastor of the Church. Your Agent then addressed the meeting. All were deeply interested and hopeful for a successful year. The offering was more than three times that of last year. The Rev. Messrs. Black and Learoyd also gave brief addresses.

Desboro, Nov. 26th—Here the meeting was held in the Presbyterian Church, the opening service being taken by the Pastor, the Rev. T. A. Nelson, who is a very devoted friend of the Society. The veteran President, Mr. A. Stephen, then took the chair and introduced your Agent, who presented the object, work, and claims of the Society to a deeply interested and attentive audience. The Rev. Mr. Nelson also made some very helpful remarks. The old Officers were all re-elected.

Markdale, Nov. 27th.—This was the smallest meeting of the series, and the only one which occurred upon an unfavorable evening. It was held in Christ Church (Church of England). The Rector, the Rev. J. R. Newell, who is President of the Branch, occupied the chair and conducted the opening service. All the ministers of the village were present. After your Agent's address, the Revs. Messrs. Buchanan and Sparling (Methodist), Hunter, Presbyterian, and Newell (Church of England) spoke briefly, regretting the small attendance. A resolution was passed to bring the claims of the Society before all the congregations some Sunday in December. With this being done we may expect Markdale to make a good advance this year.

Chatsworth, Dec. 1st.—This was the best and most largely attended meeting of the series. It was held in the Presbyterian Church after the evening service. All the churches of the village were well represented, fully 400 people being in attendance. The Rev. J. Little, Pastor, conducted the opening service. Your Agent then addressed the meeting, after which the Rev. Messrs. Little and Power (Methodist) gave brief and appropriate addresses. Every one was delighted with the success of this first Sunday evening service, and many expressed the wish that week-night meetings might be a thing of the past. On Monday evening the business meeting was held in the basement of the Presbyterian Church, the President, your Agent in the chair. The sales were the largest in the district. Good results may be expected this year.

REV. JOHN ROSS.

Bluevale, Oct. 14th.—Here, although the weather was unfavorable, the attendance was fair. In the absence of the President the Rev. W. J. West occupied the chair, and spoke quickening and encouraging words. Officers were elected, collectors appointed, and the work will be prosecuted with energy. The depository is in good condition, and increased sales may be looked for.

Atwood, Oct. 15th.—At the meeting held in the Methodist Church, Rev. P. A. MacLeod in the chair, there was a larger attendance than last year. The directors take a deep interest in the Bible Society, and they have one of the best Branches in the district. The depository is in an excellent state, and the sales are comparatively large. This Branch will doubtless maintain its creditable record.

Trowbridge, Oct. 16th.—Special services were being held in the Methodist Church, but the meeting for this evening was called for an earlier hour than usual and after a brief and bright service the Bible Society meeting was held, the attendance being large. Earnest men are in charge of this Branch, and they look for the liberal support of the people. The President, Mr. J. R. Code, occupied the chair, and Rev. Mr. Bristol, pastor of the church, expressed his cordial sympathy with the cause.

Molesworth, Oct. 17th.—A dark night with snow falling at intervals, yet a large gathering assembled in the Methodist Church. Mr. Geo. Spence, President, conducted the proceedings assisted by Rev. Geo. Ballantyne (Presbyterian), and a union choir added not a little to the interest of the evening. The work of the past year was reviewed, and action taken with a view to secure even better results this year, and from the warm feeling manifested such may be confidently looked for.

Walton, Oct. 18th.—This meeting was well attended. Rev. A McNab, pastor of the Presbyterian Church in which it was held, presiding. Rev. A. W. Dever (Methodist), and Rev. Mr. Jerrow (U. P. Presbyterian) were present, and along with the chairman took a practical and sympathetic part in the proceedings. The work of this Branch was well done last year, and the new officers will not allow it to lag. Arrangements were made to have the whole field canvassed, and the numerous and warm-hearted friends of the Bible Society will make a generous response.

Wingham, Oct. 23rd.—Mr. Robert Currie, the President, occupied the chair at the meeting, which was held in the Baptist Church. Reports for the past year were submitted, officers elected, and an animated discussion was engaged in with reference to the best mode of prosecuting the work. All the ministers of the town, with one exception, were present, and took an active part in the meeting. This Branch will make an earnest effort to arouse greater interest in the cause which it represents.

Kinlough, Oct. 25th.—Mr. Statters took charge of this meeting, and the business was transacted in a thorough and expeditious manner. The friends here have reason to be encouraged by the progress which they have been able to make, and they hope that the coming year will be more prosperous still. The meeting was a good one and a hearty sympathy was manifested. The meeting was held in the Presbyterian Church, and the pastor, Rev. Jno. Maxwell, was present.

Belgrave, Oct. 31st —A downpour of rain, but a faithful few assembled in the Episcopal Church, Rev. Geo. MacQuillan, the pastor, in the chair, and the veteran Secretary, Mr. Wm. Bengough, in his accustomed place. Reports were read, officers and collectors appointed, and addresses were given by the chairman, and Revs. Messrs. Brown (Methodist) and Hastie (Presbyterian), supplementing and enforcing the appeal of the Agent. It was felt that the work here should receive greater attention, and that substantial progress should be aimed at for this year.

It was the unanimous opinion that the depository should be re-stocked, chiefly with Bibles with large print, as these seem to be specially called for.

Langside, Nov. 28th.—This meeting was well attended, as such meetings always are at this point. Officers and collectors were appointed, and the work will be taken up at once. Rev. G. M. Dunn, the President, gave a vigorous address on behalf of the Bible Society, and a warm response on the part of the people is anticipated. This Branch, considering its limited territory, does very well indeed.

M. Pope, Dr. Faulkner, and Dr. Jose.

Tweed, Nov. 5th.—Arrived here about 6 p.m. after a long stage ride. Found Rev. Mr. Harkness waiting to receive me. After visiting the depository we went to our meeting in the Presbyterian Church. The opening services were conducted by the pastor, Rev. Mr. Harkness. Mr. J. E. Gordon, president, occupied the chair. He spoke of the importance of the meeting and work. There was a very fair attendance and the audience listened with attention to the reports given by the officers of the Branch and to the address given by your Agent. Rev. Mr. Totten, (Methodist), and the Rev. Mr. Harkness spoke highly of the Society and its noble enterprise.

Campbellford, Nov. 7th.—The meeting here was held in the Presbyterian Church, and notwithstanding other attractions, the attendance was fairly good and representative. Rev. A. C. Reeves, president of this Branch and pastor of the church, presided, and conducted the opening exercises. Rev. Mr. Peake offered prayer. Rev. Mr. Greatrix pastor of the Methodist Church, was unable to be present owing to revival services going on in his church. The Treasurer, Mr. Vosper, and the Secretary, Mr. J. Hume, B.A., gave in splendid reports. This Branch has been extending its borders to outlying districts with magnificent results, viz: $190.11. Compared with much larger places, and even some cities, Campbellford and Seymour are far in advance. The officers and collectors deserve the best thanks of the Society for their splendid work. Your Agent thanked them in the name of the Society and then proceeded with his address on the "Trials and Triumphs of the Bible," which was well received. The choir furnished excellent music throughout the meeting.

REV. C. W. WATCH.

Teeswater, Dec. 2nd.—Meeting in the Methodist Church. Your Agent being assisted by Revs. Messrs. Malcolm and Kerr. This is a strong Branch, though the meeting was not as well attended as on the previous year. It was much regretted that Mr. J. K. McLean, who has held office for 21 years should retire from the Secretariat. Much of the success of this Branch can be attributed to Mr. McLean's faithful service.

Wroxeter, Dec. 3rd.—Not a large meeting. It was held in the Presbyterian Church, Rev. A. B Farney, presiding. Mr. Wm. Robinson, who, for twenty years, has faithfully served the Society in different ways, resigned his position as Secretary very much to the regret of all present.

McIntosh and Belmore, Dec. 14th.—A very good meeting held in the Presbyterian Church, Belmore. Your Agent was assisted by Revs. Messrs. Stewart and Wardrope.

Lakelet. Dec. 5th.—A most encouraging meeting in the Methodist Church attended by a large number of young people. The choir rendered good service and Rev. Mr.

Marshall gave a helpful address, your Agent emphasizing the work of the British and Foreign Bible Society.

Newbridge, Dec. 6th —The meeting was held in the Methodist Church. Rev. Mr. Rogers assisted in the meeting. A fair attendance.

Gorrie, Dec. 9th.—The meeting held in the Presbyterian Church manifested much interest in Bible Society work. The attendance was not large. Revs. R. J. Garbutt and J. Gallagher delivered brief addresses. Your Agent had an excellent hearing in presenting the claims of the Society.

REV. M. E. WILSON, Ph.B.

Zephyr, Oct. 23rd—A fair attendance gathered in the Methodist Church. The reports of the Branch were submitted, and the desire expressed that the visitation of the Bible Society Agent might be regular, otherwise the work here would suffer. No meeting had been held the previous year, and the results were very apparent. The meeting was interesting, and it is believed much good will be the result.

Sunderland, Oct. 24th—This Branch held its annual meeting in the Methodist Church. William Taylor, Esq., occupied the chair. The business of the Branch was disposed of with despatch, and full time given to the Agent to deliver his address. A noticeable feature of the meeting was the absence of the resident clergymen, who were away from town. The Rev. Mr. Spinks, however, took the opportunity, subsequently, to show a deep interest in the Society's labors, and assured your Agent of his aid to make the efforts of this Branch effectual. Sunderland is a thriving little town in the midst of a beautiful and wealthy district, and ought to make its influence tell in any good work it might undertake.

Keswick, Oct. 29th—The meeting was held in the Christian Church, with Mr. J. Purdy, an old friend of the Bible Society work, in the chair. The business was performed in an expeditious manner. The Agent's address was well received, and an earnest purpose to promote the interests of this Branch manifested. The attention of your Agent was directed to the necessity of regular visitation, if the work is to advance in this vicinity.

Mount Albert, Oct. 30th—Having some time on hand, your Agent called at the public school, which is very well equipped both in the excellent staff of teachers and well appointed rooms, to do the work committed to it. A few words with the children served to advertise our work, and, no doubt, helped to bring together the large audience which greeted your Agent. The Rev. Mr. Cameron, of the Presbyterian Church, showed a deep interest, and the Rev. Mr. Morgon made way for the meeting in the Methodist Church. The interest manifest in our work was very commendable indeed. The work of the depository under Mr. Summerfeldt deserving special mention. This Branch will do effectual work it is believed.

Vroomanton, (New) Oct. 31st—The Vroomanton Branch began its existence in the Methodist Church, Vroomanton, on Halloween. If a good attendance and much enthusiasm goes for anything, there is a bright future for the work of this Branch. The Rev. Mr. Humphries, who seemed to enjoy a full measure of the confidence of the community, greatly encouraged us in the work here by his interest and counsel. This Branch is well organized in the midst of a very wealthy and populous district, and will, no doubt, give a creditable account of its work when returns are made.

Sandford, Nov. 5th—The meeting was held in the Presbyterian Church at Quaker Hill. This point lies quite adjacent to Uxbridge town, and is very well situated to do good work for the Bible Society or any other good cause. The Rev. A. McDonald, pastor of the church, conducted devotional exercises, and a very good audience gave your Agent an attentive hearing. This was followed by the routine business of the Branch, which seems to be alive to the importance of our work.

Sutton, Nov. 6th—Your Agent was surprised indeed to find so much want of interest in religious matters generally, and in Bible Society work particularly, in a place of the size of Sutton. The Rev. Mr. Brace and the Rev. Mr. McKerrol, of the Methodist and Presbyterian Churches, showed much interest in the work and gave valuable aid to your Agent's efforts. The Branch hitherto existing had gone down completely, and in the work of reorganizing, inspiring addresses were given by Rev. Mr. Brace and Rev. Mr. McKerrol. There is great need of stimulus here, and a field it will pay to cultivate.

Markham, Nov. 8th—This Branch held its meeting in the Presbyterian Church. The opening exercises were conducted by the Rev. Mr. Pidgeon, who also made a good address in the interests of our work. The clergymen of the other churches who were present, also made felicitous addresses. Mr. F. A. Reesor occupied the chair. The attendance was good, the audience much interested, and the outlook very hopeful for the work of this Branch.

Goodwood, Nov. 9th—The meeting of this Branch was held in the Methodist Church; the Rev. Thos. Leonard in the chair. The Rev. Mr. Carey, who has been Secretary and also Treasurer for many years, presented his report. The routine business being over, a very good audience gave earnest attention while the work of the Bible Society was brought before them. This Branch, in common with many other Branches of this district, seems to think consecutive visitation from the Society's Agent indispensible, if the interest of the community is to be sustained in the work.

Eldon, Nov. 27th—The meeting was held in the Presbyterian Church. The evening was bitterly cold, and the attendance not as large as anticipated. The Rev. Mr. McDonald, whose hospitality was freely extended to your Agent, presided. The work of the Bible Society was outlined, the routine business of the Branch carefully attended to, and the territory assigned to the various collectors in a manner which ought to produce very excellent results. Much of the success of this Branch is to be attributed to the pains-taking Secretary, Mr. A. D. McEachern.

Kirkfield, Jan. 19th and 20th, 1902.—The Kirkfield Branch embraces a very large territory; there ought to be a division of it, with Victoria Road operating separately. Through the kind interest of Rev. Mr. Tyrrell, your Agent was enabled to visit three congregations on Sabbath, and through the interest of the Rev. Mr. Smith, and an old friend of the Bible Society, Mr. A. McLellan, your Agent was enabled to organize the Kirkfield Branch. It was found that the people were very little informed of our work; but as soon as the object of Bible Society work was explained, there was a willing, if not enthusiastic response. This Branch ought to do excellent work, and with Dr. Ross as President, Rev. F. Staples as Secretary, and Mr. A. McLellan, Depository, we believe it will.

Uxbridge, Mar. 12th—The annual meeting of the above Branch was held in the beautiful English Church of the town. At the special request of the Branch, your Agent was pleased to be present and to address the large audience which assembled. The Rector, the Rev. Mr. French, gave us a cordial welcome and took charge of the devotional exercises of the evening. My address was attentively received and was followed by the reports of the officers of the Branch, which were all very encouraging and well received. Brief remarks followed from the Rev. W. R. Barker, Rev. Mr. Fraser and Rev. Mr. Cowen in behalf of the work of the Bible Society. This meeting was one of the best of the season. The officers, who were all re-elected, are deserving of much credit for their interest in and manner of conducting their work.

REPORTS OF BRANCH SOCIETIES WHICH HELD THEIR ANNUAL MEETING WITHOUT AN AGENT.

Acton, Feb. 20th, 1902.—The Annual Meeting held here in Presbyterian Church, Jan. 28th, was an unprecedented success. Largest attendance and most generous collection we have ever had. Singing was excellent, as there was a well trained choir to attend to that part of the programme. Mr. A. T. Mann, President, pre-

sided. After the yearly report of Sec'y-Treas. was presented, all the officers and collectors were re-elected. Rev. T. A. Moore of Hamilton, gave a powerful and eloquent address on the important work of the Society; impressing the audience with the necessity for continuing the work. A hearty vote of thanks was passed for Mr. Moore and those who assisted. A. T. BROWN, *Sec.-Treas.*

Attercliffe Station, Oct. 27th, 1901.—The Annual Meeting was held in the U. B. Church on Sunday afternoon. The attendance was large. The claims of the Society were set forth by Revs. Messrs. J. Gourlay and J. C. Stevenson. This is a new Branch with good hopes of a successful career. Dr. Shupe was elected President. FRED. LINT, *Sec.-Treas.*

Beamsville,.—The Annual meeting of this Branch was held in the Presbyterian Church. The Methodist congregation united to have a good meeting and the house was full. One Sabbath in the year is likely to witness these two congregations coming together in the interest of the Bible Society. The Rev. R. W. Wright and Rev. A. Russ gave well prepared addresses. Rev. Dr McIntyre and Rev. H. T. Miller (Secretary), contributed to the enjoyment of a very successful meeting.

Beaverton.—The annual public meeting of the Thorah and Beaverton Branch of the Bible Society was held on the 24th of November, 1901, in St. Andrew's Church. There was a large attendance, as the regular evening services were withdrawn in order that all the congregations might unite in the interests of a common cause. This is the fourth year that this practice has been followed in Beaverton with very marked success. Mr. Best, minister of St. Andrew's Church and President of the Branch, presided, and was assisted in the devotional exercises by Mr. Major, of St. Paul's Church, and Mr. Wishart, of Knox Church. The President gave a statement of the origin and devolopment of Bible Societies and the work of this Branch for the past year, after which the other clergymen of Beaverton, Mr. Berry, of the Methodist Church, Mr. Major, of St. Paul's (Church of England) and Mr. Wishart, of Knox (Presbyterian) delivered interesting and eloquent addresses. The public interest in the good work of the Bible Society is evidently augmented by these union meetings, as is shown by the fact that the collections in aid of its work show a yearly increase.

D. CAMERON, *Secretary.*

Brucefield.—The annual meeting of the Brucefield Branch of the Upper Canada Bible Society was held on the evening of Nov. 1st in the Presbyterian Church. The meeting was fairly well attended. The President, Mr. Wm. Fotheringham, occupied the chair, and spoke of the great work of the Bible Society and the opportunities of the twentieth century. The minutes of last meeting were read and approved. All the officers were re-elected, and authorized by the meeting to conduct the business for the year without the services of an agent. The Secretary then read an instructive paper on "The Duty and Privilege of those who have the Bible," prepared by Mr. George Forrest, which was well received. The Rev. Mr. Shaw, of Egmondville, then gave a stirring address on the subject, "Do we give the Bible its proper place in our reading, our meditation and our affections?". He was followed by the Rev. Mr. Andrews, of Varna, who gave a lively address on the subject, "The Bible as a Lighthouse." Rev. Mr. Sawers did not give his address on account of the late hour, but briefly commended the addresses given to the attention of the audience. The meeting was enlivened by special music furnished by the Presbyterian Church choir. A pleasant meeting was brought to a close by a selection from the choir and the benediction.

GEORGE BAIRD, *Secretary.*

Calgary.—The annual meeting of the Calgary Branch of the Upper Canada Bible Society was held in the Baptist Church on Wednesday, January 8th. A very large audience was present, and the service was enjoyed by all. The devotional exercises were led by Rev. Mr. Leitch. The report of the depositary was adopted on motion by Rev. Mr. Herdman seconded by Mr. Neilson. Rev. Mr. Herdman called attention to the small sale of Bibles during the year, and suggested that notice of the depository be

given from the pulpits. The report of the Secretary-Treasurer was adopted. Special reference being made to the lady collectors, the thanks of the committee being tendered them for their services. After the election of officers Rev. John McDougall gave a powerful address on the humanizing, civilizing, and christianizing power of the Bible, and also drew attention to the fact that the British and Foreign Bible Soeiety was having the Cree translation of the Bible revised. It was pointed out that anyone wanting cheap Bibles in English, French, German, Gaelic, Cree, Norwegian or other foreign languages could get them from the depository. WILLIAM BEST, *Secretary.*

Campbell's Cross —The Annual Meeting was held in the Campbell's Cross Methodist Church on March 25th, 1902. The President, Hugh McIntyre in the chair. The meeting was opened with singing and prayer and reading of Scripture. The Sec.-Treasurer report was received and adopted. The contributions were a little in advance of last year. The old officers were re-elected. The Rev. E. A. Wicher, M.A., B D., Presbyterian minister of Claude then addressed the meeting, and held the attention of the audience which appreciated it very highly. He spoke of some of the difficulties of translating the foreign languages where the people have no literature and the missionary has to learn what the sounds mean, then form an alphabet to suit, and thus the translation was accomplished, this was something new to us. Also the great work through the colporteurs in Rome, where now there are a number of Protestant churches. The meeting was a success and brought to a close by singing and prayer by Mr. Wicher.

ROBT. GIFFEN, *Secretary.*

Cannington.—The Annual Meeting of the Cannington Branch Bible Society was held in the Methodist church on Sunday evening, Jan'y 19th. Rev. T. W. Jolliffe, President, in the chair. Attendance large, all other Churches in the village having withdrawn their regular evening service. Inspiring addresses were given by the Rev. H. Major (Anglican), Rev. G. Daniels (Baptist), and Rev. D. M. Martin (Presbyterian). For the past five years the meetings have been held here without the aid of an agent, the resident ministers conducting the service. We could not think of going back to the old style. and we are persuaded that many of our villages and small towns might add very materially to the interests and finances of the Society if they would follow our example in this respect The collection at the meeting amounted to $15, this added to the amount gathered by the collectors, makes a total of $45.14 for the year.

CHRISTOPHER BRANDON, *Sec'y-Treas.*

Columbus, Jan. 12th —As in years past our Branch Bible Society held its Annual Meeting as an united service of the Presbyterian and Methodist congregation, at 11 a. m , this time in the church of the latter. The President, Rev. A. MacGregor, presided, and able addresses were delivered by Revs. W. H. Butt and Geo. W. Racey on the Bible and on the British and Foreign Bible Society. The past year has been the best since this branch was organized, which speaks volumes for the able work of the President, Rev. A. MacGregor, and officers. Officers were appointed for the ensuing year, and a very successful meeting was closed with prayer. ROY AINSLIE, *Sec.-Treasurer.*

Craigvale and Stroud.—The annual meeting of the Craigvale and Stroud Branch was held in the Methodist Church on Nov. 25th, 1901. Rev. Suitable addresses were given by the resident ministers, Reverend Messrs. Kilty and Foote. The usual reports were read and adopted. The Rev. J. G. Foote was elected President, and officers and collectors appointed for the ensuing year.

Ida L. Foster, *Secretary.*

Dunnville, Oct. 20th.—The Sunday evening meetings have been too successful for the Directors to think of making any change. The meeting was held this year in the Methodist church, and the audience was only limited by the size of the building. The opening exercises were conducted by Rev. J. Gourlay, and addresses were delivered by Rev. Messrs. Brace and Stevenson. The Treasurer reported the largest contributions in the history of the Branch. This Society is also doing helpful work at Stromness and Attercliffe Station, both of which Branches are supplied with speakers from Dunnville. The officers were re-elected.

John A. Schofield, *Secretary.*

East Zorra Branch.—The Annual Meetings and Services of the *East Zorra Branch* have been held with usual success. Services were held in the interest of the Society in the 16th line Baptist, Hickson Methodist, and 12th line Baptist Churches on Sunday, Sep. 29th, the sermons being preached by Mr. E. J. Reid, B A., of Woodstock College, and offerings taken up on behalf of the Society. The Annual Meeting was held in Burns' Presbyterian Church, 10th line, on Monday evening Sep. 30th, the pastor, Rev. J. D. Fergusson, who is the President, being in the chair. There was a very fair attendance. The officers and collectors were nearly all re-elected, and interesting addresses delivered upon the work of the Society. The prospects are for a very successful year, and we look for good returns from the twenty-seven collectors appointed.

Rev. W. Johnson, *Secretary.*

Egmondville.—The Annual Meeting of the Egmondville Branch Bible Society was held in the Presbyterian church on Wednesday, April 2nd, after prayer meeting. The minutes of the last meeting, and also the report of the work of the past year, were read and adopted. The officers of last year were re-elected. The collectors this year have attended to their part of the work very well, and we are pleased to send a slight increase in contributions as compared with last year. Last autumn Rev. Mr. Shaw preached the annual sermon, specially on the work of the Bible Society,on a Sabbath day, and also read the information contained in the reports, pamphlets and booklets which were sent to our Branch from Toronto. The services of an agent were dispensed with.

In the absence of the President, Rev. A. J. Mann took the chair and conducted the meeting. We had a large turn-out to hear what the Bible Society is doing throughout the world, and much interest is taken in the work. The Rev. Mr. Wookie, of Toronto, who was supplying the pulpit at Speedside that day, was called on to address the meeting. He took for his text Psalm 19 : 16, "I will not forget Thy word," taking for his subject, "The Bible's influence on literature," and gave an excellent address, showing the influence the Bible has had with poets, musicians, artists, etc., and closed urging the need there is to give the Bible to every one in their own language, and the grand work the Bible Society is doing in that respect. A

collection was taken in aid of the work, amounting to $5.25. The collectors appointed have canvassed their districts with good success. The meeting was brought to a close by singing a hymn and Mr. Mann pronouncing the benediction.

J. G. SCOTT, *Secretary.*

Fordwich.—The Annual Meeting was held on Oct. 30th in the Methodist Church. The President in the chair. The report of the Sec.-Treas. showed a marked increase in the free contributions. The collectors books showed a small advance over former years, which was very pleasing to the Officers, a collection was taken up, the doxology sung, and benediction pronounced, and an excellent meeting was brought to a close. J. S. MCILRAITH, *Sec.-Treas.*

Honeywood, Feb'y 20th, 1902.—A beautiful winter night was the fortune of this Branch in its Annual Meeting, and a good crowd gathered in the basement of the new Methodist church. The chair was occupied by the President, Mr. J. Jameson. Addresses were delivered by the Rev. R. J. Husband and the Rev. F. W. Goodeve, M A. a local agent of the Society. This Branch loses an efficient officer this year in the person of Mr. Wm. Mc.Lean, who has gone to Hamilton. WM MCLEAN, *Secretary.*

Horning's Mills, Nov. 27th.—This Branch was fortunate enough to secure the services of Rev. C. W. Watch, of Shelburne, a former Agent of the Society, to address their Annual Meeting. The routine work had been carefully prepared by the executive committee, so took little time. Mr. Watch's address was much appreciated. The resident ministers were all present, and gave brief addresses. On account of the bad weather, the attendance was much smaller than usual. This is the record meeting of this branch held without the presence of an agent. F. W. GOODEVE, *Secretary,*

Innerkip.—The Annual meeting of the Innerkip Branch Bible Society was held in the Presbyterian church on Jan'y 29th, 1902. Rev. P. Straith, pastor, occupied the chair. Kincardine.—The annual meeting of the *Kincardine Branch* was held in the Baptist Church, Wednesday Evening, Jan. 8th. Rev. F. M. Smith, president, occupying the chair The attendance was about the average and included all the preachers of the town. After the usual opening exercises, Rev. Mr. Shiells was introduced to the audience. He spent his time showing the value and importance of the Bible, and contended that it carried its own power with it and that the best way to show sympathy for the good work was to give liberally of our means to assist the Bible Society. Rev. Mr. Murray was next called on. He gave quite a comprehensive speech relative to the history of the Bible Society—5 millions of Bibles he said were printed every year by the B. & F. Bible Society alone, yet this large number was altogether insufficient to supply the needs of the world. Greater efforts will have to be made, and greater liberality will have to be shown by the christian world, before the Bible can be given to the teeming millions of the earth. Rev. Mr. Rigsby spent his 15 or 20

minutes very interestingly in talking of the rich, beautiful and varied literature of the Bible. Many of the stories and incidents related in the Bible were intensely interesting and instructive to young children as well as to matured minds. Rev. C. Miles was the last speaker. He briefly reviewed the speeches that had been given,and then spoke at some length on the different religions of the world,and showed the vast superiority of the christian religion over all others. He regretted that the funds raised by the people of Kincardine for this most important society during the past year were so small. W. SELLERY, *Secretary.*

Kintyre.—The annual meeting of the Kintyre Branch of the Upper Canada Bible Society was held in Kintyre Church on the evening of Nov. 20th, 1901; the attendance was good. Rev. J. Barnett, President, opened the meeting with devotional exercises. After the business was disposed of an instructive and interesting address was given by the President. Other speakers were expected to be present but failed, no doubt through some unforseen cause. A very good meeting was brought to a close with prayer by the President. E. MACMILLAN, *Secretary.*

Lucknow.—The annual meeting of the Lucknow Branch of the Bible Society was held in the Lecture room of the Methodist Church on Oct. 9th, 1901, with the President, Rev. A. G. Harris, in the chair. The meeting was opened with praise, prayer and scripture reading. The minutes of the last annual meeting were read and confirmed. The Treasurer's report was read by the Secretary in the absence of the Treasurer and adopted. The amount collected during the year ($53.93) showed an advance over the previous year, and was divided between the British and Foreign Bible Society, Quebec Auxiliary, and the Upper Canada Bible Society. Officers were elected for the ensuing year, after which the Rev. C. H. P. Owen and Rev. A. McKay addressed the meeting for a short time on the work of the Society. Both addresses were good and full of interest. The President also made some few remarks which were much appreciated. The meeting closed with the benediction. D. C. TAYLOR, *Secretary.*

Owen Sound.—The Annual Meeting of the Owen Sound Branch of the Bible Society, was held in Scrope Street Methodist Church, on Friday, Jan'y 30th, 1902; the Rev. Dr. Langford, the President, in the chair. The Secretary, Rev. R. Rodgers was not able to attend. The meeting was opened with praise, the Rev. J. Ardill reading the Scriptures, and the Rev. Dr. Somerville leading in prayer. The Rev J. Lediard then read the minutes of the last annual meeting. The report of Mr. Taylor, Depositary, was read showing that 185 copies of the Word were sold during the year. The report of the Treasurer, Mr. A. E. Trout, shows that the contributions for last year amounted to $97.50. These reports were considered very satisfactory, and were duly adopted. The officers were re-elected for the coming year. The President then introduced the Rev. Dr. Johnston, of London, who, after expressing his pleasure at being present and meeting so large an audience in the interest of the Bible Society, delivered a most interesting and impressive address on the history of the Bible, with its varied translations; the stormy times through which it passed triumphantly, and its mighty power to save and bless all who take it as their guide. For over an hour the speaker held the attention of his audience, to the great enlightenment and spiritual profit of his hearers. In a brief but earnest address, the Rev. J. Ardill moved a vote of thanks to the lecturer for his inspiring words, and the meeting was closed with the benediction.
R. RODGERS, *Secretary.*

Port Hope.—The 46th annual meeting was held in the Baptist Church, Wednesday evening, Oct. 30th, 1901. Mr. James Craik, the newly elected President, presided. The choir of the church together with friends of the other town choirs led the musical service. The total results of the collections were reported as $121 98. According to a resolution this amount is to be divided between the Upper Canada and the British and Foreign Bible Societies. Officers for the coming year were elected. There was also a committee of 20 selected from the different congregations of the town. The address of the evening was made by Rev. Dr. Symonds, Headmaster of Trinity College, Port

Hope, on "The Social message of the Bible." It was regarded by all as one of the ablest addresses ever given here on such an occasion, and was received with much enthusiasm. ROBERT GRAY, *Secretary.*

Stromness, Oct. 13th.—The Annual meeting of this Branch was held in the Baptist church on Sunday afternoon, when there was a large congregation present, who listened with attention and interest to an address delivered by Rev. Mr. Reider, of the Evangelical Church, gave an excellent address under the heading, "Reasons why we should believe that the Bible is the Word of God." Rev. Mr. Walker gave a very instructive address on the subject, "The Bible is the book of books." The choir of the Evangelical Church contributed much to the enjoyment and interest of the meeting by their splendid rendering of several choice selections. C. CAMERON, *Secretary.*

Thamesford.—The annual meeting of the Thamesford Branch Bible Society was held on the evening of the 5th of March, 1902. The meeting was verv well attended, and a renewed interest in the work was generally manifested. Rev. Mr. Watson, was elected President, W. Kester, Treasurer, and C. Bock, Secretary. Rev. Mr. Oliphant (Methodist), presided, and spoke of the importance of the Society's work. Rev, Mr. Watson (Presbyterian), earnestly admonished his hearers to help on the good work of the Bible Society. Rev. T. G. A. Wright (Church of England), took up the general work of the Society, advocating a deep interest in the coming Centenary in 1904. The collectors of last year were each presented with a copy of the Queen Victoria Memorial Testament, the gift of the Society. C. BROCK, *Secretary.*

Tiverton.—The Annual Meeting of the Tiverton Branch Bible Society was held in the Baptist Church on Nov. 14th, 1901. The President, Mr. Fawcett, occupied the chair and led the devotional exercises. Although the night was stormy, the attendance was good. All the officers was re-elected for the ensuing year. The Rev. K Mc. Lennan, of the Presbyterian Church, gave the annual address. His subject was, "Savonorola and the Bible," which was very interesting. The Rev. Mr. McQuarrie, pastor of the church, and the Rev. Mr. Tyler, of the Methodist Church, also gave stirring addresses. Suitable music was furnished by the church choir. Solos were beautifully rendered by Mrs. F. Fawcett and Mrs. J. G. Ord. The benediction brought a pleasant and profitable meeting to a close. D. E. MCLAURIN, *Secretary.*

Waldemar, Nov. 9th.—The Waldemar Branch Bible Society held its Annual Meeting, Oct. 22nd, 1901. Satisfactory reports were made. A goodly number was present and a keen interest in the work was manifested. The Rev. Mr. Cockburn, of Grand Valley gave an address which was timely and to the point. This is a lively Society, ably presided over by Mr. Jos White. No Agent will be required next year, as the work will be attended to by local talent. ALEXANDER CLARK, *Secretary-Treasurer.*

Watford.—The annual meeting of the Watford Branch of the Bible Society met on Nov. 20th, 1901, in the Methodist Church. President Rev. J. Galloway in the chair. Rev. W. Hayhurst delivered a very instructive address on "The Bible, its undying nature and civilizing power." Rev. Mr. Horn gave an address on "The Bible, the understanding it in the spirit rather than the letter." Rev. J. Downer gave a short address on the practical work of the Bible Society. It was decided that the apportionments of the money be the same as last year. JAS. HINDSON, *Secretary.*

THE SIXTY-SECOND ANNIVERSARY

OF THE

UPPER CANADA BIBLE SOCIETY

Held in Sherbourne St. Methodist Church, Toronto, Tuesday Evening, May 6th, 1902.

The Sixty-second Anniversary of this Society was held in the Sherbourne Street Methodist Church on Tuesday evening, May 6th, 1902. H. W. Hoyles, Esq., K. C., L.L.D., President, in the chair. With the President on the platform were the Reverends Dr. Sheraton, Dr Dewart, Dr. MacLaren, Dr. Weeks, Professor Cody, and Bernard Bryan, and throughout the audience were many friends of the Bible Society, viz: Reverends Canon Sanson, Dr. Caven, Dr. Thomas, Dr. Chambers, Dr. Abraham, Wm. Frizzell, T. R. O'Meara, J. T. Webb, W. G. Wallace, A. B. Winchester, A. Gilray, A. Gandier, W. A. Duncan, Prof. Ballantyne, S. Carruthers, Robert Hall, and Murdoch McKenzie, (India)—with Messrs. Warring Kennedy, John C. Copp, C. R.Cooper, W. J.Robertson, Dr.W. B. Geikie, J. G. Scott, K. C., John Aitken, A. T. Crombie, W. H. Eakins, E. Coatsworth, jun., Wm. Kerr, B. J. Hill, Thos. Mortimer, J. J. Woodhouse, Grant Helliwell, A. M. Denovan, John Harvie, etc, etc.

After singing the Hymn, "Jesus Shall Reign Where'er the Sun," REV. DR. CLEAVER, pastor of the church, read 1 Peter, 1 chapter, beginning at the 13th verse, and afterwards led in prayer.

THE PRESIDENT: Ladies and gentlemen, there are certain matters of business which had to be transacted at this annual meeting, and we have adopted the program of putting all the business first, so that the less interesting part of the meeting may be over early, and nothing left but the enjoyment of the addresses which are to come. The first business is the passing of certain by-laws, which you have in your hands and which have to be passed at the annual meeting. They have been discussed and adopted by the Board of Directors. The first provides for vacancies on the Board, making a change that is very desirable. The second is to change the date of closing of the financial year to the close of the calendar year, so that the returns may be sent in to the parent Society before their great annual meeting. There is a new by-law which provides for the custody of the corporate seal, and the affixing of that seal, when necessary, to releases and other payments of money and documents when occasion requires. Having said so much, which I hope has made the matter perfectly clear to you all, I will call on Dr. Geikie to make a motion.

The resolution, adopting the suggested amendments, was moved by W. B. Geikie, Esq., M.D., D.C.L., and was seconded by W. J. Robertson, Esq., and carried unanimously.

J. C. COPP, ESQ., moved the next resolution : "That the Report as printed and now distributed, be adopted, and that the following gentlemen be Officers and Directors for the ensuing year, 1902 1903. (For list see page iii.)

REV. ALEXANDER GILRAY seconded the motion, which was carried unanimously.

THE PRESIDENT : The next item on the programme is the chairman's remarks,but the Rev.Dr.Weeks,whose name comes later on the programme, is very anxious to get away to the closing exercises of his University (McMaster), and I have asked him to take my place for the present, and be the first speaker of the evening ; I have great pleasure in now calling upon him to address you.

REV. W. W. WEEKS, D.D. : I regret that I have to be in a hurry to get away to-night, as I should like very much to be present at the rest of the meeting ; but I am glad to clear the way for the other men who are to speak about the relation of the Word of God to Christian work. Our Christianity is a great arch spanning the gulf of Time. One end of that arch rests upon an infallible Person in glory; the other end rests upon an infallible Book on earth. Anything that tends to weaken our faith in either of these, strikes at the very heart of the world's hope. We will find, if we look closely into the record, that all along the ages every attack has been made by Satan upon one of two points : either upon the efficacy of the blood that has been taken within veil, or the authority of the Word that has been left upon earth. If you go right back to the very first gun fired in this wonderful conflict, it was this : "Yea, hath God said ?" Are you sure it was God who spoke ? Are you quite sure that you have exactly what He said ? Are you perfectly satisfied now that you possess a revelation from Him ? And just at the point where that fact was questioned the whole position was carried.

Having won the first battle, the next attack was upon the Blood, in the case of Cain and Abel. Follow the course of events from that time on to the present, and you will find that every great conflict wages round one of those two points :—Is the Blood a sufficient atonement for sin, and is the Word of God a sufficient ground for our faith to rest upon ? A discussion of the question of inspiration does not come within the scope of my subject. I am taking it for granted that I am speaking to men and women who accept, without very much question, the Bible as the Word of God. I want to emphasize the two-fold duty which we as the people of God owe to the Book, the two things which the Word of God

demands that we shall do with it. The first is, that we shall hold it fast, and the second is, that we shall hold it forth. This I believe sums up in two sentences the whole duty of the Church of Christ towards the written Word of God.

First, the duty to hold it fast. You remember the apostolic injunction to Timothy, "Hold fast the form of sound words." First, hold it fast in the grip of your own personal faith, because there is a great deal of hidden unbelief in everyone of us. If I were asked for a great proof of the doctrine of human depravity I think I would point to the readiness with which men will swallow any absurdity outside the Word of God, and their hesitancy to accept the simple, plain statements of revelation. Everywhere we find men shrinking back from what God has said, and readily receiving whatever is said by others. We need to hold the Word of God as supreme; and by that I mean, not going into it and questioning it here and there to see whether or not it be true, but resting upon it as God's eternal thought, remembering that it has the endorsation of Jesus Christ Himself. Now, what is the fact? Some man to-day, or some other day, digging away out yonder in the East among the ruins of some old city or temple, unearths a tablet, or a monument with certain hieroglyphics upon it, and he proceeds to decipher them. By and bye he makes the discovery, that the statements contained in these hieroglyphics are at variance with the statements contained in the Word of God; and then all over the land—and Christian ministers running in the front—we have a host of heralds who say, "There, you see the Word of God is not reliable." Why? Because these records contradict it. I would be suspicious that those old kings who had the records made, were liars and that God Almighty spoke the truth. Why is it that men will write God down a liar if anybody, anywhere through all the ages, will but make the charge?

A very remarkable tablet, you may remember, was unearthed in Crete sometime ago, and we were told that this particular tablet proved that the Word of God was false, for it contradicted some very plain statements made in the Old Testament. I would like to refer the man who made that discovery to what God Himself said about the people who lived at Crete. He said the Cretans were all liars—(Laughter); and I suspect one of the leaders was the fellow who made that very particular tablet. What I want to emphasize is this, that as believers on the Lord Jesus Christ, if anything appears to contradict the Book, your place and mine is to reject it rather than to question the Book itself—to hold fast in a firm unquestioning grip the Word of God. (Hear, hear). In other words, I believe the great need of the Church to-day is not what we hear so much talk about, viz. great thinkers. The Church

has never had such an array of great thinkers as to-day. And what are they doing for her? I am very much of the opinion that the great work of the Church of Jesus Christ is not being done by her great thinkers, but by her great believers, and that the supreme need of the Church is an army of men and women who will take God's Word and rest upon it, knowing that the thing must be true, because at the bottom of it all is the signature of the Lord Jesus Christ Himself. Intellectual rebellion against Jesus Christ is the most pernicious kind of rebellion. He claims absolute lordship over the intellect of His people, and, one of the great works of the Holy Spirit is to cast down reasonings, to cast down all the imaginations of men, and to bring every thought into captivity to the mind of Christ. I wonder if we have learned that lesson yet, that great fundamental truth, that Christ claims absolute lordship over the intellect of His followers, and that we have no right to think contrary to what Jesus has said?

And then, of course, we need to hold it not only in the way of intellectual assent, but also with the grip of a reverent, patient, faithful study. I am not pleading against the study of God's Word; I am only asking that we take it and study it as God's word, that we look deeply into all it has said, and learn the hidden truths God has there for the Church. To-day every sort of heresy flourishes. I care not what absurdity is launched on the theological world, you will find lots of people running after it. Any absurdity from Christian Science upward will be accepted by many, and often take officers out of our churches. Why? Because they do not know any better. If our people were grounded in the word of God such things would not happen. I have read repeatedly the statement, that good and honest men and women frequently receive and pass counterfeit money because they are not familiar enough with bank notes to know the counterfeit, but the spurious bill neves passes undetected over the teller's desk. The bank clerk handling money every hour of every day becomes so familiar with the genuine that just the touch of his finger will reveal to him the spurious. If we were as familiar with the Word of God as the bank teller is with bank notes these miserable heresies would not be palmed off upon the people. By the clever manipulation of certain texts—perhaps I had better say by the clever manipulation of certain words, all sorts of lies are foisted upon the church, because there has not been a clear, careful study of the Book itself.

Instead of going to the Bible to find out what God said, we have gone to seek for flaws, and death instead of life has resulted. Samson at one time slew a lion, and afterward went back to the carcass where he found honey, which refreshed himself and his

parents ; but he went back to that lion on another occasion, not for honey, but for riddles, and the fruit of that search was murder. You can go to the word of God for either honey or riddles, and both can be found there. There are more riddles in this Book than all the Philistines will be able to unravel for the next thousand years. If it is riddles you are after you can find them, but if it is honey you want you can have it. The business of the Church of God is to go to the Word, not for riddles but for honey. So, I say hold it fast in the grip of an unyielding faith, and in the grip of a reverent, careful study.

The other thing we are to do is to hold it forth. I do not believe that we will ever convince the world by a series of verbal arguments that this is the Word of God. There is just one translation of the Book that will never fail to convince even the most skeptical, and that is the Word of God translated into a human life. When the Church of Christ, believing the Bible, goes out to live the Bible, we will have an argument that even the skeptic will not attempt to refute. We need not bother our heads about what the scientists say about the Bible. Who cares what they say ? Most of them are ignorant of its simplest teachings. They tell us that we should not accept the Bible because its teachings will not fit into the accepted scientific—well, I would not like to say, demonstrations, but guesses of to-day. And what of that ? Do you think there ever was a time since the first page of the Book was written, that it was not at variance with science. Would it not have been a serious thing for the Bible if it had fitted into the science of Voltaire's time ? Would it not have been a serious thing for our Bible if it had perfectly fitted into the science of ten years ago ? And ten years hence we will say that it would have been a very serious thing for our Bible if it had fitted into the science of to-day. Why, during the last 200 years science has made more revolutions than all the South American republics combined, and it will go on making them as the years go by ; while the great old Book remains unchanged and unchangeable. When by and by science emerges from her semi-blindness into perfect vision, she will be in perfect harmony with the book. What God wants to-day is a people who will go out into the world believing and living and preaching His Word.

Now, brethren, this is all I want to say to-night. I will leave the subject by stating that the duty of every Christian, as I conceive it to be, is to take the Word of God in a firm grip and hold it, refusing to yield one single book or chapter until the day we stand face to face with Him, and find out whether or not the Word that He endorsed was sufficient for his people to trust. One of two things is absolutely certain : either our Lord found no errors

in the Old Testament as He had it, or if He found them He did not think it worth His while to mention them. In either case we would do very well to follow His example. The other thing is to go out and proclaim it. The preached Word of God! I believe the Church of Christ to-day is starving for the proclamation of the Gospel. We have preaching, God knows, an abundance of it; the world has a surfeit of preachiug; but there has not been a great deal of preaching in these modern days of the simple Word of God. Everything else is ransacked for subjects for sermons while the great store-house of grace is almost untouched. The preachers need to bear in mind this fact, that the pulpit is built on the Bible and not the Bible on the pulpit, and if we neglect the Bible to-day we need not be surprised if the people neglect the pulpit very soon. They may come for a little while, but in the end the pulpit that is not resting on the Word of God is a pulpit doomed to fall.

I am aware that it will require a great deal of grit and grace and consecration to stand up against the tremendous force that is pleading for something else and still stay by the old Book, but it will pay in the long run. It will pay because it will save souls. I remember a little story I read a good while ago, how away on the coast of Norway there was a man put in charge of a lighthouse, and having occasion during the afternoon to go on shore, he left in charge his little boy of seven years and his girl of ten. As the afternoon wore on a great storm came up and the man was unable to return to the little island where the lighthouse stood. As the night grew darker and the winds howled fiercer and the waves beat about the rocks, the children decided to light the lanterns, and they went up into the high tower for that purpose, only to find that the great lamps were far beyond their reach. Then the little boy said to his sister, "Mary, don,t you think you could take the lamp and hold it up here in the window? It might help to light somebody." She got on the table to do it but found that even then she could not quite reach up to the window. Then the little boy laid his body down on the table and she, standing on his prostrate form, held up the light. Every little while she would say, "Does it hurt, Freddy?" And his answer was, "Yes, Mary, it hurts, but keep the light there." Oh, my brother, it may hurt, but in the name of God let us keep the light there; there is nothing else that will guide sincere souls; there is nothing else that will save the great lost world about us; there is nothing else that will bring wanderers back to God save His Word of Eternal Truth, and your duty and mine is simple and plain, to proclaim it, no matter what the world may say.

One of the most tragic things that I have read in a long while is told in connection with the Northern Pacific Railway. Some years ago a train in mid-winter was crossing the plains, and there

was a woman on board with two little children. She said to the conductor, "I want to get off at a ——— station." He said, "Very well, madam, I will tell you when you come to it." A second time she reminded him of her wish for she was very uneasy, and then a man sitting quite near her said, "Madam, I know the station you want to get off at, I will tell you when you come to it." The train went thundering on through the darkness and the storm. By and bye it stopped, and the conductor was not there, but this man reached over and said to the woman, "Madam, this is your station," and she picking up her children and parcels, stepped off at the siding, and the train went on. After it had gone some ten or fifteen miles, the conductor came back through the car and said to the man, "Where did that woman go who was sitting near you?" The man replied, "Why, she got off at the last station." "Off at the last station? That place where we stopped down the road?" "Yes," said he; with a blanched face the conductor said "That is not a station at all, that was just a little siding where I stopped for something I wanted on the way; my God, man, the woman is not within forty miles of a house, and the thermometer is 45° below zero!" They stopped the train and went back, only to find the mother and the two babes lying cold and dead by the roadside. The man meant to be kind, but he was cruel because of his ignorance. There are men in the pulpit to-day who mean to be kind, but who are cruel because of their ignorance, and they are guiding men by something else than that which is the Light of the World, and the Hope of the Race. So, I say we need to take the old truth, the old Gospel as revealed here by Jesus Christ, and believe it with all our hearts and preach it with all the power that God has given us.

Do you want to unify the Church of Christ? That will unify her. Do you want to rectify the errors of the Church of Christ? That will rectify them. Do you want to energize the people of God in His service? This book will do it. What are the marks of unity in a nation? Oneness of language; oneness of law; oneness of ideals. These will make one great nation. Get the people bound by a common law, a common language, and a common aim. When the Church of Christ comes to take that Book as its common law, that Word as its common language, and the preaching of that Gospel as its common aim, we will lose sight of the fact of all our denominational differences, because we will be essentially one in the Word, both written and incarnate. (Applause.)

Hymn No. 635 was then sung, "How precious is the Book divine."

THE PRESIDENT: Ladies and gentlemen,—It would not be fitting for me to begin the remarks that I have to make to you this

evening without saying a few words in regard to one who for forty-two years has filled the position of President of this Society, but who, within the last year, has gone home to his reward. We all feel a distinct sense of loss this evening, those of us who have been accustomed to these meetings when the Hon. Senator Allan was in the chair, at not having with us his attractive and dignified personality. He possessed many qualifications which peculiarly suited him for the presidency of this or any other society. Of a cultured mind, having travelled widely in his early youth, a student of all current literature, courteous to everyone, of a type which now, I am sorry to say, is fast passing away in the strenuous and somewhat rough-and-tumble kind of life of this 20th century, the good old-fashioned, courteous, gentlemanly type, the loss of which we all regret and deplore. It might truly have been said of Senator Allan, that he

> "Bore without abuse
> The grand old name of gentleman,
> Defamed by every charlatan,
> And soil'd with all ignoble use."

But, that, alone, would not have fitted him for the presidency of this Society. He had other qualifications. He had had a long experience in Parliament, sitting for many years of his life, in both the House of Commons and the Senate, and presiding for many years in the Senate, our highest legislative assembly in this land; interested, too, in all philanthropic and beneficent works, in everything tending to alleviate humanity. No one who sought Senator Allan's assistance ever found him reluctant to aid such work. But more than all that, he had, which peculiarly fitted him for the position, and that was, he was a simple, humble and devout believer in the word of God as being the revealed Word of God, as being a message sent down from Heaven which we must hear or not hear at our peril; and because he was a firm believer in that Word of God he was therefore a warm and strong supporter of the Upper Canada Bible Society. The loss of such a man as that is a distinct loss to the country of which he was a worthy and prominent citizen; to the city to which he was a beneficent benefactor; to this Society of which he was so long a tower of strength. We all join in deploring that he has been taken from us, even though we know that for him it is far better to be with his Lord.

Now, our meeting this year is held somewhat earlier than usual. It was thought better to anticipate the time, because towards the end of May when we have usually held our meetings, there are so many meetings of church courts and synods and assemblies going on that the clergy especially found it difficult to

come to our meeting or to pay any attention to it, and at their suggestion we decided to meet earlier, and we are going next year to have it earlier still. But the fact of the meeting being before the usual time prevents us from having the opportunity to distribute, as it has been our custom to do in the past years, the report of the British and Foreign Bible Society. It therefore becomes necessary for me to call your attention to some facts in connection with the Society, which I trust will be of interest to you, and which you ought to know.

In the first place, I think it is a matter of congratulation that during the past year the parent Society has resolved that the revised version of God's Word shall be printed and published by that Society. You know that for many years it has steadfastly refused to do so. Abiding by the old traditions, the Directors of the British and Foreign Bible Society thought that they were not warranted in printing and circulating anything else than the authorized version; but as the feeling everywhere has been steadily growing in favor of the revised version, and as this Society, amongst others, had sent resolutions home to England, urging that they should relax their rules, during the last year a special meeting was held for the purpose of considering the question. It was very largely attended, and the President, the Marquis of Northampton, in presiding and making the opening speech, said that it had been ascertained that there was a "gigantic unanimity" on the part of the principal supporters of the Society that in future the Society should print and circulate the Revised Version of God's Word. I rejoice, and I am sure that all of you here who are students of the revised version will rejoice, that at last we are to have it printed in a cheap form for popular circulation, so that those who desire to have God's Word in a garb nearest to the original language will have the opportunity of doing so. That is truly a step in advance to report to you.

Now I want to draw your attention to the coming Coronation of our gracious King. There, too, the Bible Society will not be unrepresented; and there, too, the Bible, upon which Queen Victoria is said to have stated that England's greatness was built, will hold a prominent place, for the King has graciously consented, at the request of our President, the Marquis of Northampton, to accept from our Society, that is from the British and Foreign Bible Society, a copy of the Bible, which is to be presented to His Majesty on his Coronation Day; and weighty and beautiful words, we are told, will be used when that Book is presented to him—words worthy to linger in your memory, and which I will repeat to you now that you may hear the words which are going to be used when the Bible is presented to our Sovereign at his Coronation. The

words are taken from the form which was used at the Coronation of her late Gracious Majesty, and they are these :—

"Our Gracious King, we present you with this Book, the most valuable thing that this world affords. Here is wisdom. This is the Royal Law. These are the lively oracles of God. Blessed is he that readeth and they that hear the words of this Book, that keep and do the things contained in it, for these are the words of Eternal Life, able to make you wise and happy in this world, yea wise unto salvation, and, so, happy for evermore through faith which is in Christ Jesus, to whom be glory forever. Amen." These are the words which will be used when that Bible is presented to His Majesty; surely words of significance in these days when the Bible is less and less honored, and less and less revered, and when the weighty effect that it has had on the world's history, and on the standing of our Great British Empire, is becoming more and more neglected.

Then I want you to look a little farther still than the Coronation, which comes in the next month, and that is to something which is to take place two years off, and that is the celebration of the centenary of the Bible Society. A few weeks ago, in the Guild Hall, London, a large and merry party met. You would have seen throngs of young lads and girls, and older lads and girls in holiday garb going there, and presently you would have seen the Lord Mayor of London, in all his state, with all his quaint formality attending him, entering that Guild Hall, and if you had looked into that great hall you would have seen on a table there an enormous cake, beautifully iced, weighing 98 pounds. That was the Birthday Party of the British and Foreign Bible Society. It is held every year, and every year they have a cake weighing just as many pounds as the Society is old, and those who are to eat the cake are those young persons who have been collectors for the Society during the past year. They all gather together in London, great state is used, and as I have said—the Lord Mayor and the Sheriffs attend with all their dignity—some speeches are made, then the cake is formally cut, and tea is served in the crypt or basement of the Guild Hall to all that happy company. On the 7th March in this present year the Society was 98 years old, and those of you who are arithmeticians will see that in the year 1904 the Society will be 100 years old, and there will be a cake 100 pounds in weight to be eaten by these merry young people. But that is not the important part of it. In that year the Society intends to make special efforts to celebrate its 100th birthday. There will be addresses and gatherings and public meetings all over the world, in all probability. We will endeavor in this country to celebrate it honorably and properly, and I hope you will bear in mind all through the time, to look forward to the

birthday party such as we will have of the British and Foreign Bible Society in March 1904 Next year we hope to have out from the British and Foreign Bible Society deputations who will address us on the subject, and who will endeavor to arouse our enthusiasm. I think if they saw us to-night, and knew what stormy weather it was outside, they would think we had enthusiasm. Now, that is something to look forward to, the Centenary of the British and Foreign Bible Society.

Now just a word about the work of the British and Foreign Bible Society. They report to us expansion all along the line Bible Society work is growing. They are opening up new agencies in places where they have not opened them before. Agencies in Bolivia, in Mongolia, that most difficult country; they say they have sent a colporteur there, who is endeavoring among those wild Mongols—familiar to many of you through reading the Life of Gilmour, that heroic missionary among the Mongols. They are pushing the work. They do not intend to let any nation or any tribe be without the Word of God if they can help it, and it is cheering to know that the work of this great Society is being rapidly pushed into every quarter ef the world. These colporteurs, remember, are not merely people who go to peddle books and nothing more. Their object is not simply to push their wares, but it is with each book that they sell to drop the incorruptible seed of the Word; all men of faith, of piety, and of love to the Saviour; and they are in themselves preachers of the Word, men whose visits have been of incalculable value to many and many a soul in the days gone by. Now we look to the war in South Africa as being something terrible, and so it is, but there is a cheering side to it in this, that notwithstanding that terrible war the South African Auxiliary has sent to the British and Foreign Bible Society during the past year as a free contribution the sum of £800; this is a grand thing to think of. Notwithstand the terrible strife going on there, yet the Bible-lovers in South Africa have sent home as their contribution to the great missionary work of the British and Foreign Bible Society, the sum of £800.

Then we have all deplored the check which has been given to Bible work in China, but the Society reports that matters are improving greatly there, and as a sign of that, in the first eight days of this present year from the China Agency 150,000 Bible Books have been ordered for circulation among the Chinese; that is to say, in China in the first 8 days of this present year, up to which time they had reports, 150,000 copies of books of the Bible have been asked for by Chinamen, who want to read God's Word. Surely that is a cheering sign, that notwithstanding all the difficulties which have

taken place there should be that desire to read God's Word in the minds of those Chinamen, against whom all the nations of the world have lately been turning their swords. So much for the work of the British and Foreign Bible Society.

I have been greatly interested in reading lately the addresses of Mrs Isabella Bishop, the great traveller. She gives some wonderful instances of the way in which God's Word alone has operated to bring heathen and savage people to the knowledge of the Lord Jesus Christ, the wonderful power of God's Word without human voice even. Copies have gone into remote districts of China, India, Thibet, and other places, and there have been read first of all by one whose mind has been touched, and then he has acted as an evangelist to others, and so it has gone on until small Christian communities have been found there who have never heard a Christian teacher, who have not known the living voice of the messenger of Christ, but have learned from the written Word about the Living Word, and who in that way have been turned from darkness to light, and from the power of Satan unto God. There is that wonderful power in God's Word which this Society is formed to distribute without note and comment, that it is all-powerful in itself, and that God, the Holy Spirit, can so take it and use it that even without the human voice, without the human preacher, God's word is powerful to the casting down imaginations and every high thing that exalteth itself against the knowledge of God.

Now, just one word I ought to say in regard to the work of our own Society, because I feel that although you all have the abstract of our report in your hands,and you will all take them home yet many may forget to read them ; that is the usual way. The takes every pains that people who go to these meetings should see what they are doing; and should understand intelligently the work of the Society; and the people—and when I say the people, I class myself among them when I happen to be sitting in the audience—the people love nothing so little as to be informed. If there is one thing that the natural human mind revolts against, it is to get information, and so we find that no matter how many reports you give to a person, those reports will never be read. I want to call your attention, however, to one or two points in regard to the report, in the hope that you may be tempted to read the report for yourselves, and to know a little more about what we are doing.

The first thing I want to notice is this, the responsibility that

we have to those thousands of people from foreign lands who are coming into this Canada of ours. Turn to pages 4 and 7 of the report and read about the Doukhobors and the Galicians. Now, among all these foreigners who have came to our shores, and many of whom know nothing about God's Word, the Bible Society is at work distributing God's Word without note or comment in their own language. There is a wonderful work for us to do, and that is one of the things I want you to bear in mind. The Bible Society is not merely selling Bibles at its depository, but it is going out among those people and is bringing them God's Word in their own language, so that every man reads in his own tongue the wonderful works of God. Now, think for a moment what a safeguard that is going to be to us. Many of us dread these people coming here because they have not had our Christian education, our Christian knowledge, and we fear that they may be disturbing elements in the civilization of this Canada of ours. True, it may be, and will be so unless we do our duty in bringing to them that corrective which is able to make them, though aliens from the commonwealth, fellow-citizens, that is, in the truest sense of the word, to bring to them the Word of God which will make God-fearing, law-abiding citizens of this Canada of ours; no longer a menace, as some people seem to fear they will be, but a strength and a support in building up the fabric of our great Dominion. Now, that is one kind of work, and you notice there this important fact, that only a few days ago we sent off to work among them Mr. Hillyer, a young Russian who speaks English as well as several other languages, a bright-looking young fellow, a Christian fellow, who has gone there to work smong these Galicians and Lithuanians and others in the west, and I hope you will remember him, and ask God to be with him and bless his efforts. Now, that is a great thing to think about. We have, in addition, to the other colporteurs that are there, this bright young evangelist, because he goes as an evangelist to preach to these people the unsearchable riches of Christ.

Now I want to call your attention to the colportage work of this Society. I want you to stop to notice the items of visits made by colporteurs during the past year, which number 12,393 visits. Always remember that the colporteurs of the Bible Society are not chosen merely for their ability to sell books, they are not merely book-agents, but they are men of God who when they pay a visit endeavor not merely to sell God's Word but to preach God's Word; and many are the instances which we know of in which their visits have been the means of bringing home the truth to the hearts of

the people throughout our own country as well as in other countries. What may they not represent perhaps in spiritual results in this Canada of ours? Then I want you to notice on page 9 that our work has increased during the past year; you will find the total number of Bibles circulated during this year is nearly 31,000 as compared with 27,000 last year. That is very encouraging, especially if you look at the figures there, which at first sight do not look encouraging, and that is the work of the depository. We have sold fewer books this last year in the depository than we had in the year before, and yet, notwithstanding that, the total number of books sold has been very much larger than during the preceding year.

Now let me explain why we find it not so easy to sell books at the depository. The fact of the matter is, that people now—and it is a good sign perhaps—in the settled parts of our country are demanding good Bibles. They want Bibles very well bound, and very often they want Bibles which have all sorts of helps with them —the Oxford helps, and the Cambridge helps, and the Bagster helps, and things of that sort. People are wanting a better class of Bibles, a more expensive Bible than the Bible Society professes to sell, and therefore people in these settled parts who have money want to have a much better book in outward appearance, than we, as a society, profess or pretend to give to them. That accounts for the reduction in the sales in our depository. We do not keep those expensive Bibles, we only keep those Bibles that are *without note and comment.* If people want other Bibles they have to get them elsewhere. It is not that we are not doing our duty, but simply that the style of the demand has decreased.

And that brings me to my closing remark, that more and more the work of our Bible Society must be considered as a missionary work. It is less and less necessary, I think, to be endeavoring to sell Bibles in the settled parts of this Canada of ours. It is startlingly true that wherever our colporteurs go into any district they find whole families without a copy of the Word of God. That is very strange and very wonderful and very sad, and it is a great thing that those people are supplied by our colporteurs; but that is fast ceasing to be the case, and we must remember that we have a great North-West filling up with all sorts of alien people who have to be supplied, and in addition to that we have the great regions beyond where the work of the Bible Society is needed, and appreciated and valued, and where we find unlimited scope for our work. There is ample work, then, for the Bible Society to do—the great missionary Society of the world, as it has

been called, that Society without which all other missionary societies would come to an end; and it is on behalf of that Society and its work both at home here in Canada and in England and abroad that I solicit your support, and what I ask you to do for one thing is to read about it.

We have numbers of attractive little booklets about the work of the Bible Society, which we will be glad to let anyone have who calls at our Bible House, and we have one report especially called "Behold a Sower" which I could recommend to you as very, very far better than the latest novel you will find on the book-sellers' shelves. It is true, it is interesting, it is sparkling, it tells about God's word, and if you take it up, I think you will not lay it down without reading it through from cover to cover. Now, read about this. It is your duty to know the progress that God's Word is making in the world, and the progress that the Bible Society, whose sole work is to circulate God's Word without note or comment, is making in the circulation of that Word. Remember, every Bible sold helps to bring nearer the realization of our dream —not a dream, because it is a certainty—the great consummation to which we are all looking forward, the return of our Lord Jesus Christ to this earth to put an end to sin and sorrow and trial and suffering, and to take His children up to be with Him forever more; and it is because this great work is tending to hasten this great event, because the Bible Society is an important instrument in that, that I beg all of you to do what you can to help on the work of our Bible Society, to read about it, and pray about it, and in every way in your power help to spread God's Word through its instrumentality. Now I have great pleasure in calling on one who has made a special study of God's Word in his character as professor at Wycliffe College, who has for many years devoted his attention especially to those controversies which have been alluded to to-night, and I am sure that any word that he speaks to you will be received by you with a sense of the authority that is due to one in his position. He is well-known to many of you, and I am sure you will be glad to hear Professor Cody who will now give us his promised address.

REV. PROF. CODY said: Mr. Chairman, Ladies and Gentlemen, I wish to speak to you to-night on the general subject of the Bible as a living and life-giving Word, but before doing so I should like to express my gratification in being here to-night in the capacity of an Anglican clergyman. I am glad as an Anglican to be present and express my sympathy with the work of the Bible Society, in the

first place because I remember the attitude which the Church of England consistently adopts towards the Holy Scriptures. In the preface to the Homilies, written in 1562, we read these words: "Considering how necessary it is that the Word of God, which is the only food of the soul, and that most excellent light that we must walk by, in this our most dangerous pilgrimage, should at all convenient times be preached unto the people;" and again, "God's Word, which is the principal light and leader unto all godliness and virtue, to expel and drive away, as well all corrupt, vicious and ungodly living, as also erroneous and poisoning doctrines." The title of the first Homily, is "A Fruitful Exhortation to the Reading and Knowledge of Holy Scripture;" and the first sentence is: "Unto a Christian man there can be nothing either more necessary or profitable than the knowledge of Holy Scripture ..... without the which they can neither sufficiently know God and His will, neither their office and duty." I remember again, the sixth article of our thirty-nine; "Holy Scripture containeth all things necessary to salvation: so that whatsoever is not read therein, nor may be proved thereby, is not required of any man that it should be believed as an article of the faith, or to be thought requisite to salvation." The Creeds, again, are to be accepted, why? "For they may be proved by most certain warrants of Holy Scripture." "In our doings," another article says, "that will of God is to be followed that we have expressly declared unto us in the Word of God;" and once more, "It is not lawful for the Church to ordain anything that is contrary to God's Word written," nor "besides the same, ought it to enforce anything to be believed for necessity of salvation." In what higher position could the Scriptures be placed?

I am glad, in the second place, as an Anglican, to be here, when I remember the part which the leaders of Church activity 100 years ago took in the founding of this Society. The Bible Society was founded, you will remember, in a time of great national distress, in that time of the death agony of the old order, and the birth-throes of the new, when Britons were sitting in dread of French invasion under Napoleon's command. In the year 1804, in the old London Tavern in Bishopsgate, a meeting was held to found this Society for the circulation of Holy Scripture without note or comment, throughout the whole world. Granville Sharp, the hero of the anti-slavery movement, presided; William Wilberforce lent his silver tongue for the occasion; the learned Dr. Porteous, Bishop of London, was one of the first patrons of the Society, and Lord Teignmouth, an ex-Governor-General of India,

was the first President ; while on the committee were Zachary Macaulay (Lord Macaulay's father), Charles Grant, and Henry Thornton. All these were earnest and faithful members of the Church of England.

But I am glad to be here to-night not simply as an Anglican, but as a member of that great catholic Church of Christ, which is "the blessed company of all faithful people," the congregation of those who love and believe in Jesus Christ, dispersed throughout the whole world. We are all here to night to bear witness to three things at least :

First of all, to one underlying feature of unity of the Church of Christ, in spite of vast external diversity. Christians agree in acknowledging the primacy and supremacy of the Bible, the directness of its appeal and its internal power and force. Even the Russian Church cordially joins hands with Protestant Christians in circulating the Bible ; the Russian Railways allow the Bible Society colporteurs free passes, and carry all Bibles free of charge ; while Russian military officers encourage their men to buy copies of the Bible, sometimes even advancing money to private soldiers wherewith to make the purchase. Co-operation in this plain duty of sending the Bible to all peoples under the sun is something that ought to link together all who name the name of Christ. The second point to which we witness is our own firm belief in the "Impregnable Rock of Holy Scripture." The third point we emphasize is the debt which all the missionary agencies of the Church owe to the Bible Society. Every missionary organization in the world would be sadly crippled if the Bible Society ceased to exist.

The Archbishop of Canterbury has truly said : "One of the greatest instruments God is using to prepare the way for bringing the whole human race together at the feet of Christ is the work of the Bible Society." This book prepares the way for the living missionary. In the phrase of St. Augustine it is the "Apostola apostolorum." It can go where the missionary cannot. Into Thibet, which is absolutely closed against all Christian missionaries, Bibles are being introduced, both from the Northern Provinces of India, and from the western part of China, so that even in the Sacred City of Lhassa the Bible is being read. In Abyssinia, barred as it is to missionary effort, the Emperor, Menelik, not long ago, gladly received from the Bible Society copies of the Holy Scriptures in Ethiopic, and expressed his thanks therefor. He went as far as to say that if more copies were sent he would see they were sold at a good price. This is perhaps the first instance on record in which a royal person-

age has acted as the agent of the Bible Society! Then, as Bishop Welldon, late of Calcutta, remarked, the Bible multiplies the missionary's work. "Amidst the paucity of missionary workers, as compared with a population of three hundred millions, the Bible is still the one silent, universal, irresistible missionary upon whose influence the Church can always and everywhere depend." Every advance in the mission field involves fresh and imperious demands on the resources of the Bible Society; yet no application made to the Bible Society to print the Scriptures in any widely-used dialect of the world has ever been refused. The Church in its missionary character is a deep debtor to this Society.

The Bible is a book of the ages. It has exercised a wider and deeper influence than all other volumes in the world. There are books of a day, and books of a season, and books of an age, and books of all time. Measured by length of life and width of influence, the Bible stands as one of the great books of the world. Of the thousands of new books which pour forth from the printing press, not one in three reaches a second edition. The average life of the modern book is about five years; after that a book is dead, and there is for it no resurrection. But to-day, at the end of the centuries, the Bible in the modern world is being multiplied more abundantly and circulated more widely than ever before. There never was a time when it had more readers and exercised such a far-reaching and commanding spiritual power. The Book that lives on and feeds the thoughts of men as centuries move, attests its own greatness by its vitality and force. The Bible like a great river is constant and inexhaustable, ceaselessly pouring forth its fullness. Ages pass, generations die, fresh faces throng on every side, fresh voices are heard, but the great writings of the Bible go on contributing vigor and health to the thought of the world. We need not tremble for the future of the Book because of any critical assaults. God's book has gained more from criticism that it can ever lose. When criticism has done its worst, or its best, the Book remains intact in everything that makes it to be the Bible. Since the year 1804 almost one hundred and seventy millions of copies of the Bible have been circulated, and the present yearly output is about five millions. Thus the judgment of the centuries has been measured; the verdict of the generations has been given; and if experience is worth anything, there is no appeal from this verdict.

Merely as literature the Bible is worthy of study and circulation. "Who will say," says Faber, in his "Lives of the Saints,"

"that the uncommon beauty and marvellous English of the Protestant Bible is not one of the great strongholds of heresy in this country?" It lives on the ear like music that can never be forgotten; like the sound of church bells, which the convert hardly knows how he can forego. Its felicities seem often to be things rather than words. It is part of the national mind and the anchor of the national seriousness. The memory of the dead passes into it, the potent traditions of childhood are sterotyped in its verses. The power of all the griefs and trials of a man is hidden beneath its words; it is the representative of his best moments; and all that there has been about him of soft, and gentle, and pure, and penitent and good speaks to him out of his English Bible." The aspiration of Alfred the Great was this:—"My desire is that all free-born youths of my people may persevere in learning until they can perfectly read the English Scriptures." It seems passing strange that from the curricula of our colleges the most unique piece of human literature should be so carefully excluded.

But the Bible is more than a book; it is a word from God, and in whatever form it comes it presents itself as a living word of the Almighty, revealing Himself to His creatures. The question of questions is, does it "find" us?—in Coleridge's phrase—and touch us, and make our souls live? If so, it is divine, a word from the living God. In all Bible controversies the supreme point is, does the Bible really manifest superhuman life and power? Does it really reveal the mind and heart and will of our Heavenly Father? Does it bring men and women in touch with the Lord and giver of life? This lifts us up above the sphere of mere literary investigation. There is too much tendency to dwell on critical problems, and so to seem to reduce the Bible merely to literature. Holy Scripture is, in St. Gregory's words, "the letter of Almighty God to His creatures. Learn God's heart in God's words." As Luther puts it, "In the Word thou shouldst hear nothing else but thy God speaking to thee." The Bible is a book and more. It is a word from God; a voice from the heavenlies. There are many echoes in the world, but few voices.

A word of God must be quick and powerful,—that is, living and life-producing. It must have vitality and activity. The Word of God is living. The marks of life are: *unity*, *continuity* and *adaptability*. (1) Every living thing has one principle of being. It has organs, not mere parts. So, the Bible is not made up of disordered and discordant fragments. It is one word, with one life-principle. It is, in Bishop Westcott's words, "a book *manifold*

by the variety of times and circumstances in which its several parts had their rise; *one* by the inspiring presence of the same spiritual life." The wonder of this unity is enhanced, because in outward form the Bible is the work of men separated by the widest differences of age, character, training, and surroundings. And yet it contains the same view of God, only deepening and unfolding it; the same view of man, only piercing further and further into his secret soul; the same ideal of life, only lifting higher and higher the standard of holiness and service. You can't successfully cut it up, you can't successfully piece it out. If you were to insert a portion of the Egyptian "Book of the Dead" into the Pentateuch, or the Apocryphal Gospel of the Infancy into the earlier chapters of St. Luke, the incongruity would at once appear, a rent would be made, the spiritual unity would be violated. Into whatever disjointed fragments the Book may be resolved, these constituent parts have a fashion of coming together again, and demonstrating an underlying unity.

Principal Rainy, with great force, urges this point, "The man who hides from himself what Christianity and the Christian revelation is, takes the parts of it to pieces and persuades himself that without Divine interposition he can account for all the pieces. Here is something from the Jews, and something from the Greeks; here are miracles that may be partly odd natural events, partly nervous impressions, and partly gradually growing legends. Here are books of which this element was contributed by this party, the other by that, and the general coloring by people who held partly with both. In this way Christianity is taken down and spread over several centuries. But when your operation is done the living whole draws itself together again, looks you in the face, refuses to be conceived in that manner, reclaims its scattered members, and re-asserts itself to be a great burst of coherent life and light centreing in Christ. Just so you might take to pieces a living tissue and say, there is here only so much nitrogen, carbon, lime, and so forth, but the energetic peculiarities of life going on before your eyes would refute you by the palpable presence of a mystery unaccounted for." This unity comes not from external causes, or from preconcerted agreement of the authors, or from similarity of circumstances, or from conscious imitation, but from the one Spirit who pervades and speaks through all these instruments, using the history and prophecy of the Old Testament, and the narratives and epistles of the New, to convey a message of God to man. The living and abiding Word, the life-giving soul of the revelation, is Jesus Christ Himself.

In Luther's strong phrase, "Jesus Christ is the King of the Book." To Him give all the prophets witness. "Christ incarnates the idea which fills the ancient revelation. His outline runs like a golden thread through the brilliant and beautiful tapestry of Hebrew literature until we see the Divine figure itself before us in the Gospels. His star, the star of redemption, shining now dimly, now with brilliance, out of the dense obscurities and hopes, the faith and labors, the institutions and events, the oracles and poems, the battles and marches of twenty centuries, ascends at last into the Heavens, and as the Sun of Righteousness floods the world with healing and redemption."

2. But this unity is *continuous.* The Bible has always manifested its life on the same line, with powers increasing but unchanging. Always and everywhere Christ is set forth as a Redeemer. In prophesy He is seen "bruised for our iniquities;" in history as "the Lamb of God bearing away the sin of the world;" in experience He is felt as God reconciling the soul to His will and purpose. He is the same in the yesterday of the prophets, the to-day of the gospel narrative, the forever of the Acts and Epistles and experience of Christian people.

3. The third mark of life is *adaptibility.* The living creature can fit itself to its surroundings. So the Bible has proved its universal adaptibility to all the races of the world; it has come to them and proved itself to be the Word of God, living and life-giving. Seven out of every ten inhabitants of the world, if they could read, could have the Bible in their own tongue. The Bible Society issues complete Bibles in 100 languages of the world, complete Testaments in 100 more, and portions in still another 150. 200 languages have been added to the Society's list in the reign of Queen Victoria alone. 860 colporteurs are working in some 30 countries, and 616 native Bible women are reading the Scriptures in Eastern lands to 40,000 women every week. Colporteurs have followed the track of Don Quixote in La Mancha, climbed mountain passes in Georgia, entered prisons in Formosa, traversed forests in Nicaragua and the rice fields of Bengal. They have warehoused New Testaments under the roof of the cathedral at Archangel, and sold Gospels in the Sulphur mines of Sicily and on Japanese railway cars, among lumber camps in Canada, and in the market place of Omdurman. We follow them over the hills of Sardinia beset with brigands, through mining camps of gold-diggers and iron smelters in the Urals, through villages of Fire-worshippers in Persia, and into the dungeons of Bosnia and Crete.

They have sold scriptures to navvies engaged on the new Simplon tunnel, and to coolies in opium and gambling dens of Selangor, to soldiers in the barracks of Buda Pest, and to sailors on board steamers of every nation calling at Port Said. Not only does the Bible bring its message to all the tribes of men, but to every class in every tribe. It enters the cottage of the humblest and the palace of the mightiest. It fits into every human mood and experience It has a message for the child by its mother's knee ; for the man in the hour of temptation and perplexity, for all who stand in need of consolation ; in all times of our health, and in the hour of death "Read to me," said the dying Sir Walter Scott to his son-in-law Lockhart. "Which book ?" said Lockhart. "There is but One," said Scott ; and Lockhart, at his request, read a chapter in the Gospel according to St. John.

But the Word of God is not only living, but *life-giving*, life-producing. Wherever it goes and is received, it brings forth much fruit. It brings God nearer to man and leads man nearer to God. It enlightens and purifies and uplifts. It begets intellectual life, giving men wider and clearer conceptions of truth. Much of the intelligence of humanity in the higher spheres of knowledge and thought is due, directly or indirectly, to the Bible. This high regard for humanity, this spiritual conception of Diety, this cosmopolitan charity, this firm hope of a better future for the race, is traceable directly to the Bible. Blot out what has come from the Bible, and you will destroy the best part of the intellectual life of the race. Further, it gives moral life, deeper and stronger convictions of duty. Righteousness and peace flourish where it goes. It has proved a bulwark of civil and religious liberty. It is the safeguard of the home. It is the corner-stone of every philanthropic institution. Above all, it gives spiritual life, closer and purer relations to God. This is life, present and eternal, to know the only true God and Jesus Christ ; and this knowledge the Divine Word gives us, bringing us really into contact with God in Christ. Where else can we find this knowledge ?

The Bible lives because Christ is the soul of the revelation. "The Word of God liveth and abideth forever. For all flesh is as grass and the glory of man as the flower of grass. The grass withereth and the flower thereof falleth away. But the Word of the Lord endureth forever. And this is the Word which by the Gospel is preached unto you." Because Christ is the soul of the revelation that revelation can never be outgrown or superseded. All the growth of human knowledge in science and economics and ethics

and art since Christ spoke in Jerusalem has not discredited one single idea He expressed, or rendered useless one single precept He has inculcated, or made obsolete one phase of the revelation He has given. "Back to Christ!" is a watchward of the day, splendid and inspiring when rightly interpreted; but when we consider how imperfectly Christ's teaching has been wrought into institutions and individual lives, we are fain to cry out as a new watchword, "Forward to Christ." Not only can the revelation never be outgrown, but it is inexhaustible. It endures because it is infinite, and it is infinite because it is not merely a series of literary selections of history and poetry and biography, but a record of and a witness to the infinite, inexhaustible Christ. We shall never fathom its depths. As John Robinson said to the departing Pilgrim Fathers, "There is still much light to break forth from the Scriptures."

And lastly, because Christ is the soul of revelation it is indestructible and immortal. It is absolutely insuppressible. Its continuity as a spiritual and moral force in the world is one of the most striking marvels of history. Count the number and strength and malice of the enemies, secret and avowed, which it has encountered, and whose extinction it has survived. Note the character and power of the schools of criticism which have come and gone while it has remained forever. Each school professes to find some new key of explanation. Each professes to know more than its predecessor. Each did its critical work, sometimes rendering real service, and sometimes rendering none, but the Bible abides and survives and conquers—the Word of God, living and live-giving, because it tells of Him who is the wisdom of God and the power of God unto salvation.

"Last eve I paused beside a blacksmith's door,
And heard the anvil ring the vesper chime;
Then looking in, I saw upon the floor
Old hammers, worn with beating years of time.

How many anvils have you had? said I,
To wear and batter all these hammers so?
Just one, said he; then said, with twinkling eye,
The anvil wears the hammers out, you know.

And so, I thought, the anvil of God's Word
For ages skeptic blows have beat upon,
Yet, though the noise of falling blows was heard
The *anvil* is unharmed, the *hammers* gone."

(Applause).

Whie the collection was being taken. Mr. Bemrose sang, "I heard a voice so wondrous fair."

REV. DR. CHAMBERS moved, "That the thanks of this meeting be presented to Rev. Dr. Cleaver and trustees, for the use of the building on the present occasion; also to Mr. Blakeley, the Organist, and the leader of the choir, for their valuable services this evening."

DR. CHAMBERS said: I am very greatly gratified that, notwithstanding the unfavorable state of the weather this evening, we have so goodly a company present. I am sure the Trustees have offered this church very gladly, and I am quite confident that no society of greater importance will ever hold an annual meeting in this place. I think it very fitting that in this first year of the embellishment and re-opening of this edifice, this annual meeting should be held in it. In making the announcement for this service from my own pulpit last Sabbath I said I believed that if Protestantism in Toronto recognized its indebtedness to the British and Foreign Bible Society that the Massey Hall would not contain the audience that would assemble there on this occasion. I am still of that opinion. Of course there are very many claims upon us, but this is a Society that belongs to all the churches, and should have the sympathy, the prayers, the contributions, as it has the eloquence of all the churches in its defence.

REV. MR. FRIZZELL seconded the resolution, which was carried unanimously.

After the Doxology was sung, the Benediction was pronounced by REV. DR. MACLAREN.
